

Haileybury Increases Central Group Lead

The local Juniors climbed another step up the ladder in their quest for championship honors when they defeated New Liskeard on Tuesday night on the Farmer's own ice by a score of six goals to four. They are now solidly entrenched at the top of the Central Group and if they can win one more game, or if Cobalt loses one, the local boys will meet Iroquois Falls in the play-off games.

The game on Tuesday night turned out to be a corker. Slow to start, both teams soon settled down and dished up some fast hockey. Liskeard dominated the play in the early minutes of the game and drew first blood when Cooper, their aggressive little centre man, scored on a rebound from Wood's shot. Then Woods put the Farmers two up when he burned in a high one from a difficult angle. The local boys claimed that the puck had entered in a hole in the side of the net, but af-

ter a little arguing the net was repaired and the score stood. Before the period ended Lemon counted Haileybury's first goal when he got right through and scored from close range.

Haileybury tied the score early in the second frame when Pritchard chased the rubber into the corner and passed out to Lemon in front of the Liskeard net. Liskeard again took the lead when Woods shot from outside the defence and Burns in goal misjudged the drive. Then Dolan made it three all and right from the face-off Stan Lemon put the locals ahead with a nifty goal. The period closed with the score 4-3 for Haileybury.

In the third stanza Liskeard started off with a bang and were finally rewarded when McKnight shook off several checks and stickhandled right in, giving Burns no chance to save. Play speeded up with both sides backchecking well and working hard to get the odd goal. Toward the close Lemon took the puck from his own defence and after stickhandling through the entire Liskeard team, waltzed in on Tice to score his fourth counter. A min-

ute before the bell sounded Stan worked through again and rung up another, making the score 6-4 and cinching the game for Haileybury. The line up:

New Liskeard—Tice, goal; McKnight and Hogg, defence; Cooper, centre; Woods, right wing; Donohue, left wing; subs, Hall and Wickett.
Haileybury—Burns, goal; Fitzmaurice and Murray, defence; Lemon, centre; Dolan, right wing; Pritchard, left wing; subs, Gregg and Byrne.
Referee—Asselstine, Cobalt.

Hockey Notes

Reports from Iroquois Falls indicate that the Northern group winners regard the champions of the Central group as so much

custard pie. However, one might bite off more custard pie than one might comfortably chew.

Usually Lemons are sour, but, Oh, boy! our Stan is sweet!

Haileybury has to win just one more game to cinch the group honors. Here's hoping they do it in Cobalt on Friday night.

This boy McKnight is a real hockey player and would be a handy man to have around any hockey team.
