

Thanks a Million!

We are glad to announce that our butter production for the year 1943 has been very satisfactory. For this we thank our patrons for their co-operative effort.

May we ask that even greater effort be put forth in 1944 — the country needs it. It will also pay you well. The Government bonus is now 10c per lb. butter fat.

There is still a big demand for both live and dressed poultry.

The Creamery will be closed Saturday evenings until further notice

Markdale Creamery and Produce Co.

FEDERATION NEWS

By Clifford Allen, President of Grey County Federation of Agriculture

It was quite evident at the recent annual meeting of the Ontario Federation of Agriculture that women are really prepared to assist in directing, and to share the responsibility of that organization.

Up until two years ago women had no voice in the work of the Federation but at that time the constitution was amended to provide that there be at least six women directors and six directors sponsored by the young people on the board with one of each six to be appointed to the executive.

That was the beginning, but not the end. At the annual convention this year a group of six women made a very effective presentation to the general convention, setting forth their attitude and views.

Mrs. Ralph Burton, who in 1943 represented women on the executive, reported that fifty-five women had met in separate session. About fifteen came as delegates from county federations and she urged that every county send one woman delegate next year.

Mrs. O. G. Anderson explained that women are doing more of the actual work in the production of such commodities as cream, poultry and eggs, and felt that organization of producers of these commodities should be developed with all possible speed because, all the other things for which women are asking in the way of improvement of rural life, are directly dependent upon our economic security and set-up.

Other matters dealt with in their presentation were the distribution of hydro, saying that hydro should be a public service for everyone with the total cost pooled over the whole province, the urgent attention of rural people on the matter of health and medical service; the provision or extension of existing rural recreation facilities and that more women be appointed to all Federation committees, boards of directors and executives.

It is highly desirable that women be given a more important place in the Federation. It is because of the unbalanced economy of our country, because of the lack of labor-saving equipment and farm conveniences that the health and vigour of our farm people (not excepting the women) has been sapped with the result, in a good many cases, that they are wearied of the whole situation.

Yes, we want women in our Federations and we want women to become more active in our Grey County Federation. Grey County ranks among the leading counties of the province in the number of Farm Forums reporting each week and our women have been active in this part of our program. The Federation of Agriculture with its broad economic and social program is interesting in many of the same things as our Women's Institutes, the former J.F.W.O. Clubs and other groups of women. We want to help them and we want their assistance in directing our program.

Wellington County Federation of Agriculture has a woman president, in the person of Mrs. Taylor and she represents that county on the board of directors of the Ontario Federation of Agriculture.

Yes, women can have a voice in the affairs of agriculture. Come on women! Let us make Grey County Federation stronger.

We can take a creative part in shaping the nations future.

Walters Falls Circuit Shows Good Annual Report

The congregations of Walters Falls pastoral charge have had a successful year. Reports summarized for the annual records show: 97 families; 152 resident members; 194 Sunday School membership; 80 members of Women's Associations. Total amounts raised by the several churches were: Ebenezer, \$428; Knox, \$1,044; 4583; Walters Falls, \$573; White's, \$371, making a total of \$2,076. Of this amount the W.A.'s raised \$338 and the Sunday Schools \$134.

\$118 was remitted for the Missionary and Maintenance Fund and \$40 Thank Offering for W.M.S. Knox group secured hymns of praise (1 and 2 combined) for choir. Collections were taken for the Bible Society, Orphaned Missions, work in war areas and in addition \$100 for the church deficit. Benevolences covered Red Cross, hospital, milk for Britain and soldiers' boxes.

The unified appeal to help India and China was presented last Sunday. Knox will take an envelope offering on February 13th and 20th. Response will make up White's, Ebenezer and Walters Falls. 100,000,000 people are living amid famine and plague. The United Church has in Free China as many missionaries as from all other American Societies combined. We have therefore a great opportunity to minister to these in need. Let us make a generous response.

Presbytery meets at Owen Sound on February 17th.

Munitions and war supplies were the main generators for this huge amount, placing it at the highest level in Canadian history. Coincident figures are interesting, too. The index of mineral production topped a little but gold receipts and coal production declined. Manufacturing production index showed an increase of 21.2 per cent. There were advances in operations of flour milling, meat packing, and in the tobacco industries, with a recession in newsprint output and of steel and iron. And Canada's domestic and foreign exports hit the astounding figure of \$3,001 million, three times that of the previous year 1933.

