PLEASANT VALLEY

Pleasant Valley Forum had a good attendance at the home of Mr. and Mrs. Howard Hodgkinson. The topic "Food in Sales" was well dramatized over the radio. This forum thought that advertising is of more interest to the producer because he wishes to sell the best and make the most of it. And it shows interest both for the producer and the consumer. The responsibility should therefore go to the producer. An enjoyable evening was spent playing euchre with lunch served by the hostess. High prize for euchre went to Mrs. E. Stoddart and Mr. Everett Ritchie, with Roy Ward winning for the juniors. A St. Valentine Party is planned for the next meeting at the home of Mr. and Mrs. Everett Ritchie.

Mr. and Mrs. H. Hodgkinson and family spent Sunday at the home of Mr. and Mrs. Alf Hodgkinson.

Mr. and Mrs. Charlie Tolton and family visited Sunday at the Roy Rae home at Harkway.

Mr. Mel Ward called on Mr. Pete McLean on Sunday.

Mr. and Mrs. Lloyd McFadden called at the Buchanan home on Sunday.

Mr. and Mrs. G. McInnis visited at the home of Mr. and Mrs. Glen Wiley. Mr. and Mrs. B. Bowles and children of the townline, were visitors at the Winterburn home in Pleasant Valley.

Mr. Bill Winterburn left this community on Sunday for a few days at Durham.

Wednesday night this forum enjoyed the pictures put on at the home of Mr. and Mrs. C. Tolton, by Mr. Anderson, also a talk on Car Insurance by Mr. Lang. Both were interesting. They were thanked by Mr. Tolton. It is hoped to have them in again.

The first sign of spring—Eaton's catalogues arrived in the mail to-day—over a ton of them, according to the expressman, Ben Summers, and the local post office took on the appearance of a wholesale book store with all hands busy.

IN MEMORIAM

HAWKEN—In loving remembrance of my mother, Mrs. W. J. Hawken, who departed this life on February 16th, 1946.

In a little country church yard, Where the summer flowers bloom, Lies the one we loved so dearly, In her silent narrow tomb. She will never be forgotten, Never will her memory fade, Sweetest thoughts will always linger Round the grave where she is laid.

—From her family.

IN MEMORIAM

FAWCETT—In loving memory of a dear mother, Mrs. Richard Fawcett, who passed away February 11th, 1937.

When days are dark and friends are few,
 Dear mother, how we think of you.
 Friends are friends if they are true,
 We lost our best friend when we lost you.

—Ever remembered by the family.

HOLFORD FARM FORUM

The weekly meeting of the forum was held at the home of Mr. and Mrs. Connor with an attendance of 21. The members decided that advertising benefits the producer in that it presents his product to the public and in a highly competitive age such as this, aids in its sale. Advertising benefits the consumer because it presents the merits of several products to him and he can thus choose the one he likes best. Farmers should take responsibility for the merchandising of their own products. It was felt that the best way to do this would be co-operatively.

This is this egg

Yes sir, if you get only one egg more per day than you are now getting from 100 hens — that one egg will pay any difference, if there is, in price of

Blatchford's
 FILL-THE-BASKET
EGG MASH

And you cannot buy a better feed — but you get many more extra eggs when you feed Blatchford's Fill-the-basket Egg Mash — and they are all extra profit.

So — why not start now to feed

EGGS

Eggs have sold by grade at retail in Canada for 25 years. The premium for quality—steadily growing year by year—reached its highest last year when 38 cents a dozen Grade A Large over Grade C was the premium paid, and A over B, 25 cents per dozen. This is probably the largest premium for quality ever established by consumer demand for any food products.

Clean Fresh Eggs from balanced fed hens bring top market grade. A little extra care will pay good dividends. Now is the time to think about your spring chickens; how many and what kind.

Do not be discouraged by the present low prices.
