Well leave the verdict up to you. Yes sir, you can be your own judge and jury when you decide to test Sunoco Dynafuel! Make your own tests in your own

own car and your own way. Try it for all round high test performance; for quick starting and fast acceleration; for high knockless performance and long inleage. Then try it also for Markdale Pastoral Charge and long mileage. Then try it also for its big plus that you can't get out of any other gasoline at any price; for its new kind of power; its incomparable smoothness that changes riding into gliding. So go ahead, be your own judge and jury and put Sunoco Dynafuel on trial. Switch to super-power; switch to super-smoothness; switch to Dynafuel.—Sumoco Dynafuel. Sold only
