# Veteran Rider Wins Heat in 2.28 Class

enote by Ful-O-Pep Photograph 75-Year-Old Racer, Mr. Alex Belore, of Elmira, is shown with his twenty-first racing horse. He has outlived twenty of them. Best horse of the lot, he says, was his famous Doctor Bee, with whom he started 28 races in 1922. In that year he won 22 and was never out of the money, taking in over \$3,000 in prizes. A racing man for thirty years, Mr. Belore is not one to talk about "the good old days". He says that horses are much the same now as then. The records set today are mainly possible, he believes, because of the improved tracks. His experience with the drivers is that they are all good chaps and especially the young ones of today. It is interesting to note that he beat a good many of them in the 2.28 class and won his heat hands
