

Notes of The North

On July 1st, 1926, Frank K. Ebbitt started on his fourteenth year with the company. He joined the Woods Department, first having his office at Matheson with the late O. M. Hennessy, later coming to Iroquois Falls, and still later transferring from the Woods Department to the mill. During his thirteen years with the company Mr. Ebbitt has occupied many important positions in the life of the community.—Iroquois Falls Broke Hustler.

All will be interested to know that the receipts in the match here between the English F. A. team and Timmins exceeded the guarantee by over \$20.00. To clear over \$1,500.00 in net receipts is a fine record for a single game in a town like this, but due to the good work of President Field and the officers, executive and assistants, this fine record was made.—Porcupine Advance.

A fine specimen of a bear was shot on Thursday morning by George Edwards on the farm of Wm. Edwards, about two and a half miles west of town. The bear, which had with her three cubs, passed right in front of the culvert of W. Anyan's road gang.—Englehart Times.

ered by continual ill-health this week was able to undergo an operation which is expected to put him on the high road to recovery. The little lad has been attending school, but his work was being hindered by constant colds and sore throats. The I.O.D.E. learning of his condition, undertook to defray the cost of an operation and hospital treatment, bearing all expenses in connection with the case.—Northern News.

In earlier days many very interesting gold finds were made around Sesekinika and Bourkes. Some of them were truly spectacular. Because the geology was unlike that of Porcupine, then our only sure gold camp, the finds were passed by and the district fell into quietude. Sesekinika is right on the railway. Perhaps in our hurry to reach the green hills far away we have overlooked the lush pastures beneath our feet. Anyway, The Miner is glad to see a return of

interest to older finds and will do what it can to encourage it.—Northern Miner.

The Red Cross organization is now in charge of the operating of the Lady Minto Hospital, this for one year. The Lady Minto Hospital Board still has charge of the general up-keep. The new nurses are: Superintendent, Miss Sharp, of Toronto, who has been for the past few weeks at Kirkland Lake; Miss Young, of Kingston; Miss Shovell, of Cobalt and Miss Darragh, of the Sick Children's Hospital, Toronto.—New Liskeard Speaker.

Intoxicated Car Driver is Spending This Week in Jail

E. Sweet, of New Liskeard, is spending this week in the district jail here, following a conviction of being intoxicated while driving a motor car on Sunday last. Sweet ran into another car

from the rear and caused considerable damage, the gasoline tank of the car being smashed. He was arrested shortly after the accident, which occurred on Sunday night at Fourth Street, Haileybury, and appeared before Magistrate Atkinson on Monday morning. The damaged car was being driven by a Mr. Brocklebank, of Kerr Lake, when Sweet drove into it from behind.

Two Political Conventions Will Be Held Next Week

Both Liberal and Conservative parties have called conventions for next week, the former to meet at New Liskeard on Wed-

nesday and the latter at Englehart on Thursday. The hour in both cases is 1.30 p.m.

Political prophets are fortelling that Mac Lang will be the choice of the Liberals and that Col. Armstrong will again enter the fight as the Conservative standard bearer.

CANADIAN NATIONAL RAILWAY EARNINGS

The gross earnings of the Canadian National Railways for the week ended June 30th, 1926, were \$6,961,138 as compared with \$5,935,462 for the same period of 1925, an increase of \$1,025,676, or seventeen per cent.
