## LOCAL **NEWS**

MAILING LIST REVISED

A periodic correction brought our mailing list up-to-date on Saurday. Subscribers who have sent, or called with renewal payments are asked to kindly note the changed date on the yellow label, and if not made to kindly notify us at once. Those who may be in arrears are reminded that costs of publishing a newspaper, as in many publishing a newspaper, as in many other businesses, have increased greatly and a fully paid-in-advance subscription list is a necessity.

#### SALVAGE DRIVE NEXT WEEK

Markiale branch of the Canadian Legion will collect paper salvage in town next Taursday afternoon, October 7th, in co-operation with Pire Prevention Week. All who can contribute to this drive are asked to tie papers securely in bundles or packed in cardboard containers, and have them ready when the truck calls. Dorations from the rural districts may be left at the Legion Hall.

#### FRESH RASPBERRIES PICKED

With the wonderful fall weather of late, an outbreak of new bloom is relate, an outbreak of new bloom is re-ported in the district. Although we have heard of no apple blossoms and lilacs such as reported over "Neighbor-ly News", a branch of fresh raspberries picked on the farm of John Menary in Euphrasia township has been handed in at this office which is an odd occur-rence for the month of September. rence for the month of September.

#### MORE STUDENTS AT UNIVERSITY

The list of former students from the Markdale who are enrolled at univers-Markdale who are enrolled at universities this year includes Bob Rapp, son of Mr. and Mrs. Lou Rapp who are now residents of Toronto. Bob passed his senior matriculation in June obtaining four firsts, four seconds, a third and a pass. He is now attending Dental College at Toronto University.

lege at Toronto University.

Miss Jane Robertson now of London is taking her second year pass Arts course at Western University.

## Best Fair in Years Held Here Tuesday

Ideal weather favored Markiale Pall Pair on Tuesday of this week which had one of the largest crowds present in several years. Along with this, exhibits generally were exceptionally good, the horse show was up to former years, and the track events, especially the trials of speed, proved highly entertaining.

In the Armoury was one of the finest displays on record and the quality of exhibits was worth noting. This was particularly the case in the vegetables and flower exhibits, there being many more exhibits in floriculture than usual. There was keen competition in the domestic science classes, and in the ladies' work. The lovely quilts and spreads, home made rugs and fancy work were indeed a creditable showing. While a complete list of winners will

While a complete list of winners will appear in next week's issue, below are listed the chief winners in the hall

whibits:

Vegetables—Mrs. E. Hodgkinson, Mrs. N. Burritt.

Roots—Jas. McLoughry. Fruit—Howard Graham.

Roots—Jas. McLougnry.
Fruit—Howard Graham.
Ladies' Work—Mrs. E. A. Ruttle, Mrs.
Hodgkinson.
Domestic Science—Mrs. Hodgkinson,
Mrs. E. Langman, Mrs. Wm. Kennedy.
Floriculture—Mrs. Russell Foster.
Dairy Produce—Mrs. Wm. Kennedy.
Art—Mrs. Chas, Martin.
Specials donated by Hills' for the
most points in home baking, Markdale
Hardware for bottled goods, and the
Root Simpson tray were won by Mrs.
Hodgkinson. Special by Carter's Hardware for the most points in floriculturgoes to Mrs. Russell Foster; Mrs. G.
McCrea won the Erskine Hardware
special for the most points in Ladies'
Work, and Mrs. Chas. Martin won the
Murray Drug Store special for the most
points in Arts and Crafts.

In the hall exhibit, there was per-

points in Arts and Crafts.

In the hall exhibit, there was perhaps no exhibit that attracted more attention than that of the handlerafts in the school fair entries, and many favourable comments were heard. There was much creative ability displayed here, and the first prize winning exhibits were rather outstanding. The truck designed by Gene Gaudette, Archie Rimmer's wagon, and the church by Donald Henry were especially good. There were many good exhibits in the collections, art and writing, and the roots, vegetables and flowers here were also above average quality.

