

Not All Building is Done With Stone and Lumber

GOOD WILL toward your neighbor

LOYALTY to your home and country

WHOLE-HEARTED CO-OPERATION with those who help you, and

DETERMINATION to attain greater comforts and education.

Those are the materials of which **GREAT COMMUNITIES ARE BUILT.**

Of these--"Good Will toward your neighbor" has a significant meaning. It means not only having a kind word and smile for him at all times, but it means--*actually helping him.* He'll do the same for you, thus creating the Spirit so absolutely essential to a Progressive Community.

Yes, there is another interpretation for that clause. It lies in cultivating that form of neighborliness that comes with--**PATRONIZING YOUR HOME MERCHANTS.** In doing so, you help them to become stronger and, therefore, better able to serve you more Economically and Efficiently.

And don't forget to keep boosting