The Minister of Labour is issuing an order which will put the onus on employers, to check male employees of military call-up age to see if they have completed all mobilization regulations. An employer will include Dominion, Provincial and municipal governments as well as private business or farmers, even where the employee is a son or other relative of the farmer.

Americans are really big investors in Canada. A United States Treasury census reveals that American-owned property in foreign countries reaches over the nine billion dollar mark, 34 per cent of this being in Canada. If you sometimes wonder why banks have increased staffs, put it against the large number of cheques that are issued, for one thing. Cheques cashed against individual accounts aggregated \$2,375,000,000 during 1943, a new high point in Canadian history too. Be sure to read that amount correctly, because it sure is passing the bucks and no fooling.

Agricultural Notes: The department advises potato growers to use their 1944 seed potato requirements without delay, and a list of growers having Certified, Foundation A or Foundation Seed can be got from Plant Protection Division, Dept. of Agriculture, Ottawa. As for grain, a 5 per cent increase is wanted for this year. Ontario, Manitoba and B.C. have each a 10 to 12 per cent acreage; Quebec and Alberta will aim for 5 per cent, the Maritimes with 1943 plantings greater than long-time average will maintain level of production, as will Saskatchewan.... An increase of nearly one-third over the 1943 output in maple syrup and products is being asked, representing about three million gallons on a syrup basis....Marketing of lambs and sheep off Canadian farms and ranches in 1943 is expected to be up 5 per cent over 1943.... Corn, however, looks for a jump of 53 per cent over 1943 acreage—nearly 400,000 acres—which was the estimate quoted at the joint agricultural conference in Ottawa.... There will be plenty of vegetable needs in peas, beans, carrots, onions, radishes, lettuce, tomatoes, swedes etc., available for 1944 spring planting because the Agricultural Supplies Board arranged a production program in the spring of 1943. We are informed that about 65 per cent of the Canadian production of vegetables and field root seeds were grown in British Columbia last season.

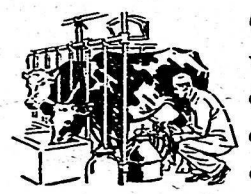

Pop-Pouri: Canadian metallurgists will now be devising new plans for civilian use of magnesium (Canadian produced) restrictions for which have been removed by the Department of Munitions and Supply. Apparently we've got plenty for war requirements. In the same category now is poorer grade reclaim and scrap rubber. Ant-

National Income is supposed to give a pretty good indication of the national welfare. The Dominion Bureau of Statistics points out that for eleven months of 1943 it showed an increase of 18.4 per cent—a total of \$8,072,000,000—over the similar period a year before. Production and transport of

More FOOD NEEDED As Victory Draws Nearer

As the United Nations invade the Axis-dominated countries, famished populations as well as our fighting forces must be fed. The need for food increases as victory draws nearer.

Canadian farmers are confronted with a heavy task, which may be made easier through the use of bank credit. The Bank of Montreal stands ready to make every reasonable loan which will promote an increase in food production in the world emergency.

If you need to borrow to improve your production of food, do not hesitate to talk with our nearest branch manager.

TEMPLE HILL

Mrs. Boyes of Saskatchewan spent a few days with her sons, Roy and Douglas MacMillan.

Mrs. Boyd held a Red Cross quilting on Wednesday last.

Mr. and Mrs. Russell Eskine, accompanied by Mrs. Wilbert Menary, spent the week-end with friends in Toronto.

Word was received on Sunday by Mrs. Russell Sparling of Blackwater, stating that her mother, Mrs. McTaggart had passed away. Mrs. McTaggart had resided with her daughter the past year before they moved away.

The sympathy of the community goes out to Mrs. Sparling, Russell and Marie.

Miss Marion Boyes of Collingwood spent the week-end with the McMillan boys.

The log trucks are making good time hauling logs from John McNeil's bush.

Mr. and Mrs. Norman McNeil attended the funeral of the late Robert Clark of Meaford on Tuesday last.