The Garden Brigade exhibit was a new feature this year, and the displays of the two winning girls from Barhead, Ruth Adams and Sandra Thibaudeau, were very fine. There were also many good exhibits in the Potato Club entry.

were very mine. The Potato Club entry. good exhibits in the Potato Club entry. Domestic Science and Floriculture were judged by Mrs. F. D. Sawyer; the Ladies' Work by Mrs. S. H. Buchanan; roots, vegetables, grain and fruit, by T. S. Cooper, assisted by Keith McRuer. Judge of sheep and cattle entries was Duncan McTavish, Chesley; Elliott McLoughry, Galt, judged the dairy cattle and swine, and H. V. Wales, poultry. In one corner of the hall, articles made by Grey County Home residents were on display, many of which were sold. A display of Westinghouse products by the local agent, Merv. Richards was viewed with much interest.

Many Fine Horses

#### Many/Fine Horses

Many Fine Horses

There were no less than nineteen horses entered in the Trials of Speed, so that instead of two races there were four, providing a good afternoon's program. There was one accident on the track during the last lap of the second heat in the 2:26 class when a horse from the McKinley Stables, Alberta, jumped into the sulky ahead owned by Hopkins of Walters Falls. Fortunately no one was injured, although the cart was badly broken. Results of the races are as follows:

2:27 Class

Mills
Free Lyn, McKinley, Alberta
Mölly B. Chilcoot, Oliver, Mark-

2:26 Class

Miss Silver Foam, Hopkins,
Walters Falls

Bill Crozier, Seeley, Dundalk

Federation News

The Pederation of Agriculture in co-operation with the Junior Farmers, are endeavouring to create an interest in public speaking and will sponsor a series of contests throughout the Counternation of the Counter Counter of the Count r. The intention is to have a contest in each township about the end of October, the winners to meet in a County contest some time in November Good prizes are being offered and it is hoped to have the co-operation of the teachers in the district so that there may be at least one contestant from each public school, high school or young people's group at the township competitions. Addresses are limited to ten minutes, and will be judged on a basis of 40% for material and 60% for delivery. Contestants may choose their own subjects or a list of subjects will be provided.

Artemesia Township Federation will give prizes of \$5., \$3. and \$2. for 1st, and and 3rd, and \$1. for each additional contestant in the township.

If interested, get in touch immediately with your township director. Directors in this area are: Artemesia, Directors in this area are: Artemesia, Howard I. Graham, Markdale, R. R. 4; Proton, Lloyd Acheson, Dundalk; Osprey, John Stevens, Eugenia; Glenelg, Joe Crutchley, Durham; Euphrasia, Stewart Falls, Meaford; Holland, Jno. Sowerby, Holland Centre. 0 00.-5

large crowd of spectators informed of the winners in each event.

There was a very good showing of cattle which included a fine herd of jerseys from the farm of W. Ferguson, Varney, and Grey County Home had 13 entries in Holsteins. Winners in the Shorthorn classes were Robt. Coulter, Dundalk, Batty Bros., Meaford, and H. I. Graham, Vandeleur. Prizes for Herefords went to John Black, Chesley. Enke Bros., Elmwood, and Thos. Cope-Ernke Bros, Elmwood, and Thos. Copeland, Dundalk, won the prizes in the Polled Angus classes, and Red Polls by Will Halbert, Harkaway. Winners in the grades were John Black of Chesley and Donald Petch, Markdale. Prizes for best showmanship went to Joyce Halbert and Ted Menary.

There was a splendid exhibit of poul-try, which included the public and high school entries. S. R. Wiley of Allen-ford was the main exhibitor in this section.

A large crowd attended the concert in the Armoury at night when a varied program was presented by the Comp-ton-Simmonds Theatrical Troup of St. Catharines. The dance which followed was also well patronized, with Russell Hill's orchestra providing good music. From all sides on Tuesday one could hear the remark that this year's fair was the best in some time. Gate receipts were up about \$200 over former years, and the list of exhibitors was considerably increased. President Frank Sawyer, Secretary Russ. Freeman, and all other officers and exhibitors are to

 High School Classes May Use Armoury

Inspector Duffin of the Departmen a view to provising better accommo-dation for pupils. An inspection tour was made of the local Armoury, and it was decided that the extra class rooms could be accommodated at the Armoury rather than at the former Sullivan property purchased last year. The change will be made subject to the approval of the local Council

approval of the local Council.

