## Judgment Reserved in Hotel Company Suit

Judgment was reserved in the case of the Temiskaming Hotel Company vs. A. Giachino, of Cobalt, when the case came before His Honor Judge Hartman at the adjourned sitting of the District Court on Monday morning. The company brought suit against Giachino for the sum of \$400, the purchase price of four shares of stock applied for by the defendant in the campaign of March, 1925.

The proceedings on Monday consisted chiefly of argument by counsel, when George Mitchell, acting for the defendant, endeavored to introduce new features which had not been included in the original statement of defence. W. A. Gordon, for the company, vigorously objected to this on the ground that these had not been included either in the original statement or in the additions asked for by the defendant at the court last week and which had been the reason for the adjournment being granted. The contentious point centred around a question as to whether provision had been made in the by-laws of the company for the payment of any amount with the application for stock. Mr. Gordon contended that this question would open up the whole matter of the incorporation of the company and in this he was upheld by His Honor, who ruled that certain clauses of the new defence were admissible. Mr. Mitchell asked to have a copy of the prospectus of the company filed as evidence but this was also refused.

Evidence was given by Mr. Bagshaw, president of the company, and Mr. Legris, secretary-treasurer, as to the sale of the stock to the defendant and the receipt of a letter from him asking to have the subscription cancelled on the ground "the investment is not in accord with the wishes of my family." Both witnesses were questioned by the defence counsel on the point as to whether any payment had been made with the application for shares and there were some warm passages between opposing counsel and between defendant's counsel and the witnesses.

No witnesses were called for the defence, the case resting on the question of the letter of cancellation and the fact that no payment had been made.

An Bond Street, London, beauty shops and rest rooms have been established for dogs carried into the fashionable stores by customers. While the dog owners are buying merchandise or having beauty work done themselves, the dog may be bathed, perfumed and properly fed by trained attendants.

## TOWN OF ENGLEHART MOURNS PASSING OF DR. AND MRS. MOORE

The town of Englehart is this week mourning the passing of two of its most prominent citizens in the persons of Doctor and Mrs. W. N. Moore, who died within a few days of each other. Mrs. Moore died on Thursday last after an illness of about a month. She had given birth to a baby in March and did not recover. She was being treated in a Toronto hospital, where Dr. Moore had gone to be with her. A report from the city on Monday brought the news that he, too, had passed away suddenly on Sunday morning.

The late Dr. Moore was in his twenty-eighth year and Mrs. Moore was a year or two younger. They had been residents of Englehart for two years, during which time they had made many friends who all mourn their early death.

## Are Strongly in Favor of Hospital By-Law

The vote on the by-law last week, granting the sum of \$5,000 to the Sisters of Providence to assist in the rebuilding of the hospital here, resulted favorably, as was to be expected. There was a good proportion of the votes polled, around two-thirds of those who were entitled to vote on the question turning out, and the great majority voting in favor of the proposition.

Of some six hundred odd possible votes, there were 405 polled. Of these 380 were for the by-law, 23 were against, and there were two spoiled ballots. A corps of workers had been lined up the day before and worked fairly steadily throughout the day, as it was feared that through carelessness or neglect, there would not be a sufficient number who would go to the polls to carry the proposition through.

The result of the polling shows that there are only a very few people who are not in sympathy with the efforts of the town council to encourage the Sisters in every way in their program of rebuilding. Just why there should be any opposition it is hard to understand. The grant is to be spread over ten years, \$500 per year, and is the same arrangement as was made with the Sisters when the first hospital was built, with the exception that the matter at that time was not submitted to the ratepayers and the payments were not made regularly, through some misunderstanding in regard to the treatment of indigent patients.

Everything should be in order now for the building of the new hospital and, as a start has already been made, (Continued on Page 5)

## Proceeds of \$250 at Dance and Card Party

Particularly successful was the dance and card party held on Friday afternoon and evening last in the Hotel Haileybury, under the auspices of the Children's Aid Society for the benefit of the Shelter. The event was one of the most pleasant that has been held this season and there was a splendid attendance both during the afternoon, when a tea and musical program was held, and in the evening when the dance and cards formed the entertainment.

