Thanksgiving Day

It is a beautiful title which we might do well to think about: "Thanksgiving", giving thanks for the benefits which we have received throughout the year; for the products of the earth which have come to us in rich fulfillment of the seed that we planted in hope; for the victory for which our men so hopefully and willingly fought and gave their lives.

Fresh Strawberries

We have just had a sample of fresh strawberries, not from cold storage but from the garden of Gus Roche in town. They must be from ever-bearing vines, for Mr. Roche has been picking them right along. And we can testify they are of very fine flavour. That's something—to have strawberries in October, and then to have snow!
