BUTTER

Have you tasted the much publicized butter substitute??

With more press notice than a Bubble Dancer they have launched "Mergie" to the Public.

Well, my six year old daughter, innocent of the fact that it wasn't butter, remarked, "That's awful butter, Daddy."

And you will agree when you taste it—that it is a coloured and salted shortening,

AND WILL NEVER TAKE THE PLACE OF BUTTER as long as we maintain the present high standard of butter.

WE CAN STILL SELL ALL THE BUTTER WE CAN MAKE SO LOOK AFTER "BOSSY," FEED HER WELL, AND IT WILL PAY YOU TO SELL

IN MEMORIAM

HUTCHINSON—In loving memory of our Dad, Albert Thomas Hutchinson, who passed away at Markdale, Ontario, January 19th, 1948.

He went away without farewell, He said goodbye to none, But Heaven's gate was open wide, And a loving voice said, "Come!" Beside his grave we often stand, Our hearts are tired and sore, But through the gloom there come the words, "Not dead, just gone before."—Ever remembered by the Family.