During the afternoon, vocal selections were given by Mrs. A. P. Knechtel, Miss Chris. Blackwall, Mrs. A. G. Dixon, Mrs. Geo. Mitchell, Cobalt, and Mr. Wald-ruff, and piano selections by Miss Goodwin. A feature of the evening's entertainment was the balloon dance, which caused a great deal of amusement. The prizes were won by Mrs. Lorne Herbert and Mr. W. C. Thuerck.

The committee in charge wish to extend their thanks to all who contributed to the success of the entertainment, particularly to those who helped with the program, and to the hotel management, for the use of the rooms and the courtesy shown. The proceeds were around \$250, which was very gratifying to those who have the care of the neglected children in hand.

That this and all other help which can be extended to the Children's Aid Society is badly needed, is evident to any one who knows only a part of the work that is being done by the Society throughout this immediate district. The need for help and care of the children is one that is very real and the past weeks have been the busiest ones in the history of the Society in the North. During the month of March, 1926, there have been more complaints and more neglected children handled by the Society here than in any previous month in its history. This is due in great measure to the active campaign which has been inaugurated in order to bring delinquent parents to time and to make sure that every child shall have a fair chance to make good in life. During March there have passed into or through the Shelter here a total of 56 children. More complaints have been received and more cases investigated than ever before in the same length of time, and a special effort is being made to have every case of neglect or ill usage of children looked into and conditions bettered.

During the past month one man charged with neglect of his children was sentenced to a year in penitentiary, and only recently a woman was found living in disgusting circumstances, her children taken from her and she herself, after being found guilty of prostitution, committed for two years less one day. Very little publicity is given these cases, but to those who are engaged in the work they are very real and call for all the assistance that can possibly be given.

It is pointed out that the majority of cases which the Society has to deal with come from the unorganized parts of the district, where there is little or no money for such work. Hence the burden falls on the towns and townships where branches of the Society have been formed. It is a common belief that the government makes provision for such cases, but such is incorrect. Of the work that is done through the Shelter here, and the money that is spent, the government pays a very small proportion. The authorities take no responsibility, except in cases where the children are taken away from their parents for adoption by other parties, and as the aim of the Society is more to make conditions such that the children can be left with the parents the great burden remains on the volunteer workers.

There need be no doubt in the mind of any person that the money made through such affairs as the entertainment last week will

## United Church W.M.S. Inaugural Services

The Inaugural Service of the Temiskaming Presbytery of the Women's Missionary Society of the United Church of Canada took place on Tuesday, April 20, in the United Church, New Liskeard. Mrs. J. A. MacArthur, of Haileybury, presided. Greetings from the Presbytery were brought by Rev. Mr. Omond, of New Liskeard. At the conclusion of the special inaugural service which was used, the Sacrament of the Lord's Supper was conducted by Rev. Mr. Rawson, of Cobalt assisted by Rev. Mr. MacKeracher, of Haileybury, and by Rev. Mr. Omond.

Mrs. G. E. Forbes, of Weston, gave a most inspiring address on the work of the Women's Missionary Society of the United Church. A survey of the work within the bounds of the Presbytery was given by Mrs. R. Parker, of Uno Park, for the former Methodist section, and by Mrs. MacArthur for the former Presbyterian section.

The report of the nominating committee was presented and adopted, and the installations of the new officers conducted by Rev. Mr. Rawson. The new officers elected were:

- Hon. President—Mrs. P. F. McEwen, Cobalt.
- President—Mrs. D. A. MacKeracher, Haileybury.
- 1st Vice-President—Mrs. J. A. MacArthur, Haileybury.
- 2nd Vice-President—Mrs. D. Peters, Uno Park.
- Recording Secretary—Mrs. N. Rawson, Cobalt.
- Corresponding Secretary—Mrs. F. W. Hutt, Haileybury.
- Treasurer—Mrs. H. A. McEwen, New Liskeard.
- Young People's Work—Mrs. Putnam, New Liskeard.
- Children's Work—Mrs. H. C. Harvey, Cobalt.
- Christian Stewardship—Mrs. R. Parker, Uno Park.
- Strangers' Secretary—Mrs. C. A. Byam, New Liskeard.
- Associate Helpers—Miss Deacon, Cobalt.
- Missionary Monthly—Mrs. Bowman, New Liskeard.
- Supply Secretary—Mrs. Findlay Munro, Cobalt.

