We did a big Job in 1948...

AND THERE'S A BIG JOB

WE'VE JUST completed the busiest year in our history. Ontario

and Quebec telephone lines carried a record 9,000,000 calls daily.

We built more new buildings than in any previous year, added

program that enabled us to

install 148,981 new telephones

Much remains to be done.

Thousands still want tele-

phones, further service

Every day throughout the

coming year, telephone men

and women everywhere will be

working hard to meet this

challenge. In 1949, as in the

past, all our efforts will be

directed to the achievement of

more and better telephone serv-

ce at the lowest possible cost.

nprovement is still possible.

... another record.

325,000 miles of wire -indications of the size of the construction

STILL TO BE DONE!
