**To The Electors Of The Village of Markdale**

I, THOMAS TUCK, clerk of the Village of Markdale, do hereby certify that the following is a true and correct statement of the question to be submitted to the electors of the Village of Markdale qualified to vote thereon pursuant to By-Law number 710, passed at a regular meeting of the council of the corporation on the 29th day of August, 1949:

"Are you in favour of the erection of a High School by the Village of Markdale at an estimated cost of \$150,000.00 to be financed by 20-year debentures?"

AND TAKE NOTICE that the vote on the above question will be taken on Friday the 30th day of September, 1949, between the hours of 9 o'clock in the forenoon and 5 o'clock in the afternoon, E.S.T., at the polling booth in the public library.

AND FURTHER TAKE NOTICE that Friday, the 16th day of September, 1949, at the hour of 2 o'clock in the afternoon, E.D.T., at the clerk's office in the Village of Markdale has been set as the time and place for the appointment of persons to attend at the polling booth on behalf of those persons interested in voting in the affirmative and on behalf of those persons interested in voting in the negative on such question, and to attend at the final summing up of the votes by the clerk;

AND FURTHER TAKE NOTICE that any qualified tenant who desires to vote on the question, must deliver to the clerk, not later than the 10th day before the day appointed for taking the vote, the declaration provided for by sub-section 3, section 283 of the Municipal Act, R.S.O. 1937, Chap. 266.

AND TAKE NOTICE THAT a list certified by me to be a true and correct list of all persons entitled to vote on the question was posted up in my office on Wednesday, August 31st, 1949.

THOMAS TUCK, Clerk.

**LE ROI-CENTAUR**  
**"Cropmaker" Tractor**  
Engineered around the world-famous Le Roi engine, the Centaur "Cropmaker" offers more in value, ruggedness and drawbar pull per pound of tractor. Its tread and lower centre gravity make it a safer unit, ideally suited for orchard, truck farm or farm. It gives you full crown fenders, push-button electric starting, five-speed transmission, hardened and ground alloy steel gears and precision bearings—a really versatile tractor readily attached to all standard hydraulic implements.
