Presentation

A very happy evening was spent on Thursday, September 27th, at Rocklyn Township Hall when a number of friends and neighbors gathered in honor of Mr. and Mrs. Merton Wiley. Several pleasant hours of dancing and chatting quickly passed. The young couple were seated at the following address was read by Mrs. James Black and the purse of money was presented by Mrs. Ted Pawcst.

Dear Merton and Lillian—
To-night your friends and neighbors have gathered in your honour to extend our best wishes on the occasion of your marriage.

We have known you as a good friend and willing helper in all our activities. We are sorry your chosen occupation has taken you from our future meetings with you and your bride. We wish for a long and happy married life and ask you to accept this gift in the hope that it may bring happy recollections of your many friends.

Friendship is a chain of gold, Shaped in God's all perfect mould; Each link a smile, a laugh, a tear, Binding closer year to year. No matter how far or heavy the load, Sweet is the journey on Friendship's road.

The groom ably replied thanking everyone for their kindness and good wishes. Lunch followed and another hour of dancing brought to a close a very enjoyable evening.

The bride, who was attended by her sister, Miss Doris Cramp, was given in marriage by her father. She wore a street-length dress of turquoise silk jersey with matching shoulder length veil and carried a cascade of red roses. Dedication of Honour Roll

A very fitting tribute to the community and a service of interest was held in the Gospel Workers' Church, Walkerton, Sunday, Oct. 13th, when an Honour Roll in memory of some forty-two young men and women who had passed through the ranks of the armed forces was dedicated and unveiled.

Three of these young men sacrificed their lives for the cause of freedom. The honor of unveiling the roll was given to Mrs. Lusk, a mother who has four boys serving in different units of the forces.

For the immediate unveiling a guard of honor was formed by some returned men and some veterans of the First Great War.

Major Harris M.P. of Markdale, gave a very fitting address for the occasion and stressed the need of its building character and thus making a contribution to the reconstruction of our Nation and the World worthy of the great sacrifices to live the peace.

Mrs. (Rev.) R. H. Whiting of Meaford sang two very appropriate messages.

Rev. C. J. McNichol took as the text for his message, "Let us have the good fight of faith" 1 Timothy 6-12.

After the unveiling, the names of the young people were read and the service closed with the National Anthem. The church was crowded for the occasion.

What makes a little farm a BIG FARM?

It has been said that "a rich man is only a poor man with money." You have also heard that "money makes the mare go" and that "nothing succeeds like success".

Old sayings like these tell you to see the manager of the Bank of Montreal if you need money to make your farm a better farm — if you see opportunities for increased income from increased production.

You do not ask a favour when you ask for a loan at the Bank of Montreal. Lending money is our business and our manager will welcome the opportunity of discussing your plans with you. He will be glad to study your prospects with you, plan with you, discuss actual and promised revenue, and work out with you a plan of convenient repayments.

Many big farms — successful farms — in all parts of Canada were little farms once. For their development many of their owners have relied on timely loans from the Bank of Montreal. Your B of M manager invites you to share their experience.
