## Mrs. W. Prust Is President of Horticultural Society

Markdale Horticulture Society held its annual meeting in the Department of Agriculture on Wednesday of last week. Though the attendance was not large, enthusiasm was not lacking and several projects and plans for the coming season were discussed. The present membership was reported to be 73, and a balance on hand is evidence of the success achieved last year.

Despite the dry season of the past summer, the flower show, though held late, was considered a creditable showing. It is hoped that more people will interest themselves in the welfare of this society and plan to take an active part.

Mrs. W. Prust was named President, succeeding Mrs. (Dr.) L. G. Campbell. Other officers elected were: Vice-president, Mrs. A. G. Robertson; secretary, Mrs. D. Foster; treasurer, Mrs. L. E. Turner; directors—F. D. Sawyer, L. B. Lucas, Miss M. Mann, Miss M. Neely, Mrs. W. Noble, Miss M. McLoughry, Mrs. T. H. Reburn, Miss L. Mathews, Mrs. F. Thibaudau and Mrs. T. Tuck.

## What Are We Bid?

Here's a good chance for someone to get a goal keeper's pads, stick and mitts. The outfit belonged to Wodehouse Hockey Team of 1938. Since that time the hockey boys have left the district and have no use for the equipment which was used only one season.

Realizing that sports wear of all kinds is extremely hard to get, the persons concerned have decided to offer the entire outfit to the highest bidder—the money from which will be used to send boxes to boys overseas. For anyone interested the articles may be seen at The Standard office.

## Hockey News

In a league game played here on Wednesday of last week, Markdale handed Dundalk a defeat to the tune of 7-5.

On Friday evening an exhibition game between Thornbury and Markdale ended in an 11 to 5 victory for the date ended in an 11 to 5 victory for the home team. Despite the one-sided home team, these teams seemed to play well-matched and some good plays were made on both sides. Madden scored three of the seven goals and the Fitzsimmons boys two each. These time games are getting better all the time and from all appearances some first-class boys promise to supply some first-class hockey before the end of the season.

Markdale line-up: Goal, R. Banks; defence, Madden, A. Fitzsimmons; centre, Hartley; right wing, Best; left wing, C. Alton; subs., I. Fitzsimmons (Berkeley), McTaggart, F. Alton, E. Scott, I. Piper and G. Cherry.

Even if the Bantams—the team of boys 13 and under, which, incidentally, includes about every lad in the public school, did get the short end of a 15-4 score against Chatsworth last Friday evening, they had a lot of fun and will no doubt redeem themselves at future games.

The game that was to have been played at Dundalk this Wednesday night was called off on account of the storm.

The double-header this Friday evening between Shelburne and Chatsworth High School at 6:30 and Shelburne and Markdale League teams at 8:30 should be interesting games to see. Be on hand to give the boys a bit of support.

Somehow the wrong schedule was printed in last week's paper. For the benefit of local fans, here is the correct schedule for future games in the centre Grey League. We suggest you clip it out for reference.

February 2—Shelburne at Markdale  
February 5—Shelburne at Dundalk  
February 7—Dundalk at Markdale  
February 9—Markdale at Shelburne  
February 12—Dundalk at Shelburne  
February 14—Markdale at Dundalk  
February 16—Shelburne at Markdale  
(Due to the fact that Shelburne has no hockey rink, all their home games will be played in the Dundalk arena.)

## Fireside Service Enjoyed

"To see spiritual realities and to surrender self for service is Christ's challenge to the youth of to-day," declared Mr. F. Keyes of Fiesherston, convener of Young People's Societies of this district in addressing an informal gathering of the societies from the various churches in Markdale held in Annesley Church on Sunday night of this week. He urged young people to make their life count for Eternity and told them that concentration is essential for service.

Several selections of Scripture bearing on the topic, "One o'er all the Earth"—that is the young people of all the different churches united in the cause of Christianity—were read by members. Chairman for the evening, Mr. W. J. Messenger told of the origin of a Fireside Hour. The very interesting program included a duet, "Beautiful Isle of Somewhere" by Messrs. Stewart, Buschlen and Howard; a concert solo, "The Old Rugged Cross," by Jack Perkins; solo, "The Stranger of Galilee," by Ruth Alton, and a true story re-told by Miss Inez Nickel. Pianist was Miss Gwen Burnside. This informal service held by a glowing fire-place with lights dimmed was an evening of good fellowship and it is suggested they be held regularly in future.

Mr. Messenger tendered thanks on behalf of the committee, to those who had helped to make the evening a success. The offering was dedicated by Mr. Paul Rumball and the meeting closed with the benediction.

## Attend Fall Fair Meeting

The annual meeting of the Markdale Agricultural Society will be held in the Dept. of Agriculture this Saturday afternoon and when the notice says: "All interested are urged to attend," it means just that. This is the time when suggestions and discussions are welcomed and the officers need the co-operation of people from the entire district. If you have a better way of running a horse race, a better idea for attracting a crowd, or a new plan for encouraging exhibitors, do plan to attend the meeting on Saturday. We hope to have the secretary's report for our next issue.
