By order of the Council,
EDWARD LANKTREE, Clerk.

PRINCESS ELIZABETH AND PRINCE CHARLES—A new portrait of Her Highness Princess Elizabeth, Duchess of Edinburgh, with her infant son, Prince Charles, who was one year old on November 14, 1949. At 11½ months, the Prince weighed 24½ pounds, had six teeth, and was tall for his age.

First Log Shanty

(Continued from Page One)

Hall was also the roller skating rink, where York's garage stands. There were four village churches in '96; better homes were beginning to be built, and the stores were places where people met and talked and spent many hours talking over the events of the week. Quite a contrast, Mr. Walker believes, from the bustle of people to day and the businesslike air the town's business places have assumed. And for retired men who have been used to working all their lives, this life of ease gets very monotonous.

Mrs. William McNally Passed Away Monday

Mrs. William McNally died on Monday at the home of her son-in-law and daughter, Mr. and Mrs. Nelson Kirk of the 6th concession, Holland Township. She had resided in this district throughout her long life, for the most of the time in Glenelg Township. She had been ill for only a week prior to her death.

Formerly Catherine Leitch, Mrs. McNally was a daughter of the late Mr. and Mrs. Angus Leitch. She was born in Glenelg Township and was united in marriage at Townsend Lake to William McNally, who predeceased her several years ago. For a short time the late Mrs. McNally made her home in Markdale.

Surviving to mourn her passing, Mrs. McNally leaves one daughter, (Leona) Mrs. Nelson Kirk of Holland Township. She was the last member of her family, two brothers, George and Archie, and one sister, Mrs. Robert Burrell, all of this district, predeceasing her.

Passed Away Thursday

Paul Schramm, a former resident of Markdale, passed away suddenly at his home in Arthur at 6 o'clock on Thursday evening, following a heart attack. Mr. Schramm, who was in his 66th year, is survived by his wife and three daughters, Dorothy of Toronto, (Beatrice) Mrs. Bruce McCutcheon of Proton, and May at home. One son, Howard, predeceased him 11 years ago. Mr. and Mrs. W. Syme, Allan Duncan, and Hugh McLean attended the funeral on Saturday. Mrs. Schramm is a sister of Mrs. Syme.

INCOME TAX FORMS

The local post office has now received a supply of T-1 General and T-1 Short Income Tax Forms, for use of individuals. Individuals whose earned income is derived solely from salary, wages or pensions, and whose investment income is not over \$2,400, should use the T-1 Short Forms. The post office also has a supply of T-4 1949 Summary Forms for the use of employers in reporting remuneration paid to employees.

Card of Thanks

I wish to thank Dr. McCullough and the nurses and staff of the Centre Grey General Hospital for the kind attention to me, also the neighbors and friends and the Junior Guild of Christ Church for the many treats to Dianne during her illness.

Mrs. Dalton Marshall.

HEAVY BLANKET

A heavy blanket of snow, with a top layer of sleet and freezing rain, covered all Southern Ontario on Tuesday as Old Man Winter took full command. The weather bureau at Toronto estimated the fall there at four inches up to 2 a.m. but said it might reach 10 inches in other parts before it was finished. An expert in Toronto called it "a strange storm," because the steady snowfall was so light in its descent. With George Shaw directing, the removal of the snow banked along the sides of Main St. by the snowplows was begun on Wednesday morning.

VANDELEUR

Mr. and Mrs. N. McConnell and Mr. and Mrs. George McConnell and baby of Epping were recent visitors with Mr. and Mrs. Alex. Gilray and family.

Mrs. Ethel Hutchinson and Mrs. Alex. Gilray and daughters were visitors with Mr. and Mrs. Harry Osborne and son of Lauriston.

Alex. Gilray, Lavorne Reid, and Will Ratcliffe attended a hockey match in Owen Sound on Saturday evening.

Carman Sewell has purchased a new car.

A good program and moving pictures are to be presented in the school on Friday evening of this week. Everybody welcome.

Forum Valentine Program

The Farm Forum met on Monday evening at the home of Mr. and Mrs. Will Bowles, and discussed the question, "Is there enough land?" A delightful Valentine program followed the discussion.