This decision to arrange for larger quarters was made this month when it quarters was made this month when it became necessary to use all of the annex building, due to increased at-tendance-in Grade IX. In order to accommodate this year's overflow, as well as the classes that will be coming along in future years, it was apparent that extensive alterations would have to be made to what was the former to be made to what was the forme Sullivan property situated at the edge of town, in order that classrooms would be adequate. This would mean wrecking this house property, whereas the rooms at the Armouries are larger and better adapted for classroom pur-

#### TENT CITY AT PLOWING MATCH

With applications for exhibit space exceeding any previous year, the tenter ity which will be set up at the site o city which will be set up at the site of the International Plowing Match near Lindsay from October 12 to 15 is ex-pected to exceed in size anything ever seen at this important annual event. Over 100 applications have already been received for space, more than the number of exhibits actually set up at number of exhibits actually set up at last year's record match at Kingston, and they are still pouring in, reports J. A. Carroll, Secretary-Manager for the Match. The exhibits will include all types of farm machinery, large and

small, including many new types which are being introduced for the first time. The demonstrations of machinery and equipment will also be on a large for best showmanship went to Joyce Halbert and Ted Menary.

In the sheep exhibit Emke Bros. of Elmwood and Tasker Grant of Stayner shared the prizes, and in swine classes Russell Boyce and Lorne Adams had the only entries.

There was a splendid exhibit of poultry, which included the public and high school entries. S. R. Wiley of Allenford was the main exhibitor in this will be shown. will be shown.

#### PARKS-NOBLE WEDDING

Riverdale Presbyterian Church, decorated with gladioli and ferns, was the setting for the evening wedding of Dorothy Alice Noble, daughter of Mr. and Mrs. Arthur Noble, Toronto, and grand-daughter of Mrs. C. W. Noble of Mark-dale, to Thomas Kenneth Parks, son of Mr. and Mrs. Robt. Parks of Ottawa.

Given in marriage by her father, the bride wore a gown of white satin, her finger-tip veil falling from a rhine-stone coronet, and she carried a cascade of sweetheart roses and carna-

Miss Irene Noble, sister of the bride Miss frene Noble, sister of the thick, was maid of honour, and wore a gown of orchid taffeta. Miss Jean Pennelli and Miss Helen Noble were bridesmaids and wore gowns of pale green taffeta. All three carried bouquets of gladioli and babys breath. Beverley Parks, sister of the thick was made to be the total part of the and babys breath. Beverley Fairs, sa-ter of the groom, was flower girl, wear-pale gold, and she carried a nosegay of rosebuds. Bestman was James Symes, and the ushers were Allen Blakely and the bride's brother, Walter Noble.

Following the reception at the bride's home the couple left on their honeymoon for Ottawa and points north.

Markdale Council met this Wed. night.

#### Anniversary Services Held In Local Churches

Sunday, September 24th was a day of Thanksgiving at Christ Anglican church, Markdale, and St. Mauhias'. church Markdale, and St. Matinias'. Berkeley, when colorful products of the field and garden gave evidence of the bountiful harvest of 1948. Guest preacher on this occasion was Rev. W. R. Morrison of Durham who preached thoughtful and stimulating sermons. His remarks at the morning service were concerned with profit. Surrounded by evidences of God's bounty towards us, he said, "We are more concerned with our prosperity than we are with God as the Giver of that prosperity." He spoke of the evil in that term such as drunkenness and gambling. The world seems to be taken up with such as drunkenness and gamo.ing. The world seems to be taken up with money profit rather than benefits, or spiritual profits. What we need in life is righteousness and truth, love, joy and peace, and that sure profit that comes from God.

