Patey - Bestward

A pretty spring wedding took place at the parsonage of Westside United Church, Owen Sound, on Saturday, March 10th, when Reta Best, eldest daughter of Mr. Edward Bestward of Markdale, became the bride of Mr. Robert L. Patey of Owen Sound. The ceremony was performed by Rev. A. Paget. The bride wore a dainty gown of champagne crepe with small brown veiled hat and a shoulder bouquet of Tallisman roses with bows of apple green velvet ribbon. She was attended by Miss Audrey Semple of Markdale, wearing a two-piece dress of rose crepe with corsage of Happy Day roses and black hat. A. J. Parsons of Montreal was groomsmen.

Following the ceremony the bridal couple left for Toronto and Eastern Ontario, the bride travelling in a dress of hunter's green, with beige polo coat and brown accessories. On their return they will make their home in Owen Sound.

93 Years Young Friday Congratulations!

Mr. Thos. Croft of Markdale will be 93 years young on March 16 and despite his weight of years he has plenty of life yet. Mr. Croft who lives across the road from the Creamery is an enthusiastic gardener and they tell us he is usually one of the first in Markdale to have early potatoes and corn.

New Doctor Has Arrived At Flesherston

Dr. T. D. Park of Toronto is opening an office in Flesherston in the office in the Kennedy Block, formerly occupied by Dr. Little. Dr. Park arrived on Monday and quarters are redecorated this week. Dr. Park practised for 15 years at Coldwater, was with the Lockwood Clinic in Toronto for a year and with Ajax for a year and a half. For the past two years he has been with the John Inglis Company in Toronto. He comes highly recommended and will fill a dire need in this district, due to the illness of Dr. Milne. No doubt the other physicians in nearby towns will be pleased to hear of Dr. Park's arrival as their work has been greatly enlarged and were unable to cover their territory to the extent desired by their patients. We welcome Dr. Park to the village.—The Flesherston Advance.

Men Coming Back

Thousands of men who have spent two and three years in the armed forces have returned to civilian life in the last few months. Many of them are looking for work for the first time and many more are looking for new opportunities in other jobs. After the upheaval of war the old job often isn't interesting or exciting enough. They want new fields to conquer.

The adjustment is more than just a change of routine; it is an adjustment of loyalty and responsibility. Their primary loyalty has been to the branch or the service they served in, their responsibility to their friends in it. They have been part of a large organization that was essential to the country. Now they are plain "Mister" again, and it isn't quite so easy to see that the country still needs them.

This is where we civilians can help. Many of us see the approaching end of the war as an opportune time to "better ourselves". In many cases we think it is a comparatively simple matter to change to another job and often our qualifications fall below the necessary standards. But the true way to add to prestige is to take new responsibilities—just where we are. Through the years of war we have learned that we have a contribution to make to the country. Many of us have worked long hours and hard; we have learned to take more care because no one was around to check up on us. We have learned that how the other fellow feels about his son who's away can affect the way he does his job, and we have learned to carry each other over the tough spots. And, because of the job we have done in the world as a whole, Canada is respected in the world as the fourth industrial power.

If we can continue to give this lead in peace time as we have in war, the returning men will find a zest, not in demanding rights and privileges, or in new opportunities, but in giving of their enthusiasm, initiative and responsibility, which has been so needed for war, to their civilian jobs and through these jobs to the country.

Signs of Spring

The warm spring weather is welcomed by everyone in town and country. When we recall that a few years back, highways were blocked at this time it seems that spring is really premature about setting in. Latest sign that has come to light is a caterpillar discovered by Russell Kirkpatrick of Goring. Judging by the number of sap buckets and pans being bought, maple syrup making will soon be in full swing.

Another Odd Lamb

Mr. Frank Davis of the 7th line, Euphrasia, has a ewe that gave birth to a lamb which is a freak of nature, having been born without legs. Two cat-like paws took the place of fore-legs while the hind pair were completely lacking. Except for the lack of a means of transport the little creature seemed perfectly normal. At least it did not survive to find out what legs are for.

Give To The Red Cross

The sixth year of war and Canadian civilians still living like kings! So say our boys returning on leave to home after seeing conditions in enemy occupied countries. Come to think of it, have we actually sacrificed enough to miss it? That is the reason it becomes our duty to help supply relief for less fortunate peoples of the liberated countries. That is why you are being asked to share your wealth to lighten the burden of suffering.

