Our Long Distance operators now put through over 5 million calls a month - twice as many as six years ago. To-day more families keep in touch with one another and busy men get more things done by Long Distance. Providing for this growing use of Long Distance is an important part of our vast expansion and improvement program. Thousands of new operators have been added - more are being selected and trained. Hundreds of new and improved switchboards and lines have been built more are on the way.

Bell and McKessock got a goal each and then Snell shot his second goal in the dying minutes to make it 5-4 for Markdale. They just failed to get the equalizer before the game ended and Markdale had a victory.

The game was plenty fast and cleanly played throughout. Merriam drew the only penalty of the contest in the second period. He innocently skated to the cooler when the referee blew the whistle and called for the puck for a face-off.
