Staked Coal Claims on The Kapuskasing River

M. Austin and W. Robb returned on Sunday from a six weeks' prospecting trip in the northwestern part of the province. During their travels they had the misfortune to lose their canoe and outfit in the Kapuskasing River while trying to make a landing late one evening.

They staked several coal claims in a newly opened district near the mouth of the Kapuskasing river and are quite confident that that district will eventually prove of value from a coal mining standpoint.

IN MEMORIAM

In loving memory of our dear Brother, who died in Saskatoon Hospital, July 10th, 1924.

Deep in our hearts lies a picture, Of a loved one gone to rest; In Memory's frame we will keep it,

Because he was one of the best. Our lips cannot speak how we loved him,

Our hearts cannot tell what to say,

God only knows how we miss him As we battle along Life's rough way.

—Sadly missed by Flo. and Cliff Purdon.

He is gone but not forgotten.

As it dawns another year, In our lonely hours of thinking Thoughts of him are always near.

And again we hope to meet him When our day of life is fled,

And in heaven we hope to greet him,

Where no farewell tears are shed.

—Sadly missed by Father, Brothers and Sisters.

Express Rates Was Subject of Board of Trade Discussion

A special meeting of the Haileybury Board of Trade was held on Saturday evening in the Hotel Haileybury, when the question of express rates in and out of town was the subject of discussion. The Board has in hand an endeavor to have certain products of the district carried at reduced rates to Southern Ontario and will take the matter up with the association of express companies. It was stated that an application for increased rates had been made by the companies, which would affect goods coming into the district from outside points, and this will be given some attention when the proper time comes. About fourteen members of the Board were present at the meeting.
