Savings

Small savings add up. For instance, one slice of bread saved each day by each Canadian household would total 117,000 loaves of bread.

1. Serve milk and fruit desserts in place of those made of flour.
2. Make single crust pies. Use fewer cakes.
3. Put vegetable toppings on meat pies. Forget about dumplings and Yorkshire puddings. Save foods instead of dredging them with flour.
4. Freshen stale rolls and muffins by heating in top of double boiler or in a moistened paper bag in oven. Use what you have on hand before buying more.
5. Keep bread wrapped and in a ventilated box or covered crock. The refrigerator keeps bread fresh longer.
6. Use tested recipes, accurate measurements and careful cooking to avoid wasting precious ingredients. Don't cook for six when there are only four to feed. If you have leftovers make them interesting and be sure they are used up.
7. Send unused meat ration coupons to Ration Liaison Officers. Use moderate cooking temperature to prevent shrinkage of meat. Cover cooked meats to keep pieces from drying out.
8. Keep cheese wrapped tightly in a cloth moistened with vinegar and then rolled up in wax paper. Cover table pieces or wedges with wax paper pressed with a warm pan. Cheese crumbs keep fresh in an airtight jar; transfer to smaller jar when quantity is reduced.
9. Keep eggs fresh by storing in cool dark place away from aromatic products. Store egg yolks in a glass of water and poach them for sandwich filling.

THE QUESTION BOX

Miss T. M. asks: What are the ingredients of the wicker wash are used given in the laundry class of household science course?

Answer: Make a solution of 1 large bar or 9 ounces of mild soap in 3 qts. water. When partially cool add 2 tbsps. borax and 1/2 cup alcohol. Soak garments in solution for a few mins. before being laundered in sudsy water.

Mrs. R. M. asks: Can I clean feathered flowers?

Answer: Shake up and down in cleaning solvent and put in the air to dry.

Mrs. T. J. asks: Can I clean a trench coat without destroying the rainproofing quality?

Answer: Yes, brush with soapy water. Dip brush in suds and scrub coat. Pour clear water over it to rinse. Allow it to drip dry. (The bathtub is an ideal place to do the job.)

No gasoline, regardless of price, can match the

Incomparable Smoothness of

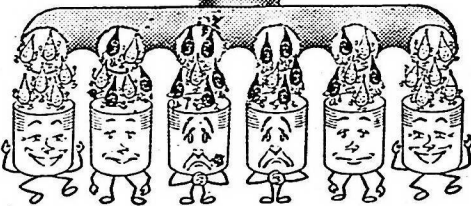

SUNOCO DYNAFUEL

THE NEW ALL-PETROLEUM MOTOR FUEL

AND HERE'S THE REASON!

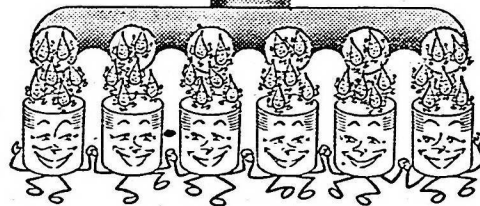

ALL gasolines (including Sunoco Dynafuel) are composed of "light" and "heavy" molecules. As the gasoline goes into the cylinders from the carburetor, some of the "heavy" molecules separate from the rest of the gasoline and go to certain cylinders which get most of the "heavy" molecules while other cylinders get mostly "light" molecules.

OTHER GASOLINES HIGH OCTANE MOLECULES LOW OCTANE MOLECULES

IN OTHER GASOLINES the "heavy" molecules are low in octane quality... but the "light" molecules are high octane. The cylinders receiving the low grade "heavy" molecules do not receive the same high knockless quality as other cylinders.

SUNOCO DYNAFUEL ALL MOLECULES ARE HIGH OCTANE QUALITY

IN SUNOCO DYNAFUEL, all molecules, both "heavy" and "light" deliver equally high octane power. No matter whether a cylinder receives "light" or "heavy" molecules, that cylinder and all cylinders receive uniformly high knockless quality.

DYNAFUEL'S UNIFORM POWER IN EVERY CYLINDER GIVES YOU A SWEETER-RUNNING CAR

No gasoline can excel its

QUICK STARTING · FAST ACCELERATION · LONG MILEAGE
UNIQUE SMOOTHNESS · HIGH KNOCKLESS POWER

Dynafuel gives you a big plus over other high-test gasolines!

EUGENIA

Mrs. John Cairns visited over the week-end in Niagara Falls and Weston. Misses Winnetta and Carmelle Martin visited over the week-end and holiday at the parental home.—Mr. and Mrs. Edwin Purvis, Bobbie and Joyce of Toronto spent the week-end at "Shady Rest" cottage near the lake. Joyce remained for a longer visit with her friend Irene Phillips.—Mr. Edridge Boyce visited friends in Toronto for a few days.—Misses Joyce Genoe and Lois Williams have gone to Huntsville where they have each secured a position for the summer months in a tourist home.—Mr. and Mrs. Hugh Shaw, Joyce and Hughie of Collingwood visited with the Boyce family on Sunday.—Mr. A. Martin and friend of Toronto are visiting at the former's home here.—Misses Mary and Isabelle McKee and Mr. McCarthy of Toronto visited at the former's home here.—Mrs. Chas. Park and Given have moved to the apartments above the Bank of Commerce in Fiesherston.—Mrs. L. Heeny and Judy of Toronto are visiting at the Burton home.—Mr. and Mrs. Doug Cairns of Fiesherston spent the week-end and holiday with the former's sister Shirley Cairns.—Mr. Allan MacGregor of Galt spent the week-end at the home of Mr. James Fawcett.

were called at the Martin home on Friday. Mrs. Dorothy Genoe, Toronto, is visiting with her father, Mr. Lave Genoe. Miss Margie Martin accompanied by Miss E. Dougan spent the week-end in Toronto. Mr. Dalton Ferguson of Fiesherston visited on Sunday with Mr. Ben Carruthers, Mrs. C. D. Parks and Miss Muriel Carruthers. Mrs. Carter of Lady Bank is spending a time with her brother, Mr. Edgar Dobson, and wife. Mrs. Dobson's health has been impaired for some time but we hope that good health will soon be restored again. The C. G. I. T. girls held a weiner roast on Thursday evening of last week. They invited their boy friends and had a very enjoyable time dancing in the pavilion. Rev. Mr. Thomson organized the C. G. I. T. last winter with Miss Craig as leader and the Y. P. U. meetings were discontinued. Heartiest congratulations to Miss Margaret McMillan and Miss Dorothy Falconer who graduated as nurses in the General and Marine Hospital, Owen Sound.