Markdale's quota in the Red Cross drive has been set at \$900. It may seem a large sum to raise but we have confidence the people of Markdale will support this cause to a maximum. Canvassers have been named who will call at your home during the next two weeks. You can help them by having your donation ready when they call. Give as generously as you can!

Victory Day Service

Some thoughtful citizens in the town of Dundalk have thought it high time folks got together to decide how to celebrate the cessation of the hostilities in Europe. As a result a very fine Victory Day Service of Thanksgiving and Remembrance to be used at that time has been drafted and is awaiting the day. It seems a very commendable idea to start thinking on, so that when that day comes there will be a definite course of action for everyone to follow. Speaking with the head of the Canadian Legion from this same place he informed us that he has Hitler made, ready to stuff and burn at the stake. He measures 16 feet in height and 11 feet around the middle.

Markdale H. S. Wins From Dundalk H. S. 8 - 5

On Monday night the Markdale High School team chalked up another win to make it their third victory in a row. They defeated the Dundalk High School in Dundalk by a score of 8 to 5.

Although it had been a mild day the ice was good, giving both teams an opportunity to show their ability. The teams were very evenly matched which made it a thrilling game to watch. While the game was fast, only one penalty was handed out and that was to McDonald of Markdale in the second period. The Markdale boys had their coach back after a few days of illness to see them win. McTaggart was the star Markdale player, centing the mesh four times and setting up many of the other scoring plays. Fitzsimmons and York divided the other four goals between them. Markdale went to Dundalk without one of their star performers, Gordon Cherry, who was unable to go. Hannah, as usual did a good job in the net.

In the first period both teams went scoreless until the half-way mark when McTaggart scored on a lone rush, then Dundalk put on the pressure and scored three times. The period ended with the score 3-1 for Dundalk. The first half of the second period was scoreless until York slapped home a loose puck. The next corner was made by Fitzsimmons for Markdale, followed by McTaggart who scored on a pass from Fitzsimmons while McDonald was off.

Dundalk opened the third stanza with their fourth goal to even it up, but McTaggart came back with two counters and Fitzsimmons and York both added on to Markdale's total. The last goal was tallied by Dundalk to make the final score 8-5 for Markdale. The line-up is as follows: Goal, Ken Hannah; defence, Bill Johnston, Don McDonald, Stanley Brodie; forwards, Lenard Fitzsimmons, Fred Alton, Ted McTaggart, Mel York, Doug Freeman, Maurice Wright; subs., Curtis Ryan, Don Kidd.

Editor's Note: Working short handed and being unable to attend the High School games, we are indebted to Stanley Brodie for this and previous reports of school games.

Takes Over Duties Of Hospital Matron

Miss Mary Denning of Strathroy has taken over the duties of matron of the Durham Red Cross Memorial Hospital to succeed Miss Ida Bradley who resigned. Miss Denning is a graduate of Strathroy Hospital and was Night Supervisor before coming to Durham.—The Durham Chronicle.

Rotarians Hear Interesting Talk By W.P. & T.B. Officer

Mr. J. E. O'Brien, Field Officer of the Information Branch of the War-time Prices and Trade Board, was the speaker at the meeting of the Markdale Rotary Club on Tuesday evening. In his opening remarks, Mr. O'Brien informed the members that Canada is the Land of Plenty and the W.P.T.B. is making it its business to see that it continues to be. The necessities of life rose sky-high after the last war and the Board is making them stay at the basic rate.

To understand what takes place in other countries we can compare the prices in France, now being quoted for goods, to that which we are paying here in Canada. A car in France today costs \$18,000 while our cars are selling to a low market price. Meat is fixed there at about eighteen dollars a pound; compare that to the price here where we have an abundance and that at a fair price.

Ninety-three per cent of the people in Canada favour price control; very few would like sky-rocket prices and the Board has received much credit for its work. The Board has to worry over the surplus of money and the lack of supplies to sell. Buying spees are a headache to the Board; those people who buy in excess of their needs are upsetting the balance in spending power and supply. Shoes are rationed in the U.S. while they are not rationed here but an excessive use of these, in other words, waste, would cause the rationing of these. To take a material off the ration list, we must use the material only according to our needs. Rubber, textiles, steels, copper and such-like have gone to war; people who think will realize that they can help the war effort by being economical with these products.

