is the most Beautiful BUY of all

The most Beautiful BUY for Driving and

Riding Ease—with new Centre-Point Design

The most Beautiful BUY Look at this exciting new for Styling Chevrolet from any point of view—inside and outside,

priced cars.

front, side and rear - and you'll agree it's the smart-est-looking automobile of this new year. For it alone, of all low-priced cars, brings you the distin-guished beauty and luxury of Body by Fisher—the body featured on highest-The most Beautiful BUY Settle into the deep, soft, for Comfort form-fitting seats. Notice the extra-generous head, leg and elbowroom of the Super-Size Interior. Ride in this "car that breathes"—

with an advanced heating* and ventilating system that inhales outside air and

Most sensational of all the advancements in this thrilling new Chevrolet for 1949 is the entirely new kind of driving and riding ease which it introduces into the low-priced field. New Centre-Point Design – including Centre-Point Steering, Centre-Point Steering, Centre-Point Steering, Centre-Point Steering, Centre-Point Seating-lower Centre-Point Design and riding results heretofore found only in more expensive cars. The difference is so great – and so pleasing – that it's no exaggeration to say it is proving a revelation to all who drive or ride in this car. Remember – only new Centre-Point Design can give these finer motoring results; and only the new Chevrolet offers Centre-Point Design at lowest cost.

exhales stale air—giving comfort beyond compare!

*(Heater and defroster

of performance, economy and dependability. And Chevrolet's world's cham-pion Valve-in-Head engine holds all records for miles served and owners satisfied. All-Round Safety will enjoy maximum safety, for Chevrolet brings you fivefold safety protection found only in this one low-priced car: (1) New Certisafe Hydraulie Brakes; (2) Extra-Strong Fisher Unisteel Body-Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the supersteady, super-safe Unitized Knee-Action Ride.

more and more makers of higher-priced cars are adopting — because it gives a much finer combination