## Harold Tough Killed in a Fatal Explosion

A fatal accident occurred at the Buskie Gold property in the Sudbury District, when Mr. Harold Tough, son of Mr. Bob Tough, well known throughout the north was killed in an explosion said to have been in the shaft of the Buskie. The body is being taken to Niagara Falls for burial, where Mr. Tough's home is. Mr. Bob Tough lost his other son only about a year ago, and the sympathy of the whole mining fraternity in this district goes out to the family.—Sudbury Star.

## CURLING CLUB TO HOLD ANNUAL MEETING ON TUESDAY, MAY 4th

The annual meeting of the Haileybury Curling Club will be held this year in the spring, instead of in the fall as has been the custom in past years. The date set is Tuesday, May 4th, and the meeting will take the form of a dinner in the Hotel Haileybury at 7.30 a.m.

Besides the usual business of the annual meeting, including the election of officers, the trophies won during the past season will be presented and a jolly evening is promised. Tickets are now in the hands of the executive, or may be secured from Mr. W. J. McLean at the Hotel. Get your ticket early.

The chimney sweep started on his spring rounds on Tuesday morning and will continue until he has completed the town.

be used to the best advantage and will assist in a great work which is being done for the general good.

## R.C.M.P. SERGEANT IS APPOINTED AS CHIEF OF POLICE AT TIMMINS

Sergeant E. Pascoe, of the local detachment of the Mounted Police, has resigned his position with that force after a great many years service and has accepted the position of Chief of Police of the Town of Timmins. He will go to his new duties early next week.

Sergeant and Mrs. Pascoe have been residents of Haileybury since 1920 and have become well known and well liked by a great circle of friends who will greatly regret their departure. With them will go Alice and Constance Wilcox, who have made their home with Mr. and Mrs. Pascoe since the death of their mother some years ago. The many friends of the family will all wish them every success in their new home.

## Asks Further Investigation into Death of Chinaman

The Chinese consul at Ottawa, Chow Kwo Hsien, is seeking further investigation into the circumstances surrounding the death of Sue Shue, who was killed on Lang Street, Cobalt, on Sunday, April 11th, by an automobile driven by Sampson Plaut.

He will take the matter up with Hon. Ernest Lapointe, Minister of Justice. The consul charges that the accused should have been required to give evidence under the protection of the court and that his counsel, Geo. Mitchell, should not have been allowed to advise the jury in his charge that they would be justified in bringing in a verdict of accidental death.

Plaut is facing a charge of manslaughter and has been released from custody on \$5,000 bail.

The greatest known depth of the sea is said to be 32,088 feet, about forty miles north of one of the Philippine Islands. At this point the ocean bottom would be about eleven and a half miles lower than the top of Mount Everest.

## Propose Extension of Sewer on Lake Shore

A special meeting of the town council was held on Thursday evening last, when some matters that had not been dealt with at the regular meeting on Tuesday were up for discussion. Among these was the passing of the month's accounts and the question of the extension of the sewer on the Lake Shore Road in the northern section of the town.

The council was requested by Mr. J. B. Gibbons to go into the matter of an extension of the main sewer, in order that the land to the north of his property might be turned into a residential area. The present sewer ends at Temiskaming Street, where a connection has been made to serve the Gibbons residence to the north, and it was stated that if this could be extended, there would be several residences erected along the Lake Shore Road to the North. The waterworks committee of the council are looking into the question with a view to encouraging the building of houses in that section, which is an ideal site for residences.

There was some discussion over the proposed road to the Old Mission from the present road to South Lorrain. This was taken up last year by the Board of Trade and some preliminary arrangements made, and the council felt that if the two bodies were to get busy on the proposition there should be some results obtained.

The waterworks committee recommended that an adjustment be made on the water rating of the Hutt Building on Ferguson Avenue, which was requested by Mr. Hutt. He pays all the rates and each service had been rated as though it were a separate building. This will be arranged as one service for the whole.

Several matters of routine business were transacted and the council adjourned in good time, after hearing the results of the polling on the by-law for the grant to the new hospital, which is to be erected by the Sisters of Providence.
