

Locals Take First of Play-Offs in Softball

Haileybury softball team won the first play-off game of the Temiskaming Softball League at Cobalt Tuesday night, 6-4, after an exciting nine innings.

"Baldy" Northcott, pitching for the locals, had sixteen strikeouts to his credit, walked two and slapped out a home run and single as his contribution to the win.

Ted Tomney did the hurling for Cobalt, and outside of one frame, the fifth, did well. Six of the Haileybury boys whiffed the air, and five walked in the nine frames, while two got on base by errors.

Cobalt counted two in the first inning when Tomney walked, stole second, advanced to third while McDougall was being tossed out at first, and scored on Roper's single. Mathieson's tap advanced Roper, who scored when Northcott threw badly to first on Abram's roller.

Haileybury got one run back in the fourth when "Baldy" hit for the circuit, to deep right field.

In the fifth, Fitzmaurice got a life when Pearce dropped his high one in right, took second on a passed ball, and third while Moriarity was being thrown out at first. Walsh rolled to short and Fitz beat the throw home. Elliott walked and Tupling also drew four. Ostrom hoisted a sacrifice fly to left, Walsh scoring. Northcott crashed to centre, and two more runs came in, making the score 5-2.

Cobalt got one back in their half of the fifth, with two down. Mathieson singled to short and Abrams tripled to right, but was out at the plate trying to stretch it to a homer.

Cobalt added one more in the eighth. Abrams got a life when Walsh muffed his pop, stole second and came home on Paterson's single to right.

The locals put over their final tally in the ninth. Young Elliott singled to right, went to second on a passed ball and scored on Ostrom's mammoth clout to left, which Maher reached, but failed to hold.

Joe Garipey and Jack Pearce of Cobalt, handled the game and did a good job of it. They kept the players going and disputes were few.

The return game will be played at the Public School grounds in Haileybury this (Thursday) evening at 6 o'clock.

The box score:

Unsatisfactory Finish To Swim for White Trophy on Saturday

The race for the White Swimming Trophy this year had a very unsatisfactory finish. Jack Yohn who won the event last year, and later participated in the Wrigley Marathon at Toronto, thereby becoming professionalized, took off from Dawson's Point with the others in the race on Saturday, and finished well in front of the nearest competitor, but it was announced that Yohn was only working out in preparation for this year's marathon at Toronto Ex. Irving "Curly" Stutterford, of North Bay, was next in, and there was also a question as to his amateur status. Herbert Parks, another North Bayite, followed, and Russell Poppleton, of Haileybury was next. Then Doris Poppleton and Grace Sulphur, both Haileybury girls, and the only ladies in the race, finished the swim shortly behind Rus. Poppleton. Two entrants from New Liskeard, Percy White, son of the donor of the trophy, and Angus McGregor, were taken out of the water suffering cramps.

The committee will likely see that amateur cards will be produced by entrants before starting in future years, to eliminate disputes and bickerings.

A tremendous crowd lined all vantage spots on the beach to get a glimpse of the natators coming in, and each one received a share of the applause, the girls

Cobalt Party Unlocks Mystery of the North

A prospecting party from Cobalt has proved to be the key which unlocked a two-year-old mystery of the Canadian North, Hugh Park, general manager of the Nipissing Mine, has learned. Men from his company, crossing the barren lands west of Hudson Bay in the course of an expedition to the country near Chesterfield Inlet, found the frozen bodies of John Hornby and his two nephews, who perished from starvation in a cabin on the Thelon River, and for whom search has been made since last December.

Mr. Park has been told officially by headquarters of the Royal Canadian Mounted Police at Ottawa that the party of four headed by S. H. Wilson, well known northern miner, and out on a prospecting trip for the Nipissing came across the bodies of the three men. According to the message sent to Mr. Park, the police prefer to give no details until receipt at headquarters of a report by mail from Staff Sgt. M. A. Joyce, in charge of the Mounted Police Post on Chesterfield Inlet, from whom first word of the finding of the bodies came by wireless last week.

There is no word in Cobalt from Wilson of this incident of the party's trip from Great Slave Lake to Chesterfield Inlet, but it is assumed that, in the course of the journey, the Cobalters had come across the lonely cabin on the Thelon River in which Hornby and his nephews had died, and that, when the police post was reached, the information had been given to Sergeant Joyce.

The recent report from Ottawa stated that this party had left Fort Reliance, on Great Slave Lake, in June, 1926, and that a general lookout had been maintained by police in that district for its members. Wilson is expected back in Cobalt in the fall.

especially receiving the huzzas of the crowd.

The trophy will not be awarded until the committee is satisfied with the status of the participants.

Names of Winners in Som eAquatic Events Omitted Last Week

Through an oversight last issue, the names of the winners in three of the aquatic events at the Civic Holiday sports were omitted from the list.

One of these was the half-mile swim, open to amateurs, and it was one of the main events of the afternoon.

The results of the omitted events follow:

Half-Mile Swim—John Blackwell, Graham Kearney, Russell Poppleton. Doris Poppleton, the first girl to finish.

Boys under 16, 100 Yards swim—Robt. Poppleton, Raoul Lacarte, Hugh Bishop.

Girls' Swim, 100 Yards—Nora Frisby, Shirley Seymour, Rhoda Welsh.

Sport Notes

"Baldy" Northcott, Vern. Tupling and Freddie Clark assisted Liskeard softballers to defeat a picked team from North Bay at the Beach on Saturday afternoon at the T. & N. O. picnic. Northcott pitched, Tupling caught and Clarke played left field, and they helped materially. The game looked to be settled in North Bay's favor, when the ninth inning rolled around with the score 7-4 for the Gateway City, but a couple of safeties, mixed up with an error or so, and Baz. Donohue's home run, with one on, tucked the game away for the homesters, with one out.

George Wilson, crack hurler of the Commercials, North Bay City League champs., was on the hill for the losers, with Berard catching. Wilson has a fast ball but it hasn't nearly the speed that Baldy's smoky one possesses. Wilson's control was good, and he used a neck-high ball for the third strike, which had the Liskeardites biting steadily.

Boy Scout's Big Adventure

Be Rid of the Endless Ironing-Day Job

New Invention Irons 90% of Your Laundry in One-Third the Time

THERE is no longer any economy in bending over an ironing board hours at a time at the back-breaking, health-ruining job of ironing by hand. It isn't worth the price you're paying.

Costs you only \$99 Convenient terms if desired

... no exertion. Ironing by this new, high-speed method is done in one-third the time required by hand—and done better. The loads of flat work that took so long slip through like magic.

Here is relief! For just a few cents a day you can own this remarkable new invention—that is portable—handles as easily as a vacuum cleaner, yet does all the big, costly machines will do.

You sit in a chair and feed the pieces through. No labor

When you're through—slip the Thor Rotary Iron into a corner or closet, out of the way until needed again.

Rid yourself of the ironing-day job. This will do it. Ask us for a free home demonstration of this amazing new invention.