His sermon at the evening service referred to the ancient Chinese proverb where a vain monarch accustomed to admiring himself in a mirror was given instead a window cut in the wall where he could look upon the destitute, and poor. Located in a very fortunate part of the world, a paradise in south-western Ontario, he said we tend to admire ourselves for the wealth we have gotten, while our condition has depended on the fact that our fore-fathers have received the message of the Gospel. Throughout the world we find the countries that have a high standard of living are the Christian countries, and have received the benefits of the gospel of Christ, freeing us from superstition, bonds of casts, etc.

If Anglicans gave one-tenth of all was given instead a window cut in the fits of the gospel of Christ, freeing us from superstition, bonds of casts, etc.

If Anglicans gave one-tenth of all their increase for God's service, he said, there would be a radical change in the world. Missionaries, he said, are hampered by lack of funds. It is a pity more of our people do not have to give. (If our religion is worth anything it is worth the sacrifice of Thanksgiving.) Fundamentally those who do, believe in it enough to make a sacrifice. An Irish woman once said, "What you don't give to God—the devil's going to take it out of you—and take it out a hundred fold." It reminded the speaker of a report he had once seen—a report of the givings for missionaries showed the amount of money given for missions was enough to buy a battleship, and he thought of the cost of all the armies, ships, and air fleets that the war had necessitated. "Maybe," he said, "if we would look at ourselves more through the window, we would see ourselves as are."

A large number from here attended

A large number from here attended Anniversary Services in Ebenezer church on Sunday, September 26th, when Rev. H. S. Warren of Aurora, a former beloved pastor on this circuit for eight pears, was the guest speaker, and he delivered two excellent sermons. His subject in the afternoon was "What Shall I do with This Life?", and in the evening, "A Substitute For Crumbling Foundations." Vandeleur senior and junior choirs led in the service of song, beautiful flowers adorned the altar and lovely weather favored the occasion.—Vandeleur Corr.

Anniversary services were also held at North Glenelg Baptist Church and were well attended. The student minister, R. C. Clark preached thoughtful sermons afternoon and evening, and decorations of cut flowers and potted plants added to the enjoyment. Special music was rendered by a children's choir, and solos by Mrs. Clark. On Monday evening Mr. T. S. Cooper showed pictures across Canada which was followed by a program of songs, music, recitations and the serving of lunch.

#### Euphrasia Couple Celebrate Golden Wedding

Mr. and Mrs. Wm. Smart celebrated her daughter Muriel, adorned the table. Congratulations were received from neighbors and friends far and

near.
Their family of eight children are:
Mrs. Russell Hill (Iva), Earl, Cecil
Ernest, Victor, Mrs. Ed. Boyes (Alice),
Mrs. Jack Torry (Vera), and Mrs.
Walter Boyd (Elva). There are
twenty-eight grandchildren.
Mr. and Mrs. Smart were married at
the home of the bride's father at Redwing on September 27, 1898, by the Rev.
Laidlaw of Ravenna. The bride's sister,
Marv. and the groom's brother, John,

Laidiaw of Havenna. The brides sisten, Mary, and the groom's brother, John, both deceased many years ago, were the attendants. The bride was formerly Elizabeth Ann Hall, eldest daughter of the late Mr. and Mrs. Alexander Hall of Duncan. After her mother died when she was two and a half years of age, she had the care of a kind step-mother. The groom is the son of the late Mr. and Mrs. Samuel Smart of East Mountain. They farmed for many years at East Mountain, before moving to Barhead. For the past 26 years they have farmed at Cherry Grove.

The occasion of their Golden Wedbers, A letter of appreciation was read from Joyce and Hillis Halbert. Readings were given by Mrs. Ira Madill, "Brought in Pa's Prayers"; Lula Lyons, "Keep Pegging Away." The next meeting will be held at the home of Mrs. J. Smith with Lulu Lyons as leader, readings to be given by Isabel Carbert and Mrs. Fred Halbert. After the benediction lunch was served; team money amounted to \$2.06.

Markdale Council met this Wed. night.

## RotaryºClub Told About Health Units

The workings of the Lincoln County Health Unit, which is typical of the twenty-four such units now operating throughout Ontario, was explained at a meeting of the Markfale Rotary Club on Monday evening, attended by members of the Grey County Council and other Health Officials. Mr. George Carefoot, retired public school inspector, who has been escretary of the Lincoln Health Unit since it was formed in 1945, explained the steps taken to form such a unit, and Dr. Curry, of St. Catharines, who has been chief director of this Unit, outlined the basis services.