If we realize that previous to the war 188 million lbs. of yarn was used in Canada but we now use 297 million lbs. of yarn will explain our shortages of this. Parachutes take large quantities of nylon, so much so that one parachute would give silk enough to make thousands of pairs of silk stockings.

The Board is doing all it can to stop any progress toward inflation; inflation means losses to thousands of people. We are trying to educate the people to understand the W.P.T.B. and what it is trying to do. Donald Gordon is watching the economy of Canada and is alive to the difficulties. Mr. Arthur Norris thanked the speaker on behalf of the Club.

Ration News

Ration coupons now valid are Butter 90 to 99; Preserves 33 to 44; Sugar 46 to 55.

Two preserves coupons are now valid each for the purchase of one-half pound of canning sugar. This year the allowance of canning sugar is 10 pounds per consumer.

Card of Thanks

Mrs. B. H. Walden

Largely attended services were held on Saturday for Mrs. B. H. Walden, who passed away Wednesday, March 7th, at her late home. Service was conducted in Cooke's Presbyterian Church by the pastor, Mr. Paul Rumball, Knox College, Toronto, assisted by Rev. N. Caswell of Annesley United, and Rev. Mr. McNicol of the Gospel Workers' Church. Interment was made at the chapel awaiting burial.

The pallbearers were Messrs. John Hannah and Wm. Stoddart (Honorary), Albert Scott, J. Johnston, Harry Page, Mel Belfry, Preston York, and Gordon Kingston.

Lovely floral tributes were evidence of the high regard in which the deceased was held in the community. They were from B. H. Walden, Mr. and Mrs. W. Bell, Rev. and Mrs. B. L. Walden; Oscar and Thelma Walden; Carl and Kathleen Walden; Mr. and Mrs. N. Walsh; Cooke's Church Congregation; Audrey and Bill Farmer, Gordon Reg and Muriel Gardiner, and Pearl and Bill Follis of Owen Sound; The Neighbours; Ann and Gordon Millen, Toronto; Mr. and Mrs. A. E. Scott; Mrs. Art. Stafford; Mr. Oliver Lepard; The Session, Board of Management, Sunday School teachers and officers of St. Andrew's Church, Stratford; Mr. and Mrs. Jack Miller, Toronto; and Mr. and Mrs. Morton Scott and Catherine Willie, Owen Sound.

Friends from a distance were: Mr. and Mrs. Oscar Walden of Toronto; Mr. and Mrs. C. E. Walden of Fort Erie; Rev. B. L. Walden of Stratford; Mr. and Mrs. Norman Walsh of Owen Sound; Mr. and Mrs. Alf. Walden and daughter, Mr. and Mrs. Harold Walden and son, all of Kincardine; Mr. Henry Beaton and Gordon and Mr. Archie Beaton of Priceville.

Mrs. Jacob A. Holley

There passed away in a Toronto Nursing Home on Sunday, March 11th, Mary Lavina Foster, widow of the late Jacob A. Holley. Her death was the result of a stroke followed by nine years of ill health. Daughter of the late Mr. and Mrs. James Foster, the deceased had spent her entire life in this vicinity. Mr. Holley predeceased her in August of last year.

Mr. and Mrs. Holley were married forty-four years ago. They had first resided on the Holley homestead on the east backline, later moving to the highway and later on the farm in the suburbs now owned by Alf. O'Neill. A year ago they had moved into the village to the former Ferris property on Toronto street south.

Mrs. Holley was a member of Cooke's Presbyterian Church and in later years of Annesley United. Service was held Tuesday evening at the parlours of Bates and Dodds, Queen St. West, and on Wednesday afternoon from the Oliver Funeral Chapel. Rev. R. E. Gosse of Long Branch United Church was in charge at both services. Interment will be made in Markdale Cemetery.

Pallbearers were: S. Henry, H. Stuart, Gordon Hill, W. H. Foster, W. R. Graham and Wes Foster. Mrs. Holley is survived by an only daughter, Lorene, Mrs. James S. Hutton of Toronto.

Friends from a distance were: Mr. and Mrs. Wm. J. Foster of Hamilton; Mrs. R. S. Cummings, Cpl. and Mrs. Bill Hyslop of Toronto; Mrs. Wm. Holley, Chester and Delbert of Holland Centre.

