 It recalls one night, in 1926, election in company with Col. F. McFarlane, (now Chief Judge) that I queried had they any children. He laughed quite merrily and replied, "When we went over to England in 'World War I we hadn't any, so we adopted a bright little girl, and now we have three more of our own."

TRAVERSTON
 The country folk everywhere are saddened by the end of daylight saving time. Now they enjoy their late before Old Sol sets who is taking back jumps further south each morning making the shadows of stunted folk more grateful and those of tall fellows look like bean poles on the sable ends of the old log houses.
 These September days are most glorious ones. Grass and fall wheat fields are greener; the air is purer; some maples are showing a crimson flag and life is happy all around.
 With Standard and Chronicle with very complimentary "write-up" of your scribe, with the gift of three beautiful cakes and a dozen or more birthday cards, your scribe is feeling "purty good."
 It recalls more youthful days, when we originated the "Backless Club" and the evening letters we received. Well the most of the fellows got wedded to estimable partners and the results were most marvellous. One instance, Wm. Stoddart won a winsome wife, reared nine sons and one fine daughter. Other chaps did likewise and the world grew brighter for all of them. Old age on our part closed the notable club.
 Among our mail last week, was a letter from the Rev. Wm. Howey of Penetanguishene, referring back to happy days of our forty years ago. Mrs. Howard Graham (convener of social welfare) explained the motto, "A rosary of friends I keep. At some I smile, for others weep; But life for me with all its needs, Is richer for my string of beads."
 A miscellaneous bazaar was held, proceeds for the Red Cross.
 A social hour was spent at a delicious luncheon, served by the hostess, Mrs. W. Ratcliffe, assisted by Mrs. Geo. Shaw and Mrs. Will Swanton.
 Mrs. (Dr.) Shepherd was formerly Jean Wright, a Vandeleur girl and held the highest score in public speaking contests of business and professional groups of Timingo. Mrs. Shepherd said, "The Mental Hygiene Council of Canada was planning a programme, which they hope to put on in all the schools across Canada. This year they are trying it out in Forest Hill Schools and in a school in Montreal. Needless to say this subject is of vital importance in the lives of our children."
 Mrs. Shepherd was the guest of Mr. and Mrs. Howard Graham and Ruth for a few days when she renewed friendship with many old friends and neighbors.
 Mr. W. B. Johnston in company with Mr. F. E. Boland of Markdale, spent a week with friends in the Sarnia district.
 Mr. and Mrs. Dave Fawcett of Vancouver, B.C. are visiting with Mrs. Ethel Hutchinson, Miss Myrtle Fawcett and Mr. and Mrs. Andy Fawcett and Vernon and other friends.
 Mr. and Mrs. Gordon Loughheed of Meaford, were recent guests of Mrs. Ethel Hutchinson.

VANDELEUR
 "Human Relations and Mental Health" was the subject chosen for the address of Mrs. F. H. Shepherd of Toronto, Immediate Past President of Forest Hill Home and School Association, guest speaker on the Social Welfare program of Vandeleur W.I. held at the home of Mrs. Will Ratcliffe on Thursday afternoon, September 23. In speaking on this timely subject, which is of vital interest to everyone, Mrs. Shepherd explained how our emotions and attitudes affect the mental health of our children, our family life, our own personal health and happiness and the welfare of the home, the school, the church and community. Touching our sex hygiene, she stated that it was important that teaching on this subject should begin in early life. She felt that sex education should be taught in schools, only when the home had failed, as parents have an opportunity and responsibility to teach gradually as the child develops. There was a discussion period following the address and mental health literature was distributed.
 There was a splendid attendance of members and visitors were present from Markdale, Fiesherston and Vandeleur. The roll call was answered, "How are you using your talents to improve your home or community?" Other items on the program were a reading by Mrs. Mel Buchanan on "Sportsmanship" by Edgar Guest, and Mrs. Howard Graham (convener of social welfare) explained the motto, "A rosary of friends I keep. At some I smile, for others weep; But life for me with all its needs, Is richer for my string of beads."

IN MEMORIAM
 KIDD—In loving memory of a dear husband who passed away September 27th, 1946.
 Time speeds on; two years have passed Since death its gloom, its shadows cast,
 Within my home where all was bright, And took from me a shining light. I miss that light, and ever will; His vacant place there's none to fill;
 Down here if mourn, but not in vain, For up in Heaven we will meet again.
 —Ever remembered by his Wife, Mrs. T. S. Kidd.
