"A FARMER'S POINT OF VIEW ON POST WAR RECONSTRUCTION"

ELECT A PRACTICAL FARMER TO REPRESENT A RURAL RIDING

(PUBLISHED BY GREY BRUCE PROGRESSIVE CONSERVATIVE ASSOCIATION

### Hitler Is Dead

War reas the post week has reached an exciting pitch as announcement of a V-E Day (Victory in Europe) is anxiously awaited. The execution of Muscolini, caught as he attempted to fee to Stritzerland, along with sixteen that associates, the complete surrounding of Berlin, by the junction of Allied Armies, and the liberation of Allied Armies, and the liberation of thousands of prisoners makes the day of Victory loom bright. Although reports differ 25° to how Hitler met his death, the main thing is he is dead which means the finish of Germany.

A local steller in the thick of the fighting reports the shooting of women in the streets of Berlin—trained snipers who have been responsible for thousands of deaths.

women in the streets of Berlim-trained snipers who have been responsible for thousands of deaths.

In the celebration of V-E Day let us not forget the task ahead—the war in Japan, an army of soldiers to be rehabilitated and a world to restore to order.

# An Urgent Message from GEORGE DREW

TUNE 4th is Election Day for the members of our armed forces overseas J from Ontario, as it is here at home. The arrangements which have been made provide ample time for the overseas vote to be taken. Special Returning Officers are already overseas.

ng more, however, must be done if our voters overseas are to know why an Ontario election was forced upon us at this time.

I appeal to each one of you who read this message to write NOW by airmail. Give our men and women overseas all the information you can and be sure to tell them the correct name of the Provincial Riding in which they are entitled to vote, and the name of the candidate. This is of the utmost import-'ance because so many of them have never voted before and the difference between the names and boundaries of Provincial and Dominion Ridings make it doubly necessary that you be sure to give them the exact name of the Riding in which they are entitled to cast their ballot on June 4th.

If you are in doubt as to any details please call the Progressive Conservative Office in your locality and get the necessary information without delay:

Yours sincerely,

Be sure to send this air mail today

gone, with only a brief press notice to mark its passing. There important things to do just now. Besides, we can't forget that

It may surprise you that 215,000 more Bell telephones are in service now than when war began. With telephone manufacturers practically 100% on war orders, it was done by (1) using up reserve stocks and (2) reconditioning used equipment. We have thus been able to

Only materials left over after these needs are met can be used to look after our "waiting list". These unfilled orders are our constant concern. Filling them calls for additional wire, and cable, and intricate exchange apparatus, and all the other elements of a complete telephone system. And this, in turn, is just one part of the whole construction program we will undertake once men and materials are available. It means lots of work ahead for every Bell employee, whether at home or in the services, plus additional workers, too.
