### ALMS GIVING CUSTOM A CHRISTMAS CHARITY

Giving alms at Christmas originated in the belief that the Christ came sometimes to the door disguised as a beggar during the holiday season, and it was feared that he might be turned away unrecognized. There is an old legend that tells of the Christ child going from door to door on Christmas Eve in search of those who were kind and deserving. His test was to plead for aid from the door. This story led to a giving on Christmas Eve and it was rare that a beggar was refused.

Don't let a Cold mar your Holiday Season

DECEMBER is here and with it lurks the "common cold"! Ontario citizens are reminded now of a few simple helpful rules to safeguard their health, and that of others.

Prevention of the common cold is the responsibility of all, and if everyone plays his part much unnecessary illness, expense and discomfort may be avoided. With the holiday season looming ahead, when so much happiness depends on everyone feeling fit, why run the risk of "catching cold"—or letting members of your family face that danger?

In the interest of parents and families, the Ontario Department of Health recommends every Ontario citizen to study the common-sense precautions suggested below and act upon them.

## Five Simple Precautions

1. Take plenty of rest. Avoid becoming unduly tired. Endeavour to follow a well-balanced diet.
2. Avoid becoming wet, chilled or overheated. If clothing becomes wet, it should be changed as quickly as possible.
3. If a cold overtakes you, go to bed until it improves. If it does not clear up rapidly, do not hesitate to seek medical advice.
4. Be thoughtful of others. If suffering from a cold, do not spread germs by coughing or sneezing openly.
5. Avoid crowds as far as possible.
