FOR SALE

We have a building frame, consisting of 8-inch square timbers, also mud-sills 22 feet long, a quantity of 1-inch lumber, 2x4's and 4x4's, rafters etc.—torn down and piled. Would make an excellent driving house or implement shed. Also a small building 6x12 feet that can be moved easily, would make a good hen house or Colony house. Priced Right.
