RATION NEWS

A recent regulation of the War-time Prices and Trade Board gives "preferred users" a priority in the purchase of evaporated milk. The preferred users are infants under two years of age and persons over two years of age in whose diet evaporated milk is essential for medical reasons. To obtain the necessary coupons, application forms must be filled in and these signed by a physician. These forms may be obtained from the local representatives of your Local Ration Board at Markdale and Dundalk or from the Secretary at Flesherton. When the forms are properly filled in and signed, they must be forwarded to the Secretary at Flesherton, who will then issue the necessary "G" coupons. Each "G" coupon is valid for the purchase of six 16-oz cans of evaporated milk. Not more than 3 coupons may be issued to one person per month. These coupons have no expiry date. This order of the Board does not affect sweetened condensed milk or skimmed evaporated milk. One-quarter of the retailer's stock is reserved for preferred users and the remainder may be sold to other customers. HAVE YOU RENEWED?

FARMERS AND FARM WORKERS If Your Farm Work has Slackened for the Winter, You Are Needed Elsewhere in Essential Employment

Highly essential work—very important in Canada's war effort and for the welfare of the Nation—is threatened with shortages of workers. One of the few sources of men available for other high priority jobs is those men on the farm who will not be needed at home during the Fall and Winter. Heavy needs must be met in many lines—producing fuel wood and other necessary forest products; in base metal mines, in food processing, in railway track maintenance. If you live on a farm and are not needed at home during the Fall and Winter, you are urged to answer this national appeal. Farmers engaged in essential work during the off season will be allowed to return home when needed. Also, those on postponement under Mobilization Regulations will continue on postponement while in approved essential work during the slack on the farm. Please answer this vital call NOW. For full information please apply to one of the following: The nearest EMPLOYMENT AND SELECTIVE SERVICE OFFICE or The nearest PROVINCIAL AGRICULTURAL REPRESENTATIVE or YOUR LOCAL FARM PRODUCTION COMMITTEE NATIONAL SELECTIVE SERVICE DEPARTMENT OF LABOUR
