WALTERS FALLS

A real sample of winter for November 23rd. Mrs. George Seabrook was hostess for the November meeting of the Red Cross Unit on Wednesday afternoon, November 14th. The various committees gave reports on the work. Several articles of sewing were turned in. As Mrs. Seabrook was moving shortly all finished articles were packed to be forwarded with Mrs. E. Quinlan. The question of continuing the work will be decided at the December meeting which is to be held at the home of Mrs. R. Olin. Mrs. Fraser read articles on the work. Miss Marshall played a piano solo and an animal contest was conducted by Mrs. Laycock, the winner being Mrs. Hopkins. Mrs. Seabrook and daughters served lunch.

The W.I. held their November meeting at the home of Mrs. Laycock on Wednesday, 21st, with an attendance of about thirty including some visitors and several children. After the usual opening the business was dealt with. The sign committee reported the signs about completed and nearly all erected. The committee, Mrs. Carmichael and Mrs. C. Seabrook, deserve great credit and thanks of the community for the work they put on the signs making over twenty including in and out ones. Mr. Hallman who most generously donated the lumber used, was given a hearty vote of thanks from the W.I. No action was taken on the Hospitalization scheme. Rev. J. Fraser addressed the meeting in a very thoughtful address. Mrs. King moved a vote of thanks to Rev. Fraser. Mrs. Spicer sang "Let Us Forget". Mrs. Hallman played a piano solo. Roll call was answered with a "Remembrance" thought. "Somebody" was the chorus used. Some arrangements were made regarding the December meeting. Articles for the Christmas gifts were sold by auction with Mrs. C. Seabrook as auctioneer, and quite a nice sum was realized. After singing the National Anthem lunch was served by Mrs. G. Seabrook, Mrs. H. Mower and hostess. Mrs. H. Mower was a lunch hostess but was unable to be present. During the meeting Mrs. King read a paper for Mrs. Roy Rennie, Mrs. Carmichael and Mrs. E. Rennie were appointed C.F.O.S. W.I. committee.

Mrs. H. Mower spent last week with Mrs. J. Reid who has now gone to spend the winter with Mrs. Scott in Markdale.

PLANNING FOR EXPANSION OF RURAL TELEPHONE SERVICE

To keep step with farm progress and to extend service to more farm families, the telephone industry is working on important new devices and methods. Plans are already under way for resuming the rural telephone expansion program suspended in 1940, when equipment and material became urgently needed for the armed forces. Surveys are being made to determine the needs and to provide the facts for carrying out plans to expand farm telephone service. The goal is to bring the telephone to the greatest possible number of farm families.

BANK OF MONTREAL

More than a million Canadians keep their money safe at the B of M. Each of the Bank's 1,400,000 deposit accounts is an expression of trust in this 128-year-old institution. The money on deposit, totalling \$1,613,000,000, is being conscientiously employed for the financial needs of the nation, in every walk of life.

Business firms and private citizens from the Atlantic to the Pacific have, during the year, borrowed and repaid many millions of dollars from the B of M. Now amounting at \$220,000,000, the Bank's loans oil the wheels of commerce and industry... speed their expansion... create employment... and help Canadians in their personal day-to-day financing.

Well over one hundred thousand individual Canadians—plumbers and painters, truck drivers and trainmen, doctors and dentists, business men and business women—turn to the B of M during the last twelve months for a Personal Loan when extra money was needed to take advantage of an opportunity or meet an emergency. Ninety-four people out of every hundred who asked for money got it.

In financing the needs of government and of business, the Bank shares heavily by investment in government securities and other bonds and debentures. Throughout the war these investments have not only brought comfort and prosperity to agricultural communities, but, by enabling farmers to produce more, contribute to the prosperity and welfare of the whole nation.

RESOURCES WHICH THE B OF M HAS TO MEET ITS OBLIGATIONS:

CASH: The B of M has cash in its vaults and money on deposit with the Bank of Canada amounting to	\$ 161,907,891.42
MONEY in the form of notes, cheques on, and deposits with other banks (payable on demand or at short notice)	124,063,250.42
INVESTMENTS: The B of M has well over one billion dollars invested in high-grade government bonds and other securities, which have a ready market. The majority of them will be paid in full at early dates. Listed on the Bank's books at a figure not greater than their market value, they amount to	1,117,604,002.86
STOCKS of industrial and other companies form but a small part of the Bank's holdings (actually only 1/3 of 1% of all its investments). Valued at no more than the market price, they amount to	333,993.69
CALL LOANS: The B of M has call loans (loans payable on demand) which are well protected by quickly saleable securities. These loans amount to	60,417,105.51
QUICKLY AVAILABLE RESOURCES: The resources listed above, all of which can quickly be turned into cash, cover 89.44% of all that the Bank owes to its depositors and others. These "quick assets" amount to	\$1,464,236,243.90
LOANS: During the year, millions of dollars have been loaned to business firms, to farmers, to fishermen—to citizens in all walks of life, and to Provincial and Municipal Governments and School Districts. These loans now amount to	220,264,341.15
BANK BUILDINGS: In hamlets, villages, towns and large cities from coast to coast the B of M serves its customers at 470 offices. The value of the buildings owned by the Bank, together with furniture and equipment, is shown on its books at	10,571,610.18
OTHER ASSETS: These chiefly represent liabilities of customers for commitments made by the Bank on their behalf, covering foreign and domestic trade transactions, totalling \$16,895,827.58...	20,772,125.26
TOTAL RESOURCES WHICH THE B OF M HAS TO MEET ITS OBLIGATIONS	\$1,715,934,320.49

WHAT THE B OF M OWES TO OTHERS:

DEPOSITS: Business firms, manufacturers, merchants, farmers and private citizens, numbering well over a million, have money on deposit with the B of M. These deposits amount to	\$1,613,428,705.56
BANK NOTES: B of M bills in circulation, which are payable on presentation, amount to	6,619,026.50
OTHER LIABILITIES: Miscellaneous items, representing mainly commitments undertaken on behalf of customers in their foreign trade transactions, totalling \$16,895,827.58...	17,144,653.99
TOTAL OF WHAT THE B OF M OWES ITS DEPOSITORS AND OTHERS	\$1,637,192,386.05
TO PAY ALL IT OWES, THE B OF M HAS TOTAL RESOURCES, AS SHOWN ON THE LEFT SIDE OF THIS STATEMENT, AMOUNTING TO	1,715,934,320.49
WHICH MEANS THAT THE B OF M HAS RESOURCES, OVER AND ABOVE WHAT IT OWES, AMOUNTING TO	\$ 78,741,934.44
This figure of \$78,741,934.44 is made up of money subscribed by the shareholders who own the Bank and, to some extent, of profits which have from time to time been ploughed back into the business to broaden the Bank's services.	
PROFITS: After making provision for contingencies and after providing \$729,640 for depreciation of Bank premises, furniture and equipment, the B of M reports a profit for the twelve months to October 31st, 1945, of	\$5,719,681.58
Taxes under the Income and Excess Profits Taxes Acts are estimated at	2,785,000.00
Leaving a net profit of	\$2,934,681.58
Of this amount, shareholders (paid dividends at the rate of 60 cents a year for each \$10 share of the Bank) received or will receive	2,160,000.00
Thus, the net amount to be added to the balance of profits from previous years' operations is	\$ 774,681.58
Balance in the Profit and Loss Account at October 31st, 1944, amounted to	2,413,821.52
Leaving the balance in this account at October 31st, 1945, at	\$3,188,502.90
