# IN MANY WAYS BETTER THAN

**Managing a farm is in many ways similar to managing any other business. That is why reserve savings in liquid form are so helpful to a farmer.**

Victory Bonds provide the handiest form in which savings can be kept with safety. Their security is without question. They represent money owing to you by the Dominion of Canada, just as dollar bills do. And... better than dollar bills... they earn interest for you every day you hold them; even when put away for safe keeping in a bank vault or in a safe. They pay double bank interest.

You can get cash for Victory Bonds if you need cash in an emergency. Any bank will buy them from you. You can borrow them, without any formality. Simply take them to any bank and get the loan you need. The interest the bonds earn pays a large part of the bank interest on the loan.

So, realize this fact, Victory Bonds are better than cash because they earn interest.

Buy Victory Bonds to have cash where you need it, when you may need it. Buy Victory Bonds to help maintain your country's war effort.

### J. S. McKessock

Following an illness of almost three months the death occurred in the hospital at Sudbury on Saturday morning of Magistrate James Somerville McKessock, in his 68th year. He had had a heart ailment for the past three years, but his condition did not become serious until January 3rd, and since that time he gradually became weaker until death ensued.

The late Mr. McKessock was born at Masse, in Sydneyham township, the son of the late Robert McKessock and his wife, Mrs. Elizabeth McKessock. He received his education at Masse and at the Owen Sound Collegiate Institute, later attending the Law School at Osgoode Hall, Toronto, from which he graduated in 1904.

He was married in 1905 to the late Georgina Matheson. He practised his profession in Owen Sound for several years, going to Sudbury in 1911. He succeeded in building up a lucrative practice in the law, and in 1929 was appointed Magistrate and became the senior magistrate of the district last year. He took a keen interest in his work, and was active as a member of St. Andrew's United Church and was a prominent member and a Past Master of the Masonic Order. He had the esteem and respect of the members of the legal profession to a marked degree and since his appointment as a magistrate he became more widely known so that his death is regretted by a wide circle of friends in the Sudbury district. His wife predeceased him in 1937. He is survived by two daughters, Mrs. Clayton Horey, who has been home for the past two years. ## Another Hydro Rate Reduction For All Rural Consumers

A further Rural rate reduction from 4c to 3 1/2c per kilowatt hour on the first block of energy used in any one month by Hydro Rural consumers, will go into effect on all bills rendered on or after May 1st, 1945.

This Rural rate reduction will mean a saving of approximately \$800,000 a year to Hydro Rural consumers.

### The New Uniform Rate Structure Will Be:

- 3 1/2c. per kilowatt hour for first block of energy. (formerly 4c.)
- 1-6/10c. per kilowatt hour for second block of energy.
- 3/4c. per kilowatt hour for all additional energy.
- No service charge on Farm Service... a service charge of 56c. gross per month on Hamlet Service.

The more Hydro you use the less it costs on the average per kilowatt hours. Increased use therefore brings lower costs. The important revisions in Rural rates, made effective in January 1944, have resulted in a greater use of energy, enabling the Commission to further reduce the cost of electricity to Hydro Rural consumers in Ontario.

### In Memoriam

DIXON.—In loving memory of E.H. Sgt. Walter H. Dixon, killed in the war, England, April 9th, 1943.

He will not know that springtime Has taken winter's snow, Nor that at home the spring winds Now soft and singing blow. He will not know the robin Has found his favoured tree, Nor will he hear to-morrow His bird's melody. He sleeps in peacefulness beyond The embalmed world, and we To sweeter joys than those on earth. O may he wake again! —Mother, Dad, Iva, and Mac, overseas.
