Till, don't mine!

THERE is no permanent gain for the farmer who takes all from the soil and puts nothing back. The successful farmer builds up soil fertility by proper use of balanced plant food such as commercial fertilizers and manure which supplies organic matter. He rotates crops; plows under clover, buckwheat and other green crops when necessary; and remembers to sweeten soil with lime.

The successful farmer also makes use of his agricultural college and experimental farm which have the correct answers to most of his crop problems... a valuable service that's obtainable for the asking.

The Bank of Toronto, during the past 91 years, has offered the important service of money to responsible farmers. They can always rely upon our friendly, experienced managers for useful financial advice and timely loans.

A Call to Action

addressed to All Members of the Church of England in Canada by
 THE MOST REVEREND DERWYN T. OWEN, D.D., D.C.L.
 Primate of all Canada

NEVER has humanity been in greater need of the Christian Gospel, the inspiration and guidance of Christian teaching and the Christian spirit.
 To-day we give thanks for a physical victory over forces opposed to every Christian principle. But these forces must still be fought in human minds and hearts. The only new order worth building is a Christian order. At home and abroad, the Christian Church faces a renewed challenge.
 That is why the Church of England in Canada is making an appeal to her people for rededication, self-sacrifice and constructive action. This movement seeks to make Anglicans more truly Christian; to make them conscious of the historic mission of their church; to strengthen the spiritual, educational and social work of the Church at home and abroad; and to provide funds for additional Clergy for the pension fund, for helping the Mother Church in England and the Churches in Europe in their work of rehabilitation, for providing youth training and leadership, and for assisting all Dioceses in meeting their local needs.
 The Appeal was launched in our Churches on the Feast of the Epiphany, Sunday, January 6th, and will continue till May 19th. In its spiritual aspects it has already reached the homes of our people and its programme will continue over years to come.
 During the week of May 12th to 19th, every member of the Church of England in Canada, so far as possible, will be visited by a fellow member, authorized to receive contributions to the \$4,000,000 fund needed to carry out the financial program.
 I bespeak from every one of our members and friends the earnest, prayerful consideration of this urgent need. I am confident that if every individual does his and her part, the combined objective of spiritual enrichment and financial support will be fully achieved.

ANGLICAN ADVANCE APPEAL
 for REDEDICATION AND THANK-OFFERING

Christ Church, Markdale, is campaigning for funds to repair and renovate the church basement in addition to the above. A. A. The total objective is \$3000. Canvasers are on the job now and until the objective has been reached. The committee is aiming to pay its A. A. objective of \$1200 in full at this time and not spread the campaign over three years.
 Christ Church Campaign Chairman: Mr. F. T. Hill
 Secretary-Treasurer: Mr. W. E. Cramp
 St. Matthias' Church, Berkeley, campaign is for A. A. only and its objective is \$356. The objective should be reached quite easily so that Berkeley congregation could remit in full for the whole amount, also, at this time. You are asked to make your contribution now and not wait to be called on.
 St. Matthias' Church Campaign Chairman: Mr. John Sowerby
 Secretary-Treasurer: Mr. Ed. Beatty