With regard to the subject, the Forum was in unanimous agreement with the optimistic point of view, "that the world can be fed." New regions can be cultivated, new plants can be propagated, soil fertility can be increased, and new sources of food supply may be developed. Scientists can do wonderful things, if mankind could only learn to live together in peace instead of trying to destroy himself.

With regard to question two, the Forum felt that freer world trade, better distribution, and an international organization to handle surpluses would be the answer—and, of course, better farm organization.

The recreation period was in charge of Mrs. Will Ratcliffe, Mrs. Alex. Gilray, and Billie Johnston. It consisted of games, stunts, and contests of various kinds, followed by progressive crokinole.

Some of the games caused considerable merriment. Beautiful prizes were presented to the winners.

Alex. Gilray presided, Billie Johnston was the secretary, and H. I. Graham read the correspondence.

Vernon Fawcett won the crokinole championship.

The next meeting will be held in the schoolhouse.

Pupils Entertain W.I.

The pupils of Vandeleur School, with their teacher, Miss Alcox, entertained the members of the Women's Institute on Tuesday afternoon, on the occasion of their monthly meeting, and provided an enjoyable Valentine program. Artistic Valentine drawings decorated the blackboard, and choruses, readings, plays, piano solos, etc., in keeping with the day, were rendered by the pupils. Miss Alcox acted as accompanist, and also welcomed the guests.

There was also an exchange of Valentines among the pupils. The Junior Red Cross held a bazaar and sold a fine assortment of articles which had been made by the pupils during the winter.

Card of Thanks

A host of skiing enthusiasts from many parts of Ontario were gathered on the new Beaver Valley ski trails over the week-end. The Ontario ski school was also held there, with more than 40 pupils: The new ski tow is the largest continuous rope tow in the Dominion of Canada, and is over 2,200 feet in length. The instruction given by the instructor, Ross McFarland, was worthwhile.

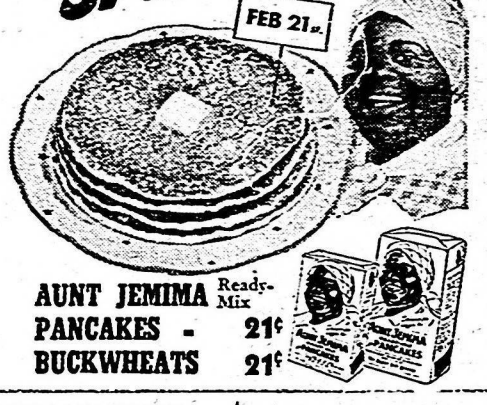

Card of Thanks

We wish to thank our friends and neighbors for their many acts of kindness and thoughtfulness during our recent bereavement.

The brothers and sisters of the late Mrs. Eva Foster.

Oliver, Mrs. Powley, Mr. and Mrs. George Whitney; grades five and six, Markdale Public School.

Junior Red Cross Here To Aid Annual Campaign

The Canadian Red Cross Society is holding its annual campaign for funds. As Markdale has no branch of the society at present, a canvass will not be made, W. J. Messenger, principal of the Markdale Public School informed The Standard. The Public Schools, he said, have received letters from their respective inspectors, asking for funds for the Junior Red Cross.

This organization has the endorsement and approval of the Department of Education, Mr. Messenger explained. During the past year, 60 children exposed to tuberculosis were given aid, as well as many boys and girls being provided with hearing aids, glasses, orthopaedic appliances, etc. Two children received plastic surgery and several were sent to crippled children's camps.

"It is hoped that the parents and others interested in Red Cross work will forward their annual donations through the Junior Red Cross, by giving them to any Public School teacher or pupil in February," said Mr. Messenger.

Died

MCNALLY—At the home of her son-in-law, Nelson Kirk, 6th concession of the Township of Holland, on Monday, February 13, 1950, Catherine Leitch, beloved wife of the late William McNally and dear mother of (Leona) Mrs. Nelson Kirk.

Resting at Oliver's Funeral Chapel until Tuesday evening, thence to the home of Mr. Kirk, where the funeral service will be held at 2 o'clock this afternoon. Interment will be in the Markdale Cemetery.

Little known is the fact that a Canadian, Dr. Abraham Genser, of Cornwall, N.S., discovered kerosene.
