THE CHALLENGE OF AN EMPTY PLATE*

* BEEF - 140,000,000 lbs. still to be shipped.

The United Kingdom and liberated Europe rely on Canada for 225,000,000 lbs. this year.

We supplied only 85,000,000 lbs. to August 31.

* PORK - 100,000,000 lbs. still to be shipped.

The United Kingdom and liberated Europe rely on Canada for 450,000,000 lbs. this year.

We supplied only 350,000,000 lbs. to August 31.

* CANNED MEAT - 70,000,000 lbs. still to be shipped.

The United Kingdom and liberated Europe rely on Canada for 114,000,000 lbs. this year.

We supplied only 44,000,000 lbs. to August 31.

In most liberated European countries, there is a desperate shortage of meat.

As a great food-producing nation, Canada must, can—and will—help to meet the emergency.

The job will not be finished at the year's end. Food scarcities in Europe will continue until the next harvest.

This year, Europe is relying on Canada for a minimum of 789 million pounds of beef, pork and canned meat.

Up to the end of August, only 479 million pounds had been sent.

How soon can we bridge the gap?

Livestock marketings are normally at their heaviest in the last four months of the year.

If we are to help feed the hungry peoples of devastated Europe, this is the time to make our greatest effort.

To do our part, we must reduce our own consumption of meat and also assure that everyone in Canada gets a fair share.

That is why rationing is necessary.

MEAT RATIONING ADDS TO EVERYONE'S WORK

The producer who slaughters, the retailer who sells, the consumer who buys and eats—they all play a vital part.

AS A CONSUMER, HERE IS HOW YOU CAN CO-OPERATE

1. Try to plan your meat purchases before leaving home by determining what cuts you intend to buy and their approximate weights.
2. Make sure you have enough valid coupons and tokens to cover your proposed purchases by referring to the Consumer Coupon Value Chart and the Coupon and Token Calculator. Copies may be obtained from your Local Ration Board or Ration Branch.
3. Know the dates your "M" coupons become valid.
4. Do not buy more meat than you really need.
5. Avoid shopping at rush hours.
6. Be patient. Remember—your butcher may have inexperienced help.
