The May meeting of the Women's Association met at the home of Mrs. Lundy Johnston with an attendance of twenty adults and six children. Meeting opened with hymn, "How Glorious Zion's Courts Appear." The Lord's prayer was repeated in unison, followed by the hymn, "Lead Us, O Father." Roll call was answered by thirteen members.

The devotional period was taken by Mrs. Ethel Hutchinson.

It was decided to send a box to Pte. Fred Boland overseas. A number of aprons were handed in and all were sold at the meeting. Some quilt blocks were also handed in. A copper contest is being put on, with Marie Johnston and Marion Summers as captives. The closing date will be August 1st. An exchange of flower slips or seeds took place. A treat will be sent to Miss Pauline Hutchinson who is still ill.

The program was as follows: A splendid paper was given by Mrs. Fred Boland on the life of Joseph; a solo by Mrs. Will Johnston; readings by Mrs. Geo. Shaw and Miss Marie Johnston. Meeting closed with hymn, "God Reveals His Presence" and the benediction. Collection amounted to \$1.75. A dainty lunch was served by the hostess, assisted by the lunch committee, Mrs. E. Cream

In view of present circumstances in respect to the continued shortage of gasoline and truck equipment our trucks are again collecting cream this year—three times in two weeks.

The effect of the above pick-up schedule on cream quality

We are glad to say that due to the extra care given cream by the producer, the quality of our product, last year, did not suffer at all. We hope that we will have the same splendid co-operation again this year and thereby help to maintain the high standard of butter; at the same time save gasoline and equipment until the conclusion of the war.

FOR YOUR CONVENIENCE THE CREAMERY WILL BE OPEN WEDNESDAY AND SATURDAY NIGHTS

Security with Freedom!

Your Vote on June 11th can bring lasting security to your work, your home, your family!

Security for your WORK

Here are some of the definite, practical steps taken by the Liberal Government to give security to home and family by assuring well-paid post-war jobs for everyone:

For Veterans — The most generous plan of any United Nation to get returned men started in the type of work each of them chooses. The Liberal Government is determined that every man and woman coming home to Canada shall return to the land of greatest opportunity in the world.

For Workers — About a third of all Canadians depend on exports for their livelihood. Liberal plans provide for increasing our exports 60% in value over those of 1939.

For Farmers — Acting on the belief that all Canadians prosper when farmers do, the Liberal Government has arranged that they can improve their farms and equipment under a new loan plan and has arranged to put a floor under the prices of farm and fishery products.

To stimulate employment for all, the Liberal Government has created a special Department of Reconstruction which is now in operation and which will co-ordinate private and public enterprise.

Security for your HOME

The Liberals believe that the home is the heart of the nation. They aim to give Canadians every possible facility to build and furnish better homes! With Government assistance you can build a home in the country, town or city. This will make jobs for the building trades, and those who make building supplies—and those who manufacture household equipment and furniture.

New Homes for Canadians — The Liberal Government's new \$400,000,000 National

Housing Act, now on the statute books, enables hundreds of thousands of Canadians to get money at low interest and on long, generous terms to build, renovate or enlarge their own homes. Now that Germany is defeated, plans are already in operation for at least 50,000 dwellings.

Other practical, workable measures for the security of your home are the Liberal Government's laws for Unemployment Insurance and liberal Old Age Pensions.

The Liberals believe in doing what can be done, as soon as it can be done. If returned to power on June 11th, they will carry on and expand the sound, constructive work already started.

Security for your FAMILY

Family Allowances — Starting in July, parents who benefit least from income tax exemptions will receive Family Allowance cheques every month to help them get better food, clothing, shelter and education for their children so they can grow into healthy, vigorous Canadian citizens. These cheques will amount to between \$200,000,000 and \$250,000,000 a year: As direct spending power, this will do much to help in achieving the Liberals' objective of full employment.

Health — A National Health Plan will ensure that everybody shall be taken care of while they are sick and the best measures medical science can devise shall be employed to prevent disease.

Despite the efforts of Drew, Bruce, Bracken and other reactionaries, the Liberals are determined that human interests, the needs of men, shall be placed before "business as usual".

The Liberals have faith in Canada, a united country, and in their ability to continue to build, with your support, a more abundant life and greater opportunities for Canadians.

Help build this new order of security with freedom. Protect the social gains already made. Vote for your Liberal candidate on June 11th:

MONDAY, JUNE 11th

Vote to Re-Elect

Walter Harris
LIBERAL, GREY-BRUCE

HE ADVOCATES AND SUPPORTED IN THE HOUSE OF COMMONS:

SOLDIERS REHABILITATION — Increased Pensions, War Disability Awards and Gratuities. Already these are among the most generous of any country in the world.

FAMILY ALLOWANCES — The biggest step forward in our march to post-war prosperity. Hundreds of thousands of low-income homes with growing children will have extra money to spend every month, which will mean greatly increased buying power and the raising of our standard of living.

FLOOR PRICES FOR FARM PRODUCTS — A continued steady income for Canadian farmers by maintaining floor prices for farm products.

RELAXATION OF CONTROLS — A policy to gradually relax and remove controls as fast as goods become reasonably plentiful.

TAX REDUCTION — To stimulate private industry and create greater purchasing power for the farming community by reduction of taxes.

THIS AND OTHER FORWARD-LOOKING LEGISLATION WILL HAVE HARRIS' FULL SUPPORT
