

VOICE OF THE PRESS

NAVAL COMMENT The following remark was over-beard during a deckhand scrubbing detail: "I feel sorry for my mother. She spent twenty years trying to teach me me to get up early in the morning, hang up my clothes, shine my shoes, eat sensible food, and go to bed early. Then I go into the Navy and learn the whole thing in two weeks."

-St. Thomas Times-Journal.

SHORT, SHORT STORY Retail supplies of shortening are shortly to be shortened 20 per cent. This shortening of shortening is apt to shorten a shortgrained housewife's temper when she tries to bake a shortcake, wouldn't you

-Ottawa Citizen.

WHAT THEY SPRANG FROM Hitler and Mussolini were only symbols, after all. They could never have cursed our times if it had not been that there were millions of mute inglorious little Hitlers and Mussolinis.

LOVE COSTS THRONE

Prince Carl Johan, youngest son of the Swedish Crown Prince Gustav Adolf has defied his grandfather, King Gustav, who refused to approve his intent to marry a commoner. He's pictured above with his fiancee, Kerstin Wijmark, daughter of a Swedish theologian. Couple is expected to visit America after wedding. after wedding.

They Found Out

On the western front, two Tibe tans who had walked into Russia, been promptly drafted into the Red Army, then captured by the Germans, drafted into the German Army, and finally captured by Canadians, learned from a linguist for the first time what all the fighting was about, says Time Magazite.

HIS OBJECT

One man spent so much on his girl friend that he had to marry

her for his money.

Cost of Victory To Great Britain

What Britain Has Done To Win Victory Briefly Told By Ottawa Journal

Memories 2.e short, and it is well to put on record this brief statement of the cost of victory to

To February of this year of the people of the United Kingdom 216, 287 had been killed by the enemy, this being 70 per cent of the total for the Empire and nearly 45 per cent of the total figure for the Western Allies. Including civilians, nearly 80 per cent, of all British subjects killed by enemy action were from the United King-

One house of Britain's every three was destroyed or damaged by enemy air action.

About 6,500,000 men and women or one in even of the population, served in the armed forces or in full-time civilian defence. More full-time civilian defence. More than 3,000,000 others served in part time civil defence or in the Home

The United Kingdom has pro-duced about 70 per cent. of all munitions for the Empire and Commonwealth forces, provided under

lend-lease enormous quantities of supplies of many kinds for Kussia and for United States forces in

British plants during the war have turned out 1,900,000 tons or nava' vessels (to last June), many thousands of aircraft, 25,000 tanks, 1,000,000 other military vehicles.

Fifteen months ago Britain had lost 11,500,000 tons of her merchant fleet of 17,500,000 ton-had built 4,500,000 tons.

Britain's war expenditures by last November reached 25 billion pounds (over 100 billion dollars), of which about one-half was covered by taxes.

That, very briefly, is what Britain has done, so far as words and figure can speak of her gigantic ef-fort. It is the story of victory and of the price of victory.

FIPESTONE
THE ONLY SYNTHETIC RUBBER TIRE
PROVED ON THE SPEEDWAL
AT 100 MILES
PER HOW CAR owners have been wondering just safe synthetic rubber tires are how safe synthetic rubber tires are-just how much mileage they will give. Firestone decided to put its tires to the supreme test. So a race car was equipped with regular, stock Firestone Synthetic Rubber Tires, the same as you can buy for your car, and raced for 500 miles around the Indianapolis Speedway under American Automobile Association super-Wilbur Shaw, famous three-time winner of the Indianapolis Sweepstakes, volunteered to make the run. And he averaged 100.34 miles an hour, hitting more than 135 miles an hour on the straightaways! Imagine the punishment those tires took as they pounded over the rough brick and grinding asphalt... equal to 50,000 miles of ordinary-driving! Yet, in this grueling, tire-torturing test, not a skid or blowout occurred.

Remember this fact when you get permission to buy new tires—Firestone are the only tires made that are safety-proved on the speedway for your protection on the highway.
