## We had it before... LET'S NOT HAVE IT AGAIN!

### The Worst Inflation came after the last war NOW is the Real Testing time

Victory has been won on the battle front but we must not relax our efforts if we are to continue to avoid the evils of inflation and deflation.

We are rapidly moving towards the day when shortages will be overcome—but reconversion takes time.

The danger of inflation, and its black shadow—deflation—will last as long as goods are not enough to meet demands.

The finding of the war brings the temptation to scramble for things we have been without, and to offer to pay any price to get them.

That's the way inflation gets started.

Inflation with its soaring cost of living is bad enough.

But inflation is always followed by deflation with its falling prices, bankruptcy, unemployment and distress.

Deflation would be a calamity that would involve every man, woman and child in Canada.

The only controls that are being maintained are those that aid the production of needed supplies and their speedy and fair distribution to the public, and which prevent an inflationary price rise.

As soon as conditions warrant, these will be dropped.

Until industry gets back to normal production, price ceilings, rationing and some controls are a necessary safeguard for everyone of us.

Keep them working.

### IT'S YOUR JOB AND YOUR SAVINGS THAT ARE AT STAKE

This advertisement is one of a series being issued by the Government of Canada to emphasize the importance of preventing a further increase in the cost of living now and deflation and unemployment later.

### WALTERS FALLS

(Intended for last week)  
A representative congregation enjoyed the special morning service at Walters Falls on Anniversary Sunday when Rev. Duncan MacKeracher of Chatsworth was guest preacher. His sermon was prefaced by a talk to the children. His text was Acts 2:1, "One accord, one place," and was ever the source of power, obedience, concord and expectancy as we are so much needed today as a Pentecost. He brought a fitting and uplifting message.

Mrs. R. Speck was in charge of the music. Two numbers were provided. "I've found a Friend" was sung as a quartet by Mrs. J. Murray, Mr. Mc Dougall, Joan Hathman and Eleanor Lemon. The choir sang "Under His Wings."

The church was decorated with flowers which added beauty to the service. The evening meeting at Ebenezer was taken by Rev. H. W. Vaughan, Chairman of the Presbytery. He spoke on miracles and the need for the common run of people to have a firm conviction that God was able to transform human society to-day just as He had transformed individuals like Peter and Saul long ago.

Mrs. Ernest Prokemy played the organ and had the assistance of Ernest Wood and Harold Parker with their violins. Choir pieces were "Speak, my Lord, He is Knocking" and Mrs. E. Speck sang "Everyone Should Know."

The church was a profusion of flowers when all parts of the Charge were in evidence for a successful anniversary.

Rev. S. E. Hayward of Temple Hill is the speaker for October 14th with services, White's 2:30 p.m., and Knox, Holland, at night.

Mr. Percy Brown and son, Douglas of Welland spent several days of last week as guests of the former's sister, Mrs. R. H. Omsend.

Sgt. Jiro and Mrs. Lemon of Ottawa are spending a few days at the parental home. Pte. Isaac Lemon of Camp Borden was home for awhile over the week-end.

### Mrs. W. J. Jackson

Mrs. Sarah Elizabeth Jackson, widow of the late William J. Jackson of Holland Township passed away in the local hospital on Saturday, Sept. 22, after a brief illness following a paralytic stroke. She was in her 84th year.

Given in marriage by her father, the bride looked lovely in her floor-length wedding gown of eggshell satin. The first brides were furnished with a V-neckline and long sleeves tapered to fit at the wrist. Her fingertip veil fell from a fillet of orange blossoms, and as ornament the bride wore her mother's pearls and cameo earrings, the gift of her brother and sister-in-law, Pte. John Kenneth McLaughlin and Mrs. McLaughlin. Pte. McLaughlin was just returned from overseas after serving over four years with the R. C. A. M. C. Gold slippers completed the bride's ensemble. She carried a white prayer book with a cascade of white streamers tied with gardenia and Stephanotis.

White Helen McCormick of Toronto, the groom's only sister, was bridesmaid and the duties of usher were performed by Pte. J. K. McLaughlin and Roderick Bowie of Toronto, cousin of the groom.

The nuptial mass was sung by the children's choir of St. Mary's, with Mrs. Leo Doyle as soloist. Mrs. Doyle sang "On This Day" and Godard's "Ave Maria." Sister Maria Cordis was at the organ.

After the ceremony the wedding party went on to the Grand River Tea and Rooms for breakfast. Attractive floral arrangements decorated the bride's table which was centered with a tiered wedding cake. The reception was held at the home of the bride's parents, Mr. and Mrs. John Macdonald, 214 York St., Markdale.

