# Rotary Draw Offers Attractive Prizes

A round trip to New York on a T.C.A. plane is the first prize offered by the Markdale Rotary Club this year, if you purchase the lucky ticket on their annual frolic draw. The prizes this year are just a little different; they should appeal to the people who would like a few days away from home. If you don't like the klea of going by plane, then the Club will arrange for you to see New York by bus; either trip is an all expense tour, or you may have the equivalent in cash.

Other prizes offered are as follows.

Other prizes offered are as follows and should appeal to the whole fam and should appear to the article radio, a pair of Hudson Bay blankets, an electric heating pad. The Club is certainly making an effort to offer prizes that will be generally useful.

The CKNX Ranch Boys have been so popular with the people of this district that the Club decided to have them make another visit to entertain the folks here with their floor-show and dance band.

dance band.

The incoming president of the Club, Geoff Chamberlin, is driving the Club members to make this year's street frolic the biggest and best in the history of the Markdale Rotary Club. If it isn't it won't be Geoff Chamberlin's

fault.

The Club this year is going to concentrate its efforts in raising funds for community service and underprivileged children. There has been some discussion as to the advisability of helping the village get a set of floodlights for the ball park; in fact the Club has a number of worthy possible projects under discussion for the coming year and in order to carry out these projects the Club needs the support of every interested citizen. fault

Makes Forced Landing

Last Priday afternoon an aeroplane oarned by the Avion Plying Service of St. Louis, Missouri, on a flight from there to Montreal by way of Detroit, lost its way after it missed Malton, and made a forced landing in a field belonging to Alex. Harver, and near the Russell Freeman home, about 2½ miles north-east of Markdale. On trying to take to the air again, their plane ran into a fence and was considerably damaged, although none of the four occupants was injured. The instructor who was driving, and three students, were forced to leave the plane and took the train home from here and took the train home from here

MRS. LORNE DENNISON HONORED AT MUSIC FESTIVAL CONCERT

At the final concert in Westside United Church last Tuesday evening a capacity crowd was present to hear the senior students of the Music Festival play and sing. During the evening Mrs. Lorne Dennison of Markdale was presented with a beautiful walnut writing desk from the Festival executive. Mrs. Dennison was the efficient secretary-treasurer of the festival eversince the festival moved to Owen Sound, and for eleven years the success of the Grey Music Festival was in no small measure due to her interest and whole hearted efforts.

In making the presentation Mr. George Neavell expressed the opinion that not many people realized all the work in connection with the smooth running of the Festival and he paid tribute to Mrs. Dennison's fine executive ability during all the years. Mrs. Dennison and her successor, Mrs. Eric Cole, who has done a splendid job as secretary for the first year, were each presented with shoulder cascades of roses.
