Shower Held for Mr. and Mrs. James Brown

On Thursday, July 29th, friends and neighbors gathered at the Orange Hall, Markdale, to do honour to the recent newly-weds. The evening was spent in dancing and social chat. At midnight Mr. and Mrs. Brown were asked to be seated. The following address was read:

Dear Dorothy and Jim,
Father Time has struck a chime. A wedding chime for you. And turned a brand new page so fair. And made your skies so blue. I'm sure there is no other time.

That he so merrily rings
Than wedding time and honeymoons
And brides and grooms and things.

And that is why we're here to-night,
To merry make together.

To wish for you a long, long road
That winds through sunny weather.

I've heard it said — no doubt 'tis true
That clouds there too should be
Cause then the sun shines brighter
When the clouds blow o'er, you see.

So whether sun or whether cloud,
May life bring naught but peace.
A long, long road together,
And joys that never cease.

Now in token of our wish
To prove it is sincere,
Please accept these gifts to you from us.

Your friends who hold you dear,
Signed on behalf of your friends
and neighbors.

Ruby McLaughlin, Mabel Hill, Laverne Harvey, Wilbert Wyville and Nelson Hill.

The bride and groom each made a fitting reply.

Vote on August 4th

IN SOUTH GREY

for Colgan, for Drew and for Ontario

ELECTORS OF SOUTH GREY.

Ladies and Gentlemen,—

During past weeks, through the medium of this newspaper, I have outlined some fifteen of the twenty-two pledges upon the performance of which rests the appeal of Col. George Drew and the candidates of the Progressive Conservative Party for the support of the Electors of Ontario. The remaining eight are equally deserving of your attention and favourable consideration.

Since this is my last opportunity of addressing you, prior to election day, through the columns of the weekly press, permit me to briefly summarize a few of the reasons why I am expectant of an expression of your confidence on August 4th.

ED. COLGAN

1. The Pledged Program of the Progressive Conservative Party is Definite, Direct and Constructive.

The appeal of the Nixon Party is based on Mitch Hepburn's Policy only.

The Concepts of the C.C.F. Group embrace the dissipation and Ultimate Elimination of Individual Initiative, of Private Gain and of Personal Rights.

2. The Program of the Progressive Conservative Party is Practical, and its Twenty-two Main Pledges are designed to Serve All Citizens of the Province, Servicemen and Civilians Alike, in the Testing Time of the Post War Years. Of the Two Other Parties, The Nixon Group presents No Forward Reconstruction Platform, while the Co-Operative Commonwealth Federation Program is Illusory, Deceptive, Impractical, leading only to the Ultimate Destruction of True Democracy.

3. Leadership in the Progressive Conservative Party is Preeminent and Outstanding.

Geo. A. Drew served Canada with Distinction in the First World War. He Served with equal Distinction and Esteem as the Mayor of his Native City. Courageously, he Exposed to Public View the Unwarranted Extravagances of the King Government in the Original Bren Gun Contract, and Secured a Revision which Saved Thousands of Dollars to the taxpayers. Fearlessly, he took the Ottawa Government to Task in the Hong Kong affair. As Capable as he is Courageous, George Drew is A Leader of whom, as Premier, the People of Ontario May Well Be Proud.

Harry Nixon has twenty-three years of service in the Legislature to his credit. The combined efforts of eight of Mackenzie King's Ministers assisted materially in elevating him to the Leadership of the Provincial Liberal Party. Two things he has done as Premier. One of them was to call an election which was about as necessary as a fifth wheel to a wagon. The second was to disfranchise every last one of Ontario's lads and lassies who are serving their country beyond the confines of this Province.

Who is the C.C.F. Leader? Rumor has it that it is some man named Joliffe.

The ideal set up, in any election, is to have a good policy, a good leader and a good candidate. It is not always possible to have the best in each of the three categories. I am sincere in my belief that the Program of Constructive Legislation proposed by the Progressive Conservative Party is the best offered for the welfare of our Province, and that George A. Drew is Ontario's chance to secure real leadership. As for myself, as a candidate, I can only assure you that, if elected, my first and only interest will be to serve the People of South Grey and the Province of Ontario with an eye single to their very best interests.

Sincerely yours,

ED. COLGAN.
