There's lots of work to be done. We are eager to get at it. The war interrupted the normal expansion of Bell Telephone service. Just as soon as men and materials are again available, nearly 70,000 deferred applications must be filled. Work will be resumed on conversion to dial telephones, on rural expansion, on extension and improvement of present services, on restoring equipment reserves. It all means people at work—not only our present employees and those now in uniform, but more besides.

Your Victory Loan Salesman Will Call on You Soon... Give Him a Friendly Welcome

Everybody knows what a comforting thing it is to have money where you can get it when you need it. So, in most homes, the Victory Loan salesman gets a cordial welcome. He offers an opportunity to you to help your country's war effort by just saving your money. In case of emergency you can get cash for your bonds at any bank... but you know that when you put savings into Victory Bonds they will likely stay there, intact... drawing good interest. Your savings are protected from your own temptation to use them. Buy all the Victory Bonds you can, with all the cash you have.

Buy More Victory Bonds on the Deferred Payment Plan With Money as You Get It!
And, to give yourself an objective to add to your savings, obligate yourself to buy more Victory Bonds on the deferred payment plan. Make a first payment of 10% or more when you order the bonds... and pay the balance with money as you get it, over a period of six months. Your Victory Loan salesman will give you a copy of the letter on the right. It is a request to your bank to buy bonds for you. Any bank will lend you the money to do this and the interest the bonds earn pays the interest on the bank loan.

What every housewife should know about SUGAR FOR CANNING

For tasty, nourishing and economical winter desserts, most Canadian housewives will again do some preserving this year... jams, jellies and all kinds of fresh fruits. Sugar is still very scarce. We must continue to conserve our supplies. This year, the allowance for home canning will be the same as in 1944—ten pounds per person. Be sure to use your ration sparingly.

HOW TO GET SUGAR FOR CANNING

Instead of special home canning sugar coupons, twenty extra preserves coupons in Ration Book No. 5 are being made available for the purchase of sugar for canning. These coupons are good for half a pound of sugar each or the stated value in commercial preserves, for they are the same as any of your preserves coupons. You may use any other valid preserves coupons to purchase sugar, also at half a pound each. No exchange is necessary. Your grocer will accept any valid preserves coupons when you purchase sugar for canning. There are now only two kinds of coupons for sugar. The regular sugar coupon, good for one pound of sugar, and the preserves coupon, worth half a pound of sugar.

SUGAR FOR CANNING COUPON CALENDAR

Table with columns for dates and coupon values (e.g., 43, 42, 41, 40, 39, 38, 37, 36, 35, 34, 33, 32, 31, 30, 29, 28, 27, 26, 25, 24, 23, 22, 21, 20, 19, 18, 17, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1).
