WHITE SWAN BAKERY MARKDALE

IN DAYS OF YORE

60 YEARS AGO—July 17, 1884

The 12th was celebrated at Williamsford. John Lyons of Markdale addressed the Orangemen. Mr. McComb moved Mr. Mark Armstrong's barn 49 rods, leaving it on its foundation in three and a half days. The barn, 36x50 feet and eleven years old, is none the worse for the journey. Wm. Sargent of Berkeley had his load lifter patented. Mr. Hull installed a shingle machine and header into his steam stove-factory. House painting, R. O. Whitby J. R. Trimble, general store Benson's Liquor Store John Noble, blacksmith

50 YEARS AGO—July 19th, 1894

A new school is being erected to take the place of the "haunted" one in Glenelg. An enterprising photographer recently took an impression of the strange sounds and is now giving exhibitions of them. Lawn party at the home of Mr. J. C. Buchanan of Vandeleur, proceeds for church organ fund. Methodists of Berkeley held their second annual garden party on the lawn of Mr. J. Lund. The Lord Bishop of Huron visited the parish when St. Matthias' Church at Berkeley was consecrated. Confirmation service was held in Christ Church, Markdale, when twenty-five candidates were presented, duly prepared by the Incumbent, Rev. M. M. Goldberg.

30 YEARS AGO—July 22nd, 1914

"If a village like Markdale does not reach after the trade, it will only come as fast as it has to and it will grow as it is forced to. But if our merchants go after business in the surrounding country, advertising in every possible way, and making good every word of their advertising, trade will come from an ever-increasing radius, the town will gain a reputation for being awake and it will forge to the front." Walter Elliott took in \$450 for meals served on July 11th. Nobby hand-tailored suits for \$10, \$12, \$15.—P. J. Thompson. About twenty members of the Women's Institute held an enjoyable picnic to English's Lake, the guests of Mr. and Mrs. W. L. McFarland. A serious wreck occurred on the C. P.R. tracks when an engine and tender left the track. The only casualty was Fireman Jones who was injured. Announcement is made of a Baby Beef Competition to be held in every County in the Province—Grey County by District Representative Duff of Markdale.

C.P.R. Relieves Coal Shortage

THIS huge overhead travelling bridge, equipped with 10-ton clamshell bucket, is one of two such units operating at the Canadian Pacific Railway Company's big coal dock in Fort William, Ont., where 1,224,000 tons of American bituminous coal were handled during the Great Lakes navigation season in order to relieve western Canada's threatened fuel shortage. Based on the number of pounds of coal required to haul 1,000 tons of freight one mile the C.P.R.'s share of the coal represented a total of 14,985,714,000 gross ton miles of passenger and freight movement, or about one-third of the gross ton miles operated on western lines for 1943.