Mrs. Clifford Eskine spent a day recently with her daughter in Mount Forest.

The world as we know it is at a point of tremendous change. In his speech, Lord Halifax put forward certain ideas which he must feel will help the Empire give the right kind of leadership in the colossal decisions that have to be made.

It is significant and Canadian would be the first to admit, only right that a speech with such far-reaching Empire implications should be delivered in Canada. It stresses all the more the position in world affairs that Canada is attaining and emphasizes the importance which Empire leaders attach to the future role of this country.

Lord Halifax's address was interesting. With the tortuous road the plays ourselves.

Lord Halifax himself would be the last person to demand, or want, complete sheeple agreement on the suggestions that he has made. He is not getting it. And that is only right. He has, however, thrown down the gauntlet and clearly pointed out the decisions that have to be made and some of the issues that are at stake.

TRAVERSTON

The dip in the weather has put the shlygoes deeper into the mud and the crows to hike south.

Mr. A. E. McNally lost a valuable jersey cow from indigestion on Friday night. Last year she gave birth to twin calves. There seems to be something lacking in the hay and straw this season.

Mr. and Mrs. J. H. Robson celebrated the 40th anniversary of their wedding on Thursday of last week. February 2nd. May they live to see their golden and diamond anniversaries.

Mrs. Herb Timmins spent last week with friends in Guelph. Herb sold a springer cow to Mr. Leonard McKeown of the Glen at the week-end. Leonard is one of Glen's most gifted violin players.

The saving bees are hustling the farmers and their sons around here at present. R. T. Cook is a hustler. Last week he cut two big piles for T. Glen-cross and son and Albert Maynard and son Bill. On Monday p.m., with a husky gang they sliced up 45 cords for your scribe in five hours and this Tuesday p.m. are tackling a big pile at Jos. R. Edwards, with a half dozen jobs awaiting. This snappy weather makes the lads lively at handling the poles and piling up the blocks.

Mrs. Cameron G. Robson of Hamilton was a week-end visitor at the Robson homestead.

Mrs. W. J. Cook was summoned on Saturday afternoon to the bedside of her sister, Mrs. Wm. Cook of Elmwood who is suffering from an attack of pneumonia. The latter is 90 years old.

Farmers are pleased with the new hog bonus, as the price of western feed and the scarcity of home-grown grain was meeting a problem.

The bride and groom expressed their appreciation and hearty thanks and the crowd gave them the usual hearty send-off. A merry evening was crowned with a rich repast, a fat chunk of wedding cake and the best of good wishes for the future welfare of this young couple.

newly-weds were called to the front when Miss Leona McNally read a most appreciative and well-ricing address while Mr. Ewen McNab presented them with a generous gift of valuable gifts. A substantial cheque from Mr. T. J. Brodie was among them.

GORING

Mr. and Mrs. Ernest Wood spent Sunday with the latter's parents, Mr. and Mrs. Leri Potlidge.

Mrs. Thompson Murray spent the past week visiting with friends in Shelburne, Proulx and Markdale.

Visitors with Mr. Dick Wood and Miss Martha Wood were Mr. and Mrs. Archie Wood and Mr. Harold Parker.

Mr. and Mrs. Elnore Murray and family visited on Saturday with Mrs. Mary Murray and Mr. and Mrs. Tom Abbott of Meaford.

Mr. and Mrs. Douglas Saunders spent Sunday with Mr. and Mrs. Ross Broadner.

Mrs. Harold Parker and Marjorie returned home from Toronto after spending a few days with friends.

Mr. and Mrs. Harry Broadner spent day recently with Mr. and Mrs. Lorne Broadner.

Miss Viola Murray returned home after spending the past week with her grandmother, Mrs. Mary Murray and Mr. and Mrs. Tom Abbott of Meaford.

Visitors with Mr. and Mrs. Gordon Murray were Mr. and Mrs. Sam Wood, Lloyd Parliament, Mrs. Alex. Gardiner and Elwood.

Mr. Robt. Dixon has returned home on an extended leave from Army service.

Mr. Clarence Dixon left here last Wednesday enroute for his camp in Nova Scotia after a fortnight leave at the parental home.