Ading on Saturday afternoon, Sept. 25, when Margaret Jean Elliott, daughter of Mr. and Mrs. J. Walter Elliott, Markfale, became the bride of Robert William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. E. William MacInnis, son of Mr. and Mrs. J. Walter Elliott, Markfale, became the bride of Mr. and Mrs. J. Walter Elliott, Markfale, became the bride of Mr. and Mrs. J. Walter Elliott, Markfale, became the bride of Mr. and Mrs. J. Walter Elliott, Markfale, became the bride of Mr. and Mrs. J. Walter Elliott, Markfale, became the bride of Mrs. J. Walter Elliott, Markfale, became th

Explaining how the Health Unit was organized. Mr. Carefoot (brother of Dr. R. L. Carefoot of Markdale, said the County Council must make request to the Department, and a request must also come from a City if wishes to be included in the same Heath Unit, but it is not necessary that the city be included. The Minister of Health then defines the area, and decides further steps to be taken. A committee is appointed which draws up an agreement, which is sent to the Department for their approval, then sent back to be adopted by the Councils and signed. He explained the cost set by the Department was \$1.10 per capita, and also the staff required.

The workings of this Health Unit

ita, and also the staff required.

The workings of this Health Unit were then explained by Dr. Curry, who has been health officer for many years.
"A unit," he said, "costs \$1.25 per capita to get started, and costs the County Council 62½¢ by reason of the Provincial grant. Its basic services as outlined by this chief director of the Lincoln Health Unit are varied and of utmost importance. He first mentioned tuberculosis control; they aim to discover new cases, and also to find the source. With every case discovered, they examine at least five. All food handlers in the area are required to have a health certificate; they check all pupils entering and leaving high school. As a result the county which had at one time the largest percentage. all pupils entering and leaving high school. As a result the county which had at one time the largest percentage of T.B. now has the lowest. Other concerns include venereal disease control, mental health, control of communicable diseases by treating all suspicious cases in addition to the case itself. They control diseases such as head lice and pink eye in school children. Clinics are held to immunize babies against the four preventable diseases, and nurses call at every home within a month after a baby is born to see if any help is needed.

At the clinics, (there are ten in Lin-

At the clinics, (there are ten in Lin-oln County) he explained there is a physician, two nurses, and two lay At the clinics, (there are ten in incomposition county) he explained there is a physician, two nurses, and two lay workers. Here Dr. Curry paid tribute to the good work done by Women's Institutes who provide two lay workers, often provide a place for such clinic and often look after Child Health Clinics.

physician, two nurses, and two lay workers. Here Dr. Curry paid tribute to the good work done by Women's Institutes who provide two lay workers, often provide a place for such clinics and often look after Child Heaith Clinics.

School health is also the concern of the County Health Unit. In elementary grades, the Medical Health Officers and nurse attend regularly to try to discover early defects. Medical examinations are given in grades 1 and 8; when pupils are absent, the nurse makes a visit to that home to ascertain the cause. Their high school program concerns itself with T. B. chest X-ray, emotional upsets and other diseases of this age, aiming to see boys and girls graduate from high school with good health habits. Sanitary service requires routine inspection as well as the formation of the printing was well portrayed, showing the manual labour of the printers, and also their delight when they made a good copy of a page of the Bible. Translators were shown working skilfully at translations into the Maori and Eskimo language where there was none. Altogether the picture was a splendid portrayal of the mark of the Mark and the work of the Mark and the world.

Rev. Mr. Allnult praised the work done by the Markdale branch in past years and hoped this year would also their delight when they made a good their delight when they made a good the Bible. Translators were shown working skilfully at translators into the Maori and Eskimo language, in fact producing a written language where there was none. Altogether the picture was a splendid or of the Printing was well abour of the Printing as we makes a visit to that home to ascertain the cause. Their high school program concerns itself with T. B. chest X-ray, emotional upsets and other diseases of this age, aiming to see boys and girls graduate from high school with good health habits. Sanitary service requires routine inspection as well as complaints investigated; water supply sewage disposal, (seeing that it neither contaminates a water supply or creates a muisance); inspecting dumping grounds and sanitation, which includes inspection of the dairy plants and farms that supply milk to dairies and personnel handling food products.

