

Learn to Save

Money wisdom is a part of anyone's education—and it begins with knowing how to save. Start a savings account at The Bank of Toronto right now for that boy or girl of yours. Don't worry too much over how the savings will be used. Time will take care of that. But the big thing—the important thing—is that you guide him along the right road . . . the road that builds self-respect as well as peace of mind in later years.
