Spring Still Holds Sway

As the spring-in-March weather continues to warm up the earth, and Mother Nature, continues to blossom forth, it seems as if the spring of 1945 will go down in history as being one that surpasses many others. While we have just lately been reminding you especially during the month of January, that we were having a "hard and steady winter," now we say it's quite a spring! Up to now we all, no doubt, have been awaiting another snow flurry, but spring continues and evidence is seen on every hand. Grass is getting green, lawn daisies, as well as early garden flowers, are in bloom and frogs keep singing. Even the mud roads have dried up and folks are out in their shirt sleeves.

We would be interested in hearing from some of our western readers to know if this state of affairs is general throughout the Dominion.

The latest surprise has been a bouquet of may flowers which were gathered by Miss Josephine Foy of Berkeley district. The first dandelion has "opened up" and a June bug has ventured out in March. We just hope the weatherman doesn't start any of his foolisms on Easter Sunday and shout, "April Fool!"

It is truly, "An early Easter—an early spring."

Included with the gifts were a coffee table from members of Cherry Grove Ball Team and a lovely bed spread from the Vandeleur team, of which Gerald is a member.

Experience Speaks

An experienced man said recently: "There are but few lines of business in which success can be obtained without the aid of newspapers. There is nothing so effective in presenting the merits of an article as an attractive advertisement; it reaches many people whose attention cannot be commanded in any other way, and who are finally influenced by the repeated announcements of the persistent advertiser."

The doctor introduced Jack McKenzie, manager of the Dundack team, who congratulated the boys on winning and on behalf of the league, presented the trophy to Mark Madden, captain of the local squad. Mark replied by saying it was a great game to win and that much credit was due to the interest taken on their behalf by Dr. Carefoot, and their coach, Al. Lovering. It was regretted that gifts of windbreakers were unable to be procured in time to be presented at the dance.

Following the presentation Dr. Carefoot welcomed home Sgt. Everett Parker, a returned airman, who local friends were pleased to greet again.

The motto for this month was: "Two men look out from the self same bars, one sees mud, the other sees stars." This was well given by the convener. Mrs. Dane McGee also gave some splendid ideas on this motto. A reading was given by Miss Myrtle Fawcett. Little Miss Fay Byers drew the lucky ticket for the quilt, which was won by Mrs. W. NEWS OF OUR BOYS IN UNIFORM

P.L. Geo. Dundas left on Wednesday for Moncton, N.B., after a furlough at his home here.

The Standard acknowledges the many letters of sympathy and tributes extended from soldiers overseas.

Word has been received by Mr. Chas. Boland that his youngest son, Tpr. Fred Boland, has arrived safely in England.

A letter from Major Arle Dunlop says in part: "I still get The Standard regularly and usually hand it on to Ted Stoddart and Herb MacDonald. They are both going strong and doing a fine job."

Writing from Belgium to his parents, Mr. and Mrs. Wm. Noble, Pte. Bill Noble informs them that he has arrived in Belgium from Italy and likes the change very much. Bill is hoping to meet up with some of the boys from back home soon. He is expecting a furlough shortly which he plans to spend in England, where he hopes to meet his brother, Frank, whom he has not seen for over two years.

Pte. Jack Down, writing from his hospital bed in England, wishes to extend his thanks to members of the various organizations who remembered him at Christmas, the Sew-So Club, Red Cross, Annesley W.A. and Y.P.S. Jack says he finds The Standard news items from Markdale boys overseas interesting. He has met up with T. D. Berry and Wes Stephenson, Ab. Wood and Doug Cairns of Eugenia. We trust that when this reaches Jack he will have fully recovered.

Writing from Germany to his parents, Mr. and Mrs. Dan Macaulay, under the date of March 7th, Gdsm. Clarence Macaulay tells how they spend their spare time behind the lines. The letter in part says: "This seems to be lovely farming land around here with thousands of acres of fall wheat and hay ground, but it sure has been torn all to H---, even language like that isn't appropriate enough to describe it. Have been living real well at times. When it is quiet enough, we just take our pick—chicken, veal calves or pork, just hang 'em up on the gun barrel and dress them up. Very good of Adolf to help feed the Canadian Army eh! Maybe I'll get fat now."

Gdsm. Macaulay, C. No. 1 Sqn. 21 C.A.R. (G.G.F.G.) C.A.O.

Many Thanks

Many thanks to the many people who remembered me while overseas with parcels and letters. It surely was grand to hear from friends in Markdale. Receipt of The Standard was also appreciated and served greatly to keep in touch with local news.

Riverdale Jr. Red Cross Gift Appreciated

Here is a splendid example of what a small group of children can do to help in the war effort, and how far-reaching and appreciated their work can be. The following letter received by Mrs. A. Bowen, teacher at Riverdale school, has been sent in receipt of a quilt made by the Riverdale Junior Red Cross and forwarded in March a year ago to the Junior Red Cross at Toronto. The letter follows in part:

57 Gaywood Road, Walthamstow London, E. 17 February 28, 1945

Dear Mrs. Bowen,
I am writing to let you know I am the party who received your lovely quilt, and I can tell you it was appreciated as there are five in our family and we have been bombed out twice. It is very kind and thoughtful of you people so many miles away who have never seen us, but we know our boys are fighting side by side. I have one boy out in the Middle East who has been out there nearly four and one-half years so we know how you feel when your boys go away. I shall be glad when this awful war is over for everybody's sake.

I take the pleasure again in thanking you very much. It seems awful that this war should have lasted so long. I can't believe it when I look back five years. It is a wonder how we have stuck constant bombing and still being bombed out but never mind. I suppose we shall all see the silver lining one day and leave our shelters and go to bed. Well, I can't think of any more news to tell you now only just to thank you again. Good Luck and Cheerio.

Yours truly,
Mrs. Barrett

In Memoriam

ENGLISH—In loving memory of our dear father and mother, Mr. Robt. English who passed away, January 7th, 1929, and Mrs. Robt. English, who passed away March 29th, 1938.

So may it be, perchance, when down the tide,
Our dear ones vanish. Peacefully they glide,
On level seas, nor mark the unknown bound.
We call it death—to them 'tis life beyond.