Concluding his story of health units,

Concluding his story of health units, Dr. Curry explained that any county can have these services because of the government grant. These units are Mr. and Mrs. Wm. Smart celevated the fiftieth anniversary of their marriage on Sunday, September 26th, when a family gathering was held at their farm home in Euphrasia. The family were all present to enjoy the supper hour, when a pretty wedding cake, the work of Mrs. Earl Smart and par daughter Muriel adorned the Ontario as it eventually will, living conditions will be improved, and we'll have a happier province than we have

Dr. Curry was thanked for his address on this most important subject and all present must have felt they had gained considerable knowledge his talk. Both speakers were intro-duced by Dr. Rankin Carefoot and thanked at the close by Canon R. S.

Guests present for the evening numbered about forty and they were intro-duced by Treas, Merv. Gould.

#### Provisional Board Met To Discuss Hospital Changes

The Provisional Board of the Centre The Provisional Board of the Centre Grey General Hospital met, and with Dr. Carefoot made a tour of inspection of the Hospital. The alterations recom-mended were noted, and all was found to be in order. After meeting with Dr. Carefoot the Provisional Board ther dealt with the matter of finances. An application has been forwarded to the Department of Health for the grant assured by Hon. Russell T. Kelley, Minister of Health, at a meeting held in Markdale last spring. As soon as pre-Markdale last spring. As soon as pre-liminary payments are assured, further definite action, will be taken. In the meantime while all look forward to the early acquisition of the Carefoot hos-pital, preliminaries go on apace. Eise-where in this issue will be found an advertisement for tenders for the in-stallation of an elevator, for plumbing, and to make the necessary alterations.

### McInnis - Elliott Wedding

Annesley United Church, Markdale, decorated with autumn flowers and ferms, was the scene of a pretty wedding on Saturday afternoon, Sept. 25, when Margaret Jean Elliott, daughter of Mr. and Mrs. J. Walter Elliott, Markdale, became the bride of Robert William Maclinnis, son of Mr. and Mrs. George Wellunis of Newmarker. Bed

white ngured moir in off-ine-shoulder siyle, with full flared skirt, bustle back and long sleeves. Her embroidered illusion net vell was held by a head band of white baby mums, and she carried a bouquet of white roses, bouvardia, and pale pink gladioli florets.

The bride's cousin, Mrs. Harold Anserson as matron of honour more

the home of the bride's parents, Mrs. Elliott received her guests, wearing raspberry wine with black accessories. She was assisted by the grocm's mother, wearing Victorian brown with matching accessories. The rooms were pretty with autumn flowers, and the bride's wedding cake adorned the buffer table. Guest was saved by Mrs.

fet table. Guests were served by Mrs. D. Plewman, Mrs. A. Bell, Mrs. Claire Thompson and Mrs. Victor Glen.

For their wedding trip to Montreal and Ottawa, the bride donned a light blue gabardine suit, matching hat, dark red snakeskin snoes and bag. will reside at London, Ontario.

#### Film at Cooke's Church

The annual meeting of the Bible Society, Markdale branch, was held at Cooke's Presbyterian Church Monday evening. Rev. F. B. Allnult of the British and Foreign Bible Society showed a very interesting visual sound film entitled "The Book of To-day for the World of To-morrow". It showed the long history of the Bible according to its ancient languages, Hebrew and Greek, and also its translation into Latin, Anglo-Saxon and modern languages all over the world to-day. Then one saw Jerome making his translation based on the old Latin version, but also using certain Hebrew and Greek manbased on the old Latin version, but also using certain Hebrew and Greek manuscripts into a version known as the Latin Vulgate which for a thousand years had great influence in Europé. The beginning of the art of printing

the annual collection in the very near
