BIG PUSH ON THE TRUNK LINE

For quick relief from headache pain, just take an Instantine tablet with a glass of water. Chances are you'll discover as thousands have, done, that prescription-type Instantine is a

modern way to fast relief from head-ache pein. Instantine works in three ways to bring prompt relief: 1. Speedily eases pain. 2. Prolongs relief from pain. 3. Reduces "depressed feeling."
Gives mild, stimulating "lift."

Instantine never pampers pain. It's specially compounded to give quick relief. Try it to relieve muscular ache or pain, and for the discomfort you feel then a cold gets you down. All drug-tores have Instantine. 12 tablets 25¢.

Ford To Produce A Post-War Car At Pre-War Price

Mr. C. E. Wilson, president of General Electric announcess that when his firm goes back to civilian production its good will sell at pre-war prices, despite all the increased costs of operation. Other manufacturers in the same line have been suggesting that their goods must advance from 10 to 35! percent in price. Mr. Wilson sees no such necessity, and he proposes to maintain his present wage level. He can do both he evide lieves, by handing on to the consumer and the wage earner the benefits of mass production and

Tractor Seat

A special coil spring, and a shock absorber, is the basis of a new suspension-type tractor seat which the farm tractor over rough plower land and ease the work of the driv-er. It may perhaps, decrease the high degree of kidney and skeletal disorders among farmers blame on the all-day-long tractor jarr ing. The new tractor seat was developed in Chicago by an automo tive equipment company, which developed and has made housands of seats for war tanks. The coil spring is placed directly under the driver's seat, and the triple-action hydraulic shock absorber at the rear. The absorber is similar to those commony used in automo-biles. Together the two devices give stability that enables the ride to stay level while the tractor bobs over rough ground. The construc-tion of the new device is simple and inexpensive, and it can be installed on all makes of tractors. It
