All Cream Producers

Now that butter has competition and is no longer in short supply we will have to produce the very best butter possible.

To do that we will have to grade the cream closer to the line — as we cannot make First Grade Butter from second grade cream; so be sure to keep your cream clean and free from all feed flavors.

Second grade butter is almost impossible to sell on the market, so we ask you to put forth your greatest effort to produce the very best quality cream.

First Grade Butter is still "THE PICK OF THEM ALL" for table and cooking use.

CREAMERY AND STORAGE HOURS 7:00 a.m. to 5:00 p.m. - Mon., Tues., Wed. and Fri. 7:00 a.m. to 6:00 p.m. - Sat.
