Williamsford Revival Services

The special services of the past week in the Gospel Workers' Church were marked with remarkable visitations of God's Holy Spirit. On Thursday evening eighteen walked out to the altar and amid tears of sorrow for their sins and faith in the merit of Christ's Atonement, many of them received assurance of forgiveness and the witness of God's spirit to their adoption in His family.

To see the happy faces of children and young people as they testified to their new found joy and determination to live for Jesus was a sight to make the angels rejoice.

Two little girls who sought and found forgiveness went home and told their mother that Jesus saved them; they brought their mother out the next night to find the Saviour who had so wonderfully forgiven them.

There is no undue emotionalism in the services but Rev. Wilson calls for surrender of the will and life to Christ preceded by a hearty repentance for past disobedience to God. In these days of world turmoil and unrest it is surely inspiring to hear the Master's personal call "Come unto Me and I will give you rest."

Crusade For Christ And His Church

"The call of the Crusade," says Dr. Arnup, "is first of all a call to repentance. We need a vision of God and such a sense of His presence in Christ as will send us out to share our experience with other men, unto the ends of the earth."

During the past few years aid has been sent to help churches in Britain. Now another call comes, this time to help in reconstruction of Protestant Churches in Europe. A special heading will be raised in the 1945 schedules to report the givings of congregations to this fund. \$300,000 is the sum asked of the churches in Canada. Envelope collection will be taken in St. Paul's and Walters Falls on June 10th.

The minister of Walters Falls is to preach in the morning at St. Paul's and the minister of Sydenham at Wal-

Farmers Take Your Choice

A Progressive Conservative Vote Means

1. A farmer leads the government.
2. A farmer represents you.
3. The American market will be opened, providing competition for Canadian packers.
4. Large numbers of Canadian cattle will be exported this fall, thus avoiding large carry-overs, and the danger of shipping fever.
5. All excess condemnation insurance on hogs will be collected by the government, and the surplus turned over to the hog producers association, or to the Farm Federation.
6. Packers will be forced to pay \$1.00 on select hogs. Farmers in Canada lost \$1,000,296.40 in 1944 on this piece of liberal legislation alone.
7. The government will pay the hog bonus to all hog slaughterers, large and small.
8. A Board of Livestock Commissioners will be appointed to receive complaints from farmers at the stockyards, and to see farmers are not taken advantage of by packers.
9. Radio license fees will be abolished as it is a nuisance tax.
10. Co-operatives will be encouraged and assisted by the government.

A Liberal Vote Means

1. A lawyer leads the government.
2. A lawyer represents you.
3. The American cattle market remains closed so big Canadian Packers will not have competition in buying cattle.
4. Large numbers of Canadian cattle will die this fall from shipping fever, because of large carry-overs of cattle in Canadian markets.
5. Over a million dollars in excess of the cost of the condemned hogs will be collected in condemnation insurance from the farmers by the packers.
6. The packers will continue to pay 40c per 100 lbs. premium on select hogs, which amounts to 60c on 150 lb. dressed hog.
7. The government will continue to pay the hog bonus only to big packers.
8. The present meat board consisting of a politician, a representative of the packers, a representative of the C.P.R., and an ex-hog-grader, will continue at Ottawa.
9. You will still pay a yearly \$2.50 radio license fee.
10. Co-operatives will be investigated to raise taxes.

1,200,000 FAMILIES have already registered for Family Allowances. Approximately 100,000 families who are entitled to register and who will benefit, have not yet registered.

Family Allowances cheques will be mailed in July.

If you want to receive your first cheque, register now. If you delay your registration any longer, it may not be possible to deal with your application in time to send you the first cheque.

If you have children under 16 and if your income is under \$3,000 a year, you will benefit from Family Allowances. If you have not registered, and intend to do so, please act at once! Family Allowances Registration forms have been mailed to every family. They can be obtained at the nearest post office or by writing to the Regional Director of Family Allowances in the capital of your province.

FAMILY ALLOWANCES AND INCOME TAX

When the Family Allowances Act was passed, Parliament approved the principle that there should be no duplication of benefits by way of Family Allowances and Income Tax credits for the same child.

Family Allowances cheques will be paid in full every month. But for the last six months of 1945 an adjustment will be made to avoid duplication of benefits. The table below shows the effect of this adjustment and will enable taxpayers to determine the extent to which they will benefit from Family Allowances.

TABLE SHOWING EFFECT OF ADJUSTMENT FOR 1945

AMOUNT OF TAXABLE INCOME	Not over \$1200	Percent by which taxpayers will benefit from Family Allowances in addition to present income tax credits, for 1945.

NOTE—This table applies to married persons and others having the status of married persons for income tax purposes. For the relatively small number of single persons supporting children and not having married status for income tax purposes, and for members of the Armed Forces, special tables can be obtained from the Regional Director of Family Allowances in each provincial capital.

The BENEFITS: The Family Allowances Act was passed to help equalize opportunities for all children. The monthly allowances will assist in providing medical, dental and nursing services, better food, better clothing and shelter.

Family Allowances are additional to dependents' allowances for servicemen's families and military pensions.

Furthermore, Family Allowances are NOT taxable. You do not add these monthly payments to your total income when computing your income tax.

In the column at left is an explanation of the relationship between Family Allowances and Income Tax deductions for children. From the table given you can determine quickly the extent to which you will benefit.

REGISTER NOW!

If you intend to apply for Family Allowances but have not already done so, please act at once—in the interests of your children. Remember, the first cheques will be mailed in July, but only to those who have registered and are eligible to receive Family Allowances.

SCALE OF MONTHLY ALLOWANCES FOR THE FIRST FOUR CHILDREN

For each child Under 6	\$5.00
From 6 to 9 (inclusive)	6.00
From 10 to 12 (inclusive)	7.00
From 13 to 15 (inclusive)	8.00

Where there are more than four children under 16 in the family, the monthly allowance for each child after the fourth will be reduced in accordance with the provisions of the Family Allowances Act.
