

By BLANCHE ROBERTS

CHAPTER III.

Conscious of his shoulder touching hers, she replied:
"When we stop for that bite to Long after he had gone, Honey sat in deep meditation, and all the thoughts that passed through her eat you spoke of I will tell you the real reason." There was laughter mind were not happy ones. They concerned the diamond, Joe and Dan Brewster and were rather jumbled. They did not mix well together—a stolen jewel, a thief,

and the district attorney.

Honey didn't know that Daniel Brewster asked Sonny the same question Jee did about the time she the look of relief that crossed his tense face. When he rang the doorbell she was waiting, heart beating just a bit faster and eyes parkling like twin it wels, expectantly. "You are levely, Honey Monroe," he declared warmly and his eyes echoed his word: "The most beau-tiful creature in the world! Or have getting a lovely, blue-eyed girl, a moonlight night and a man with

"It must have been some other girl," laughed Honey, color stealing into her cheeks "The eminent Mr. Brewster has never paid some proper and casually: ments to me before. At least, I don't recall any at the moment,"

she added, wrinkling her nose at "I suppose you'll be busier than ever now since Mrs. Sylvester's diamond has been stolen." Honey's interest might have been that of any ordinary citizen discussing the latter of the discussing the latter of the discussion of the "Then I've certainly been neglect-

ordinary citizen discussing the latest event of the day, for the news offer to say and Honey hesitated had come over the radio broadcast
at 6:30. "Have you any clues yet?"
"Must we talk of business so early in the evening?" he inquired with
a grin that told her there were other
agrin that told her there were other things more exciting to talk of. "I thought of a drive along the ocean and then a bite to eat later." was very glad when they drove up in front of her apartment hotel. When he insisted on going in with and then a bite to eat later."
"That sounds very nice," she told her, she was really scared. But that

him happily.
"I have also been thinking how nice it would be if you would let me call you Honey." When he spoke her name this time it had all "I have also been thinking how nice it would be if you would let me call you Honey." When he spoke her name this time it had all the earmarks of an endearing term.

"I still agree with you, Dan." She let her own voice fondle his name lives a time hit and he did not miss."

Inside the living room, he gathered her instantly into his arms, surprising her with the movement. "Honey—" and his voice was deep with passionate feeling. "I had to hold you in my arms. Feel the touch of your lips against mine." ust a tiny bit and he did not miss mine." he inflection.

He said quickly, all seriousness:

He said quickly, all seriousness:
"Oh. Honey!"

Just motoring slowly down the Pacific Coast, even though it was foggy and there was no moon, cast foggy and there was no moon, cast an air of romance for Honey. It was true that she had promised to

seen you. Stayed away on purpose.
But it is no use. I still love you."
"I'm glad, Dan," she whispered
and lifted her face to be kissed marry Joe, but no one knew just how she felt about him or whether again. "You see, I love you, too."
There was another long and silent she would carry out her engagemoment while he held her close in his arms. Wher he lifted his face from hers this time, he asked settled over them during the last

but she silenced him with a gesture. "Please. I don't mind telling you the secret. A thoughtful grand mother left me an adequate incom So you see, I'm independent. I d what I please, when I please and answer to no on "."

"How well do vou know Joe Da burne?" His tone was guarded care fully, but she understood his mean ing clearly. "I mean what sort person is he?"

"I have known him for about ni months but not very well. You see she explained honestly and did no mind telling him in the least, "Jo is a hard person to really know. H doesn't talk about himself much. But I'm working to get better ac-"Then it is true," he said flatly

Certain questions are repeatedly asked by my correspondents and, in the interest of other readers, and

ly received are given here.

Question:
What is the meaning of small writing?
Answer: It means that the writer is capable of long periods

strokes of "y" and "g" straight, without loops? Answer: Why they are formed

arms on the table.

"You came to see me tonight,
Dan, because you wanted to know
something about Joe. I have been
seen with him quite a lot lately and
I know his reputation is questionable. So, naturally, you would want
to check on him, Right?" Her tone
was sincere but there was a smile

on her face to tell that she did not resent his inquiry.

"Maybe I hoped to gather some information about Danburne," he admitted honestly. "But you're forgetting a lovely, blue-eyed girl, a statement of the writer is male or female from the script?

Answer: No. The analyst can be desirable to the script?

Island.

Prophecy In The Bible

Amos 5:21-24; 7:10-15; Micah 4:1-4

Golden Text: He hath shewed thee,
O man, what is good; and what

doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?-Micah 6:8.

Prophecy i. one of the strongest

what he intends to do. These con-

Now we marvel at the prophecy of Micah given seven centuries before the birth of Jesus in Bethlehem.

The prophets, were also teachers

of righteousness and were frequent-

ly unpopular. Amos brought a message disparaging the religious

feasts and offerings of the people. He was advised to leave the king's

court at Bethel because he said the

court at Bettier because he sain the king would be slain and the people carried away captive. But Amos finished his prophesy. He fore-told the return from captivity. How we long for the julfillment

of Micah's words, "He shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plough

shares, and their spears into prun-

ing hooks: nation shall not lift up sword against nation, neither shall

garters together, cut the elastic about two inches shorter than or-dinary, sewing a piece of ribbon to each end, and tie the bow when putting on. As the elastic stretches, the ribbon will take up the required Space.

Q. How can I make a good fuc-

niture polish? A. A furniture polish than can be used on the finest woods can be made of one part vinegar, with

Prophecy 1. one of the strongest evidences that the Bible is inspired. It has three functions: 1. To inform us of a future event that people should know about before it takes place. 2. To identify an event which has been forecast by prophecies 3. To inform more genequal parts of inseed off and the pentine.

Q. How can I clean gold lace or braid that is badly tarnished?

A. Sprinkle with fuller's earth and then rub with a stiff brush.

Q. How can I clean white velvet?

A. Sponge with a commercial cleaner, always rubbing in the direction of the nap. Then stretch right side up over a bowl of hot water and brush the nap with a soft brush. prephecies. 3. To inform more generally that God knows in advance siderations will save us from over-working the Scripture in an effort

How Can 1?

in garters last longer?

A. Instead of sewing the ends of

nderstanding of its meaning.

No prophecy is so completely understood as when it is being fulfilled or after its fulfillment. King Herod asked where Christ should be born and was answered by the scribes in the words of the prophet Micah, "And thou Bethlehem.". He sent the wise men to Bethlehem.

Queen Elizabeth are seen as they ride through the streets of London in the historic State Coach.

Q. How can I make the elastic

Put in greased bowl and then in a warm place until it doubles in bulk (about one hour). Put out on board and shape into two loaves. Put in greased bread pans in a warm place and let rise until it doubles in bulk. Bake in a preheated 375-degree oven for one
