John Bracken — The Man

John Bracken, the son of a farmer Ephraim Bracken and his wife, Alberta, was born in a log cabin in Ellisville, Leeds County, Ontario, on the 22nd of June, 1883.

Here, briefly chronicled, are the main events in the life of John Bracken:

- 1898 - Student at Brockville Collegiate, Ontario.
- 1902-5 Student at the Ontario Agricultural College, Guelph. He won four scholarships, the Governor-General's Medal, was top honours student and class medalist. Here, too, he met Alice Wylie Bruce.
- 1906 - Young Bracken went to Winnipeg as representative of the Seeds Branch of the Dominion Department of Agriculture.
- 1907 - In the neighbouring Province of Saskatchewan, John Bracken became Superintendent of Fairs and Farmers' Institutes and Secretary of the Provincial Livestock Association.
- 1910 - John Bracken was appointed Professor of Field Husbandry at the new University of Saskatchewan. He took the first train to Guelph, Ontario, married Alice Wylie Bruce. Four sons were born—three of whom are now on Active Service with the Navy, Army and Air Force.
- 1920 - Already the author of two books on agriculture, John Bracken became President of the Manitoba Agricultural College.
- 1922 - John Bracken accepted the leadership of the Progressive Farmer Government, was sworn in as Prime Minister of Manitoba.
Now began the political life of the most continuously successful political leader the Empire has produced in this century. Since that day— from 1922 to 1942— John Bracken has never been defeated.
- 1932 - The Liberals joined John Bracken's farmer government.
- 1940 - All the other political parties, including the C.C.F. and Social Creditors, threw in their fortunes with a great leader forming a wartime Coalition Manitoba government.
- 1942 - The year of John Bracken's great decision. John Bracken, the Progressive, accepted the national leadership of a great resurgent people's party—The Progressive Conservatives.

PLASTIC EYES

Army doctors have evolved new low cost plastic eyes for wounded veterans which are comfortable, indestructible, and look like nature's very own! DIXON'S Chopping Mill REOPENED

MASTER FEEDS FOR SALE

V-DAY means not a thing to this husky young rascal, unless it is his Daddy's coming home. This little citizen is happy any day so long as he's well fed and feeling fine.

Yet he—above us all—is the one to shout for joy today.

Is it not for him—and for millions of bright faces of his generation—that men have been willing to suffer and to lay aside their freedom—bit by bit—so that one day they might have it complete, secure?

Even so—the fruits of Victory are not alone for those too young to know the privations of war... not alone for posterity.

Here and now, men and women of our generation—scarred and wearied by long, grinding years of war—shall know the blessings of a new-born day.

This new day is for the common man... for greater social justice, for broader opportunity to enjoy a richer, fuller life.

No thinking citizen here in Canada, or in any land touched by war, would believe for a moment that our problems are past.

The prospect ahead is no easy one... Yet it cannot daunt the hardy stock of Canada—the men and women who carved this nation out of a wilderness, who through the years have fought the good fight as each emergency arose—down to the last Victory Loan... down to the last blood donation.

No, the prospect is hard, but a new spirit is abroad. We Canadians, like all our Allies who have fought this fight with us, have been chastened by the ordeal, and we are determined—by the effort of the individual citizen... by the effort of the community—to bring a better, stronger, healthier world out of the raging storm through which we have passed.

This is a day for cheering not simply for victory over dictatorship, but for the assurance we have of the dawn of a better day.

This message is published as an expression of faith in the future of Canada by the Bank of Montreal, which has been working with Canadians in all walks of life since 1817.
