HERE'S YOUR AUTOMARKET, MADAM...
the gift of men who think of tomorrow

MEAL PLANNING AND MEAL BUYING will be a cheer instead of a chore when groceries on wheels rush fresh foods to the housewife's door! Spotless, glass-roofed giant trailers, stopping in every block, will open up one side, creating platform and steps . . . and madam's grocery and meat market is ready for business.

HOUSEKEEPING will become a high and thrilling adventure when the time comes for turning airplanes back into refrigerators and kitchen sinks. You'll see food-mixers that keep a house dust-free, and rugs cleaned in a jiffy by electronic "sweepers". These and a score of other household "miracles" are being planned for you by MEN WHO THINK OF TOMORROW!

• But only if we perform our appointed tasks today will there be a tomorrow to look forward to. *There is a war to win first!* . . .

• At no time in history have the people of a nation had so great a responsibility for the victory of their armies. It is everyone's war . . . everyone's job to keep up production, to cooperate in salvage and conservation programs, and above all, to help finance the war with their dollars by buying and keeping Victory Bonds and War Savings Certificates.

• Tomorrow is for us all! Let's work for it! Let us all be MEN WHO THINK OF TOMORROW!