Mrs. W. Lougheed

Following a brief illness, Margaret Morewood, beloved wife of William Henry Lougheed of Fairmount, Euphrasia Township, passed away at the home of her son, Charles Lougheed, in Toronto, on Thursday of last week, where she had gone to spend the winter.

Born at Wodehouse, near Markdale, she was the daughter of the late Mr. and Mrs. Charles Morewood. She was united in marriage to William Henry Lougheed 48 years ago. They carried out successful farming operations at Fairmount but had left the farm this winter to be near a medical practitioner. The union was blessed with two sons and one daughter, Everett of Prince Albert, Sask., on December 21st last. A native of Glenelg, he had spent much of his earlier life around Markdale and Owen Sound.

In 1910 he went to Western Canada where he took up a homestead near Elbow, Sask., later moving with his wife and family nearer Loreburn, Sask., and finally farther north to Canwood.

He is survived by his wife, Helens, seven sons and two daughters, as well as three sisters and five brothers. Five sons reside in the West; Clarence, at Markdale, and Sgt. Roy Bartley, who is serving in Belgium, Mabel and Myrtle of Canwood.

Funeral services were held from Canwood Church, interment in Canwood Cemetery. Floral tokens were evidence of the esteem and sympathy of many friends.

NEWS OF OUR BOYS IN UNIFORM

Mrs. Clifford P. Hardley received word on Tuesday, March 13th, that her husband, Pte. Clifford P. Hardley, had arrived safely in England on March 6. On his arrival there he had met Pte. Frank Stoddart and had an enjoyable time together.

Cpl. Bill Hyslop arrived home last Friday on a 30-day leave from overseas. Bill enlisted in May 1940 in the Royal Canadian Engineers, and since going overseas in June of the same year has seen much action on the Western Front. Bill is married to the former Nora Holley of Markdale, who has made her home in Toronto for the past couple of years.

Pte. Arnold Rae had his shoulder broken on February 25th when on duty as a despatch rider. On his return from delivering a message to the front, Arnold had to take to the ditch to avoid a head-on collision with a truck with the above result. Arnold is resting in a Belgium hospital which overlooks the English Channel. Needless to say he will be doubly glad to hear from friends here.

Our neighboring town of Dundalk is paying a heavy price for victory. The second airman in one family to be reported missing in recent months is P.O. Don Copeland, a popular Dundalk young man and son of Mr. and Mrs. J. C. Copeland. According to word received, he had failed to return from a daylight raid on Essen. This was his second tour of operations, having spent a month and a half leave in Canada. Upon his return to England he was married. His brother who was to have been best man at the wedding failed to return from operations three days before the ceremony.

The following article from an Edmonton paper refers to a son of Mr. and Mrs. William Barnhouse of Edmonton, Alta., former residents of this district. Mr. Barnhouse was born and grew up around Fiesherton, and Mrs. Barnhouse is the former Elizabeth Weber, sister of D. L. Frank and William Weber of Kimberley and Mrs. Ran Bradey of Euphrasia.

"Sgt. Barnhouse" "On October 23rd, 1944, D company, Algonquin Regiment, with two troops of tanks of 28 Canadian Armoured Regiment under command was ordered to secure a bridgehead over the Roostendalsche canal. The tanks were to lead the advance. Sgt. Barnhouse was crew commander of the point tank. As Sgt. Barnhouse's tank reached the crossings, which was held by German infantry with three bazookas and a 75-mm. self-propelled gun, he observed the enemy in the ditches aiming their bazookas at the tanks. The tanks could not depress their guns sufficiently to bear on the enemy.

"Sgt. Barnhouse, quickly appreciating the situation, turned his tank into cover behind a building. Then, only armed with a pistol and three grenades, he jumped from the turret of his tank with complete disregard for his personal safety ran at the enemy position firing his pistol. Upon reaching the first weapon pit he threw a grenade into it and raced on to the second one. His daring and determined attack forced the enemy to surrender, and the infantry took over the position.

"Sgt. Barnhouse's coolness and quick-wittedness under fire were of the highest order on this occasion. By his prompt and daring action he disposed of the immediate threat to the tanks, captured twelve prisoners and cleared the crossing of the canal for the force."

Words of Sacred Truth: "We have a great High Priest, that is passed into the Heavens, Jesus The Son of God—we have not an High Priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin" (Hebrews 4). "He that believeth on The Son has everlasting Life." (John 3: 36)
