BUILDING for VICTORY and AFTERWARDS Canadian Pacific Chief Executive Reviews Company's Mighty War Effort meeting of the carried at pre-war rates despite the fact that during the fifteen years previous to 1939 many reductions had been made in the charges for certain classes of events which mark, as few others do, the same average revenues per ton mile and per passenger mile arise in 1943 marse to meet the problems which would arise in 1943 arise in the era of post-war adjustment. "We are confident". he

6.386 are pensioned under the Act.
Low set rate of pensioners per 1000
population is in Alberta at 0.302, highest in New Brunswick at 1.665. Total
expenditure for 1942 on pensions was
\$1,532,640, cost being distributed 75-25
per cent to federal and provincial
governments. The higher ratio of
blind per thousand in the eastern
provinces thought due to the fact they
are the oldest settled parts from which
many young people migrated west and
to the United States.

This year will the recover in the Artley Block, over Perkins'
hardwae. Entrance at south-west 386 are pensioned under the Act

ing from the more volume.

In each year since the commencement of the war, freight, passenger and other railway traffic had continued to expand. In dealing war loose who would confine Canada's economic and transported more than 215 million tons of freight and 55 million passengers, a stupendous accompassengers, a stupendous accompasse This year will show some increase in the number of prisoners of war per-mitted to work on farms. A camp for between two and three hundred is to between two and three hundred is to be established at Chatham, Ont., for work on sugar beet farms, as is one in Lethbridge, Alberta area. Some prisoners of war are placed on individual farms, around 65 are in the Metcalfe, Ontario area, and 100 at Brooks, Alta. Canadian Japanese, of which about 75% are Canadian born, totalling about 5,000, from the coastal areas of British Columbia are working in Manitoba, Alberta, Ontario and B.C.

> Canada's new embassy building in Chunking, China, a simple two story tructure is now in use. In the former place, people engaged in Embassy business had to toil down half-a-mile

ration Boards to grant posts There apparently is a pressing need for officers and seamen to sign agree- The Markdale Standard from military training to male school for officers and seamen to sign agreeof six months as has been the case.

Throughout Canada a campaign is in progress which, in its seemingly in-significant way is related to the bigger things in this war and so merits a spot And that's why the Nation

overeas. And that's why the Associated all Waste Paper Drive is on.
At one time it was difficult to ship waste paper except in carload lots and this made paper salvage difficult in small communities. New arrangements

canned, dried, pickled or con products for winter use.

Canada's export trade to Southern Ireland (Eire) is mostly in our favor. During the first three months of 1944 Canadian merchandise to the value of \$2,012,000 went\_to Eire as against \$414,000 in the same period of 1943. Our imports from that country, tho, have dropped from \$372,277 in 1940 to \$2,383 in the whole of 1943.

An article in the Canadian Journ of Public Health shows there are 12,—
344 known blind in Canada, which doesn't include those who do not come within the defination of blindness. Of street. Phone night or day 91, the 10,040 blind, 40 years and over.

This piggy went to market, is right. In the fall of 1943 hog slaughterings rose above the weekly mark of 180,000 for the first time in the history of Canada. But has that mark gone up! For every 100 hogs slaughtered in the first quarter of last year, 174 have gone the way of all flesh in the first three months of this year.

of steps, cross a river by sampan, and then up a similar number of steps at the other side in order to reach the business-section of the city.
