More Money in the New Year

As we see it—A greater production of cream for butter is now necessary if we are to keep oleomargarine off the market. The present price of cream certainly warrants a greater herd, additional feeding and better care of the milch cows.

—POULTRY—

We are still buying live and dressed poultry and do custom killing.

—EGGS—

A word to the wise—In the near future we will be able to pay more money in comparison with last year's prices for your eggs for export.

The creamery will be closed Saturday nights till further notice.

Farm Forum News

Cheesville

A lively meeting of Orange Valley farm forum met at the home of Mr. and Mrs. Clarence Alex with thirty present. The subject was "Marketing by Co-op." It was noted that every farmer represented at the forum marketed products through a co-operative, mainly wool and livestock, with cream, eggs and poultry mentioned as added in this way. They were also of the opinion that beef should be marketed in this way. They were also of the opinion that beef should be marketed on the rail and shipped co-operatively. Recreation was spent with six tables of progressive crokinole in play, with Mrs. G. Hill and Don Russell winning prizes. Lunch was served and a splendid evening spent.

Pleasant Valley

A happy and prosperous new year to all surrounding forums from Pleasant Valley. This forum met at the home of Mr. and Mrs. Charles Tolton with a good attendance. The Co-op. marketing scheme was up for discussion, all beef cards being marked through the Co-op. It was thought that all farm products could be handled through the Co-op, and they should have the best of farm produce if it is looked after right after leaving the farmers' hands. The remainder of the evening was enjoyed in playing euchre with the McGinnis family carrying home "the bacon" and Mrs. Rock low for the ladies. Next meeting will be held at the home of Mr. and Mrs. Howard Hodgkinson.

Holford Farm Forum

Forum met at the home of Mr. and Mrs. J. Sowerby with 23 present, and Mrs. D. Bradley in charge. A lengthy discussion took place on Co-operative Marketing. It was agreed that Co-ops, if properly managed, could greatly benefit both farmer and consumer by cutting out the middle man's profit. There was also a report from the committee re warble fly control. Prize winners during recreation were Miss Gwen Burnside for the contest; euchre, Mrs. McGinnis and Howard Aitken. Next meeting to be at the Dunbar home.

FOR SALE—Philoco Battery Radio. In good condition. Apply to Willis Coburn, phone 620-11, Markdale.

IN MEMORIAM

EAGLES—In loving memory of a dear husband and father, Alfred Edward Eagles, who passed away January 17th, 1947.

God knows how much we miss him
Never shall his memory fade.
Loving thoughts shall ever wander,
To the spot where he is laid.
—Ever remembered by wife and family.

IN MEMORIAM

FOSTER—In memory of our dear daughter, Cora, her husband, Cecil, and their three darling children, Marie, Betty, and Gordon, who passed away two years ago.

May the heavenly winds blow softly
On the sweet and hallowed spot.
Where our dear ones lie sleeping.
Who will never be forgot.
They say time heals all sorrow
And helps us to forget,
But somehow time has only proved
How much we miss them yet.

—Ever remembered and sadly missed by Father and Mother, Mr. and Mrs. Jas. Matthews, Rocklyn.

IN MEMORIAM

FOSTER—In loving memory of our dear son and brother, Cecil Foster, wife, Cora, and their three children, who passed away suddenly January 17th, 1946.

At night the silent stars look down
On a grave not far from here
Where sleep the ones we can't forget.
The ones we loved so dear.
The dearest ones this world could hold,
The cheeriest smiles, and hearts of gold.
For those who knew them, all will know
How much we lost, two years ago.

Sadly missed by parents, Mr. and Mrs. Wesley Foster, and brother, Clarence Foster, and Mr. and Mrs. Harold Gillespie and family.

Answering Your Questions ABOUT IMPORT CONTROL

MOST of the countries which are Canada's regular customers have not recovered sufficiently from the war to pay, in the normal way, for all the goods they need, despite extensive help from this and other countries. Nor are they able to send us enough of their goods to balance accounts—or to pay us in the kind of money which we, in Canada, can use to buy goods in other countries.

At the same time, Canada has been buying more goods than ever before from the United States and other countries demanding U.S. dollars. This is because these goods were not obtainable elsewhere and because of demand pent-up during the war.

Buying from the United States or U.S. dollar areas must, therefore, be temporarily reduced until our trading again becomes normal.

To meet this emergency, purchase of goods and services or expenditures for travel, which must be paid for with U.S. dollars, are now subject to control.

IF YOU ARE AN IMPORTER OF CONSUMER GOODS and wish to find out what goods are (1) prohibited, (2) subject to quota, or (3) unaffected by controls, see or write your nearest Collector of Customs and Excise.

IF YOU WISH TO IMPORT GOODS SUBJECT TO QUOTA and wish to establish your quota authorization to import, or need special information, consult your nearest Collector of Customs and Excise. Quota application forms (E.C. 1) and instructions for completing them, are available at all Customs Offices. These applications must be filed with the Collector of Customs and Excise.

IF YOU WISH INFORMATION ON THE AMOUNT OF YOUR QUOTA. After your application has been filed with your Collector of Customs and Excise, all correspondence about the establishment of quotas or cases of exceptional hardship through import prohibitions should be directed to Emergency Import Control Division, Department of Finance, 490 Sussex Street, Ottawa. Quotas are issued on a quarterly basis and any unused portion may be carried over into the following quarter.

IF YOU ARE AN IMPORTER OF PRODUCTION PARTS, STRUCTURAL STEEL, stone, machinery or other capital goods or automobiles, and wish to know the import restrictions in these classifications, write or see Emergency Import Control Division (Capital Goods), Department of Reconstruction and Supply, 385 Wellington Street, Ottawa.

IF YOU INTEND TO TRAVEL OUTSIDE CANADA and wish to know about foreign exchange available for this purpose, consult any bank or the Foreign Exchange Control Board at Ottawa, Montreal, Toronto, Windsor, Vancouver. If you wish information about personal purchases of goods made during travel outside Canada, consult the nearest Collector of Customs and Excise before departure.

IF YOU ARE A MANUFACTURER, WHOLESALER OR RETAILER and wish information about excise taxes, or about the list of goods to which they apply, consult the nearest Collector of Customs and Excise.

IF YOU NEED OTHER SOURCES OF IMPORTS consult the Foreign Trade Service, Department of Trade and Commerce (Import Division), Ottawa, regarding your supply problems arising from import quota restrictions. Through the Trade Commissioner Service, the Import Division is endeavouring to arrange increased supplies from the United Kingdom and other "non-scheduled" countries.

IF YOU ARE A HOUSEWIFE and wish information on available alternate foods which have comparable nutritional values to those now prohibited or subject to quota, informational material which has been prepared by the Nutrition Division of the Department of National Health and Welfare may be secured from your Provincial Health Department or local health unit.

The administration of these emergency import controls is the responsibility of various departments of the Government. The above information is given to aid Canadian citizens in complying with the new import control regulations with a minimum of inconvenience in their business and personal affairs.

Douglas Ross
Minister of Finance.