For her daughter's wedding, Mrs. McLaughlin wore a dress of purple crepe with black hat and accessories and shoulder corsage of Rubrum lilies. Mrs. John Graham of Toronto, aunt of the groom, wore grey crepe, with hat and accessories and a shoulder corsage of red roses.

### Mrs. A. T. Hutchinson

In addition to the obituary of Mrs. A. T. Hutchinson which appeared in the Standard of two weeks ago, the following addition has been forwarded at this time.

The funeral service for the late Mrs. A. T. Hutchinson who passed away suddenly in Saskatoon on Tuesday, August 28, was held Friday afternoon, August 31st. A short service at the home and a full service at the church was conducted by Rev. W. Fields, Vicar of Saskatoon Funeral Home.

Funeral bearers were W. A. Nonth, C. B. Abercrombie, R. Marshall, J. H. McLean, R. Bignall, W. J. Lutz, E. J. H. North and Clark Smith.

Relatives and friends from a distance who attended were: Frank Taylor of Markdale, Alfred G. Taylor, Mrs. R. G. Jackson, Mr. and Mrs. Bell, and Mrs. Geo. Haynes, all of Saskatoon.

The last rites at the Strongfield Cemetery were under the direction of the Strongfield L. O. O. E. A. of which Mrs. Hutchinson was a charter member.

Many floral tributes were silent testimony of the esteem in which Mrs. Hutchinson was held. They included "Anchors" from Strongfield L. O. O. E. A., Wreaths from Strongfield Co-op, Village Belles, a town circle. Money was sent to the Orange Home, Indian Head, Sask., in her memory by a group of ladies, besides flowers from many other friends and relatives.

### Red Cross Workers Are Still Needed

The impression that because the war is over the work of the Red Cross is finished, is growing. This is definitely not the case. The Canadian Red Cross Society has a very important continuing peace-time program. The women of the Red Cross are urged to continue their activities in the workrooms. In view of the great need which still exists for clothing by the people who have suffered under privation during the last six years while the Germans overran their country. The requirements for the clothing are still great. The clothing to be the first ever of Overseas Headquarters. Our workrooms must continue to be active and the need is desperate and the need is great.

### McCormick - McLaughlin

A smartly arranged fall wedding took place at St. Mary's R.C. church at 10 o'clock Sat. morning, Sept. 16th, when the Rev. Father J. P. Ford officiated. The bride, Miss McCormick, eldest daughter of Mr. and Mrs. J. J. McLaughlin of Hesper, became the bride of John Joseph McCormick of Markdale, only son of the late Mr. and Mrs. Douglas McCormick. Arrangements of Mrs. McCormick's wedding were supervised by her father, the Rev. Father J. P. Ford.

Given in marriage by her father, the bride looked lovely in her floor-length wedding gown of eggshell satin. The first brides were furnished with a V-neckline and long sleeves tapered to fit at the wrist. Her fingertip veil fell from a fillet of orange blossoms, and as ornament the bride wore her mother's pearls and cameo earrings, the gift of her brother and sister-in-law, Pte. ### WHEN THE BOYS COME BACK TO THE FARMS

They'll probably want telephone service, if they didn't have it before. War has taught a lot of those in uniform—and their parents, too—to rely on telephones more than ever.

Our plans are ready to make rural telephone service in Ontario and Quebec available to a greater number of users in the post-war period.

Much of the preliminary work already had been done when war interrupted the program extending rural telephone service. We intend to resume it as soon as the necessary materials and manpower are available.

## THE Electric METER Is for Your Protection

**EVEN** though your Hydro makes electricity available to you in Ontario at a very low cost, it is important that you pay only for the amount of power that you actually use. The electric meter on duty in your home, is your protection against paying for more than you consume.

Every one of some 800,000 meters in Ontario is tested and certified by a Dominion Government inspector at regular intervals to assure complete accuracy. Electric meters are among the finest of unexcelled precision instruments; it is constantly true as the finest watch:

For your protection, Hydro installs a separate meter, exclusively for your own household. Having a meter of your own is the only possible way to be sure that you only pay for the electricity which you use. Imagine buying food from a merchant who weighs several people's orders at the same time, and splits the cost evenly regardless of the size of the orders. You wouldn't want your electricity meter weighed individually when you buy food. When you use electricity your meter assures accurate individual measurement.

Low cost Hydro service in Ontario offers amazing comforts and conveniences. For your protection, it is that you will pay for only the amount of Hydro you actually use, a Government Inspected Meter is installed for your own household exclusively.