Mrs. S. Delere returned to her millinery position in Owen Sound on Saturday after visiting her sister, Mrs. Cathie for some weeks.

Mrs. E. McLean returned to Toronto on Saturday after a fortnight's care of her mother, who is convalescing from a broken wrist.

Mrs. Shepherdson is staying with her daughter, Mrs. Lettie Reid in Meaford for a time.

Mr. and Mrs. Sam Saunders and family of Berkeley were Sunday visitors with Mr. and Mrs. C. Saunders.

We are pleased to report Mrs. John Murray able to return home after an absence of several months of illness.

A number of ladies quilted two Red Cross quilts at the sewing rooms last Wednesday afternoon.

The United Church W.A. held their February meeting last Friday at the home of Mrs. A. Menary when arrangements were made for holding a Pot Luck supper in the church basement on Monday, February 14th.

Friends and neighbors of Chas. Boland met at his home on Friday evening to spend a few social hours together. Mr. Boland has recently sold his farm to his son, Lloyd. The event was spent in dancing and playing cards. At midnight Mrs. Dane McGee read an address and Mr. Frank Davis presented Mr. Chas. Boland with a club bag on behalf of the neighborhood. Mr. Boland expressed his appreciation in a few well chosen remarks. Lunch was served.

Mrs. Richard Fawcett is quite ill at the home of Mr. and Mrs. Gordon Wyvill. Mr. Fawcett visits frequently with his wife and daughter, Mrs. Wyvill and family.

Farm Forum met on Monday evening at the home of Howard Graham. The subject was "The Church in the Rural Community". Following the broadcast a couple of articles on the subject were read by Miss Dawn and H. J. Graham. Two discussion groups were formed under the leadership of Miss Dawn and Mrs. W. G. Bowles. These groups made reports to the Valentines Forum. A period of games, etc. followed. Lunch was served by the hostess. Next meeting will be at the home of Mr. Andy Fawcett with Mrs. Geo. Shaw as program convener and Vernon Fawcett in charge of recreation. The program will have some Valentines features, along with progressive crocheting.

The 12th line neighbors of Mr. Roy McMullen, who suffered a painful injury to his hand recently, had a wood bee for him one day last week.

Mr. and Mrs. Alex. Gilray are moving to their new home at Wodehouse this week.

Miss M. Dawn spent the week-end at her home at Heathcote.

Mr. Melville Buchanan was a prize at the carnival in Owen Sound recently.

Mrs. Agnes Bowles is spending a couple of weeks with friends in Albion. Mr. Ralph Fitzsimmons has gone to Toronto where he expects to work for a couple of months.

YOU CAN HEAT YOUR HOUSE WITH SUNLIGHT
One way to beat the coal and oil shortage is to let O' Sol do the heating. Dr. Robert D. Potter, science editor, writing in The American Weekly with this Sunday's (Feb. 13) issue of The Detroit Sunday Times, describes a new house which sunlight helps to heat, and how old houses can easily make use of the same principle. WODEHOUSE

Miss Fern Wiley spent Friday afternoon with Misses Iris and Madeline Welsh.

Mrs. Gladwyn Wiley and Devona of Hamilton are spending a few days with Mr. and Mrs. Sam Wiley.

Miss Christina Mills of Markdale spent the week-end with her parents here. Mr. Glen Mills arrived back from Toronto on Saturday to spend a week's leave before joining his unit. He has signed up with the Tank Corps.

Percy Wiley met with a slight accident one day last week while coming out of the bush with a load of poles. The binder chain came unfastened, letting the binding pole loose and striking him on the head, knocking him unconscious for a time. We are glad to say it was not serious and that he is able to be on the job again.

Miss Helen Wiley, Reg. N., of Guelph and Miss Elva Wiley of Markdale spent the week-end with their parents, Mr. and Mrs. Gordon Wiley.

Trp. Glen Mills and Ronald spent an evening this week with Stewart and Harold Merrifield of Eversdale.

Mr. Richard Fawcett visited with his wife on Sunday at the home of Mr. and Mrs. Gordon Wyvill at Vandeleur.

Mr. and Mrs. Earl Morrison of Vandeleur spent Sunday with Mr. and Mrs. Ivan Morrison.
