### The 6th Victory Loan

The stage is all set in Grey County for Canada's Sixth Victory Loan. Four million dollars is the minimum objective being asked of Grey County and Owen Sound, the same as in the last loan, but Hon. J. L. Ilsley, Minister of Finance, has asked for an over-subscription of at least ten per cent.

Grey County Council, in session this week, gave the lead to the county, when a subscription of \$125,000 was authorized. The County's subscription in the last loan was \$110,000 and it has been raised to \$125,000 this loan. Sinking funds will be used to purchase the Sixth Victory Loan.

The organization for the County has never been more complete. When the loan opens on Monday morning at 9 o'clock, 77 salesmen will begin covering every street in every town and village, and every concession and sideroad in every township. These men have been carefully chosen for their ability as salesmen, and for the confidence which the people of the various communities repose in them. They have been carefully trained for the work they are to do.

A. O. Gillespie will have charge of sales in Markdale, while Euphrasia Township will be covered by Russell R. Ellis of Kimberley; Samuel Erskine of R. R. 2, Markdale and Edward Lanktree of R. R. 4, Meaford. Chatsworth salesman will be J. L. Minorgan and for Holland Township, Sam Saunders, H. V. Wales and Joyce Wheldon. Ed. Carson and Clarence Hutton will cover Sullivan. For Flesherton and Arden, the same salesmen who have been so successful in the past will operate again: Edgar Betts, George McTavish and J. A. Richards. Glenelg salesmen are Percy Greenwood, R. R. 1, Markdale and John McGirr, R. R. 1, Durham.

## ADDRESSES ON THE MOVE ...

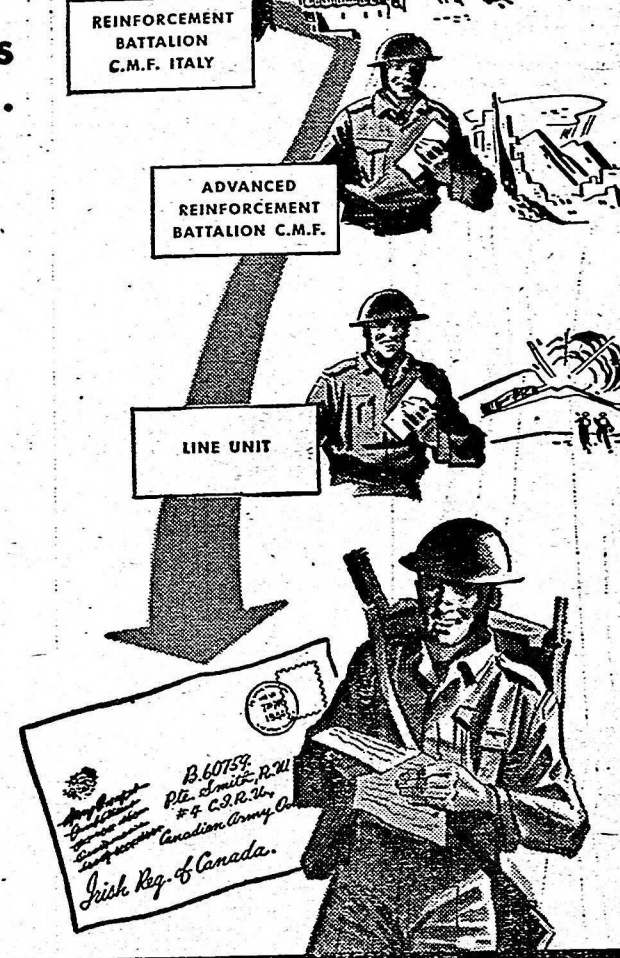

**MAIL TO REINFORCEMENT UNITS  
A CHALLENGE TO US ALL ...**

THIS is a war of movement. Never before have troops been moved such incredible distances, in so many theatres of war, so quickly. Night and day, thousands of men are in motion, by sea transport, motor truck and air... edging into enemy territory, shifting to keep the element of surprise. Did you ever stop to think what it means, under these trying conditions, to find your friend or relative, and put your letter into his hands?

Yet in spite of the tremendous task involved, tracing men who are moving from reinforcement units in England to group depots in Italy... or from one location to another... or through hospitalization or while on leave... in the face of every sort of war hazard... 31,500,000 letters in addition to parcels and other items, reached our men in 1943.

**Local Citizen Received Letter From Wife In China**  
(Flesherton Advance)  
Mr. Raymond Sit Sup, proprietor of the Quality Restaurant in town, had a most pleasant surprise recently, when he received a letter from his wife in China. This was the first word he had received from her for some three years prior to the entry of the Japanese into

the war. She resides at Canton, China, and the letter was written just before Christmas and smuggled out of the city and posted at Chungking, coming by air mail. To say he was pleased to know that his wife and two daughters were safe after the Japanese invasion would be putting it mildly. Raymond's friends here are pleased to share with him his happiness at the knowledge that his family is safe.
