He was also an instructor at HMCS Cornwallis. Since volunteers for the Pacific theatre may, in some cases, have their 30-day leaves reduced when their services are required, it is not yet known if he will be home before leaving on this new mission.

## Bride-To-Be Honoured

Miss Jane Noble, Reg. N., bride-to-be, was pleasantly surprised on Tuesday evening of this week when she returned home to find that a party had been arranged in her honour. Miss Margaret Neely expressed the wishes of the ladies present, and Mrs. Wm. Noble and Mrs. J. W. Elliott presented Miss Noble with a coffee table. The gift looked very pretty tied with a huge pink bow from which hung tiny coloured bells bearing the name of each lady present. A sing song was enjoyed the early part of the evening with Mrs. Harris at the piano, and refreshments were served at the close.

## Presentation To Bride At S. S. Picnic

At their annual congregational picnic held at Harrison Park in Owen Sound, Mrs. John Sparks, nee Irene Gemmel, a former Markdale girl and member of Cooke's Church, was presented with a silver flower holder by Mrs. E. McCullough on behalf of the Young People's Society. The presentation was made at the close of the sapper hour when about 70 members of the congregation had picnicked together.

## Henkel Family Presented With Gifts

A very enjoyable evening was spent on July 4 at the Little Log Cabins when the Victory Club of Sarawak held their annual Strawberry Festival.

Note: Mr. and Mrs. Henkel have bought the Saugen Mills from Mr. and Mrs. Clarence Bartley.

## Legion Dance Well Attended

What was intended to be a Street Dance and Bingo last Thursday evening was ordained by the weatherman to be held indoors, and as a result the large crowd on hand enjoyed an evening's dancing in the Armouries. After an ideal day of bright sunshine, a downpour of rain occurred in the early part of the evening and the threatening weather which followed was reason for cancelling the arrangements that had been made for outdoors.

Although many were disappointed at not having bingo, the dance in the Armouries was well patronized, and as a result there will be around \$135.00 for the Rehabilitation Fund of the local Legion Branch. A refreshment booth did a rushing business, proceeds amounting to nearly \$80. Rubin Kirk's orchestra of Owen Sound provided good music.

Legion workers were well pleased with the support accorded by the public in spite of the weather, and boys overseas and those returned home will be equally glad to know that the folks back home are anxious to support this needful work.

Lucky Draw and Dance Held At Feversham  
A crowd, estimated at about 800 people, attended the lucky draw and dance held in the Agricultural Hall last Friday evening sponsored by L.O.L. No. 1085. The lucky winners in the draw were Mr. Ed. Seeley of Dundalk, the studio coach; Mr. Harold Brownidge of Maxwell the writing desk, and Mr. Jas. Davidson, the smoker. The Markdale Golden West Mountaineers supplied good music for modern and old time dancing and received good comments from the large crowd. Mr. J. W. Robinson supplied the lunch.

## Successful Music Pupils

Miss Eleanor Henry, daughter of Mr. and Mrs. Milson Henry obtained the high mark of 95 in Grade II Theory in the recent Conservatory examination held in Owen Sound. Eleanor is a pupil of Mrs. Maurice Evans. Another successful musician in advanced theory was Miss Frances Thibaudeau who passed her Grade IV Harmony, in the recent examinations. Frances is a pupil of Miss Ruth Sherson who teaches a class in town.

In the list of piano pupils who were successful in the examinations held recently by the Toronto Conservatory of Music in Fiesheron are the names of Mary Gillespie and Judith Sawyer, who both obtained honours in Grade 3 piano, and Ronald McCutcheon who passed in Grade 2. All three are pupils of Miss Ruth Sherson.

## Thank You

We desire to express our sincere gratitude for the splendid support given us at the dance on July 5. We believe that in assisting in the rehabilitation of the boys returning from overseas we are supporting a very worthy cause and it is very encouraging for those who gave of their time and energies to be given such generous support, for without it we would accomplish nothing.

We regret that, due to the weather, we were unable to put on our full program on the street but this was unavoidable. Again we would thank you sincerely.

We also wish to thank the Markdale Standard for their splendid effort to make the evening a success.

Markdale Branch of the Canadian Legion No. 205.

## Three Pound Speckled Trout

An eighteen inch 3-lb. speckled trout was brought in this office on Wednesday night by Dan Murdoch who caught the beauty at Frank D'Arcy's farm with a small trout hook and dew worm for bait. "I would have to catch him when there's no competition on," says Dan, but at least he would make a fine meal. With him was Roland Irwin, who had a catch of nearly a dozen speckled trout ranging from 10 to 12 inches in length.

## 24 Inches of Trout

The kind and size of trout of which Markdale district can boast is seen from the beauty displayed here. This prize catch is a German brown trout caught in the town pond recently and held by the lucky fisherman, Russ Lee of Kitchener. This fish measured an even two feet in length and weighed 5 lb. 10 ounces.

Keep it up Kaye!—Victoria Corners Reporter in Fiesheron Advance.

## Don't Bite The Hand That Feeds You

The citizens of the village spent hours of time last summer and this making the swimming pool an enjoyable place for boys and girls, and it is indeed unfortunate that there are children who like to go there but are so ungrateful that they break things up just for the fun of it.

As a rule it is usually the children of parents who have had the least to do in the work of making this a playground who do the harm and they would do well to see that their children take care of public property. The board is determined that this kind of action must be stopped, and if the practice continues, court action will have to be taken.

## Engagement

Mr. and Mrs. Wm. J. Yates of Berkeley wish to announce the engagement of their youngest daughter, Ethel Doreen, to Mr. Cecil McInnis England, second son of Mr. and Mrs. Percy England of Owen Sound. The marriage will take place in the United Church, Berkeley, on July 28th, at 2.30 p.m.

Wm. D. Halliwell, minister of Cooke's Church, addressed the joint gathering taking as his subject, "This freedom, to-day and to-morrow." His inspiring message dealt with the freedom of man and the danger of those who were indifferent. He urged all to declare their faith and to live noble lives, without sin toward man. During the service two special anthems were rendered by the choir.

The J. C. Henry house on Queen Street, recently purchased by Isaac Hooper of Barrhead, has been sold to J. W. Elliott who will move to this new location next month. Mr. and Mrs. Hooper will move to their new home in Dundalk purchased from Mr. A. E. Ruttle of that place before September. This up-to-date property, which is situated close to the school, includes a garden lot, garage and chicken house.

## A Bowling Green

A project recently begun that will be welcomed by many in the village is a bowling green under the auspices of Christ Church here. This game has become increasingly popular in many towns around, and the pleasure to be derived from having a local green, as well as in jinnies with outside rinks, is very desirable. Such a pastime will, no doubt, take the place, during the summer months, of curling which met with such enthusiasm during the past winter season.

A portion of grounds, approximately 80 feet square beside the church, has been set aside for the purpose so that the job right now is to clear the way for the green. After but one afternoon's work a week ago, there remains much to do in the way of getting the ground properly prepared, levelled and seeded down. In time it is hoped that a club will be formed which will assume the responsibility of putting up lights, and such other necessities, and who will be in charge of arranging games and the like. Eventually it is expected a club house will be built.

The bowling club will be open to the community, and, although the actual objective will take some time, there are many in town and surrounding district who will welcome this new diversion when the time comes, and those upon whom the responsibility lies to get this undertaking accomplished are worthy of our warmest praise.
